OVERVIEW

The vital institution is known today as St. Philip's School and Community Center (referred to as "St. Philip's" or "School") grew out of the prayers and commitment of a small congregation of mission-focused African American Episcopalians over sixty years ago. In the late 1950's youth in the community began to have juvenile delinquency issues. This prompted the men and women of St. Philip's church to find a solution to this growing problem. Their response was to unite with a few larger, sister Episcopalian churches in North Dallas and build a gymnasium where the youth in this South Dallas neighborhood could find constructive activities, particularly athletics. This gymnasium still exists today, as does the athletic program that now serves over 500 children and youth annually. Traditional sports such as football, basketball, track, and soccer are offered, in addition to lacrosse and wrestling.

Two decades later, a tragic incident involving a toddler, inspired the congregation to unite with residents once again. A daycare center was established. The church eventually closed and over the past three decades, St. Philip's has blossomed into a vibrant and effective organization that provides a quality independent school education to over 250 children, ages PK2 through 7th grade, and numerous social and athletic services to over 1,200 children, youth, and adults through the Community Center. The Community Center is truly the heart of St. Philip's and provides dozens of programs to meet the needs of hundreds of children and their families. This includes a Food Pantry, College Bound program (for first-generation college prospects), a senior citizens program, mentoring, academic summer camp, legal clinics, and more.

In the tradition of the organization's founders, in the 1980s St. Philip's started a neighborhood revitalization entity that constructed numerous homes for families and even a unique "senior citizens village" within three blocks of the campus. Additionally, St. Philip's attracted Habitat for Humanity, and progress has been made. But there is still work to do. Our challenge is not to keep this once thriving community a poverty-stricken one, but to lift it out of the shadows of Dallas. St. Philip's true success will come when we see positive change as a direct result of educated children and youth, healthy families, and a safe, empowered community.

In the fall of 2010, St. Philip's completed a major expansion to the campus that allowed the organization to grow its capacity over the next five to ten years. The new building is double the size of the campus and includes a 750-seat chapel, double gymnasium, and over a dozen new classrooms, many dedicated to St. Philip's Early Childhood program. Presently, revitalization continues with an emphasis on community economic development within our immediate areas.

Great Things Lie Ahead for St. Philip's and the South Dallas Community it calls home!

OUR VISION

Transforming the world by faith, education, and service.

OUR MISSION

To provide an unparalleled education and compatible community services through a faith-based experience, with emphasis on serving low and moderate income families.

CORE VALUES

We believe in...

Demonstrating God's love for all people

Embracing everyone's potential to be extraordinary

Serving others with dignity

Teaching values, building character, and demanding integrity

Investing in positive community transformation

Nurturing self-confidence, individual sacrifice, and cultural awareness

YOU BELONG! (The Statement of Values defines the principles that guide the Board of Trustees and staff in management of the institution.)

CREED

Look at me. I am more than what you see.
Destiny is mine! If it is to be, it's up to me.
Society will condemn, but only I determine my path.
My people have suffered and died for my chance to read and do Math.
Just as sacrifices were made to make my future bright,
It is my responsibility to do things that are right.
I must start today to pave the way.
The community and the world need my contributions.
In success, I will not stray.
The bias, the rumors, nor the stereotypes will hinder my growth;
I claim dignity and prosperity. My God promises both.
Look at me! I am sharp, empowered, talented and proud without limit.
I will use my education to explore new heights.
The sky is the limit, if I just put my mind in it.
When I say, "stick it out," I don't mean a hand.
I will persevere to play my role in God's omniscient plan.
I will live by "put ups, not put downs" for my sister and my brother.
I care for you; I respect you.
If I don't, why should another?
Success is my right - failure my option. I have the voice.
The consequences I will accept, for I made the choice.
Look at me! Great things lie ahead.
Judge me not by what you've been told,
But by what's in my head.

© St. Philip's School & Community Center

THE GRADUATE PROFILE

Servant Leadership: The St. Philip's graduate (SPG) will exhibit awareness of God's desire for a mindset of Servant Leadership. Through this tenant, the St. Philip's graduate will possess the capacity to offer their talents and time for the benefit of others. The SPG displays a desire to enrich their communities through their actions, serve with empathy and responsibility, and inspire through leadership.

Cultural Awareness & Social Justice: The St. Philip's graduate develops a solid foundation and appreciation of cultural diversity with a specific emphasis on African-American culture and history, in addition to an expanded knowledge of the African diaspora and other cultures of the world. The SPG exhibits positive self-esteem and is able to thrive in environments where they may be the minority, after leaving St. Philip's.

St. Philip's recognizes that elementary school is an appropriate time to introduce to children the concepts and practice of tolerance, justice, loving-kindness, and the celebration of our various differences. The SPG will be equipped to recognize injustice and to stand up or speak out for what is right.

