SINCE ITS INCEPTION IN THE LATE 1940’S,

St. Philip’s has been a ministry entrusted to spread God’s love and light throughout the South Dallas community. The school serves children ages 2–12 and continues to lay a solid foundation of academic excellence and community service, repeatedly producing compassionate, confident and capable servant leaders for tomorrow. The Community Center blesses the lives of the elderly, youth, and neighbors in a myriad of impactful ways. For them, St. Philip’s is a safe haven, a place for recreation, an open cupboard, and a resource for quality, low-cost educational programs. This unique service model allows St. Philip’s to be a great steward of volunteer commitment and robust collaborations that bring dignified social services and programming – at minimal cost – to South Dallas.

St. Philip’s challenges us to become all that God wants us to be. There is a common phrase at St. Philip’s: “If it is to be, it’s up to me.”
Since its inception in the late 1940's, The Destiny Awards is an annual luncheon benefiting St. Philip's School and Community Center. This year's luncheon celebrates 70 Years of Ministry, Education, & Service where we will recognize our first Humanitarian Award recipient. The award is given to a leader who has demonstrated exceptional work between diverse communities. The Williams' work exemplifies the importance of embracing the belief in the oneness of humankind in which the destiny of the world is linked.
