What is AmeriCorps?

AmeriCorps is a national community service program that allows thousands of Americans to give back to their community and get paid to do it! CitySquare is currently recruiting for over 250 AmeriCorps members to serve in Dallas starting June 2013!

What are the Requirements?

Applicants must be 17 or older by June 5, 2013; U.S. Citizen or Permanent Resident; have an interest in working with school-aged youth, no criminal background, and be able to serve as a positive role model for youth in a leadership role.

What will I do?

Members serve in one of two programs during the summer:

Food on the Move – Serve with a mobile feeding program that provides daily meals to 10,000 children residing in low income apartment communities in Irving, Dallas and Houston. Members must be willing to serve outside all day in the heat, be energetic, have reliable transportation and thrive in a team environment.

Education - Help eliminate summer learning loss with one of our twelve community partner agencies; members support structured summer programming to provide daily enrichment activities to youth in low income areas of Dallas and San Antonio. Members must have reliable transportation and interest in working with youth.

What are the benefits?

Members serving with **Food on the Move** commit to 450 hours of service (40 hrs/wk) from June 5 - Aug 24, 2013; receive a \$2,800 living allowance and \$1,468 education award.

Members serving with an **Education** partner commit to 300 hours of service (30-40 hrs/wk depending on program) starting June 5 for 6-10 weeks; receive a \$1,800 living allowance and \$1,175 education award.