Inter & Intra-Personal Wellness: Through our various character- and community-based programs, the St. Philip's graduate possesses a vast array of tools necessary for inter-and intra-personal wellness. We provide a systematic approach to the development of a healthy spirit, mind, and body that is ready to interact with the world.

Christ-Centered: The St. Philip's Ministry lives up to its mission to support the spiritual development of children and to provide a faith-based experience. Our students begin their journey towards becoming champions for God at the tender age of two, through daily classroom devotions and a daily all-school; Chapel service that provides child-friendly homilies and opportunities to praise and worship through music, song, and dance with their teachers and classmates.

The St. Philip's graduate leaves St. Philip's knowing "it's okay to pray and make an "A". They are liberated to acknowledge Christ. They leave strengthened by the guidance and instruction they received on a daily basis at St. Philip's. The St. Philip's graduate possesses an authentic love of God, love of self, and love for their sisters and brothers that informs their daily walk and life choices. The St. Philip's graduate embraces the idea of living and fulfilling the purpose God has for them and the ability to share the "good news" with others.

Intellectually Driven: The St. Philip's graduate receives a premiere educational experience and possesses a sincere life-long love of learning. Without ambiguity, St. Philip's makes known to its students and graduates its very high expectations for excellence. Parents are supported through our Parent University in their quest to ensure educational excellence for their children.

The St. Philip's graduate has benefitted from St. Philip's impressive curriculum and educational programs that weave technology into the fabric of all instruction, offer diverse educational experiences, incorporate Project-Based Learning (PBL) across all grade levels, provide a platform

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

for individual and team academic competitions, nurtures natural artistic talents through the Performing and Fine Arts, and engages students in creative exploration.

The St. Philip's graduate leaves us having generated a bank of knowledge and skills and above-grade-level proficiency in all core subject areas. The St. Philip's graduate exudes confidence in the classroom and takes risks.

PARENT DEFINED

The term “parent” is used to refer to the parent, parents, legal guardian, or other legally authorized people who have agreed to assume school-related responsibilities, or a legally authorized person standing in parental relation or lawful control for a student.

In cases of divorced parents, parental rights will be solely verified by a legal final court decree or order. The parent is required and must present the current legal court decree or order that has a seal, date, and judge's signature. In the case of separated parents, both parents are responsible for listing and maintaining their contact information in the School’s communication system (FACTS/Renweb, etc., and correspondence will be submitted to both parents.

Both parents are responsible for supporting the student and the School.

Custody Matters

These matters should be addressed with the Admissions Director and Principal. In the absence of an official court order to the contrary, the School will provide the non-custodial parent with access to the academic records and other school-related information regarding their child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the School with an official copy of the court order. Divorced parents must provide the School with an official copy of the custody section of the divorce decree.

If there is a protective order on a family member, the parent is required to remove that person from the FACTS/RenWeb system, or related school service sources to prevent that person with a protective order from being on campus, picking up the student, or receiving school correspondence. The School must be provided with an official copy of the protective order.

The School will not interpret or enforce or supervise a visitation schedule, pick up, assigned responsibilities, etc., however, will adhere to the provisions outlined in the official court order or decree signed and dated by the Judge.

Parental conflicts and disputes must not be addressed on the school’s property or at school events whether on or off-campus. Any such matters resulting in a disorder or disturbance while on the School and Community Center property or an event may result in the family being recommended for withdrawal, law enforcement intervention, and or immediate dismissal from enrollment at St. Philip’s School & Community Center (without the privilege of returning to the campus property or reimbursement of tuition or release from the parent financial contractual agreements).

Legal Testimony

If parents request testimony or documents from the School in a custody case, or other legal matter, the School’s guidelines require that the parent or agency submit requests only to the School’s Principal and or Admissions Director. The School must be notified when an employee is requested to be involved in any court or legal proceedings. Unless court ordered we are not obligated to participate in such proceedings.

The Admissions Office is the official guardian of student records and will determine when and how legal or court-requested documents are released.

Child Protective Services

Per state law, if the school has cause to believe that a child under 18 years of age has been or may be abused or neglected (including physical injury, the substantial threat of harm, mental or emotional injury, or any kind of sexual contact or conduct), or that a child is a victim of a sexual offense, the law requires that the School make a report to the appropriate governmental agency, usually the Department of Protective and Regulatory Services. Once a report is filed, the School may be required to provide additional information.

The School respects the inherent rights and responsibilities of parents for their children. Recognizing this, federal, state, and local laws require that all interactions comply with all laws, policies, and ethical standards about confidentiality. Schools are required by governing laws and professional codes of ethics to report any form of child abuse or endangerment whether to self-harm or harm others.

ORGANIZATION STRUCTURE

The Board Chair and Head of School determine the overall organizational direction and key initiatives. Those initiatives are communicated to Department Heads and Committee Chairs, who work together to co-develop specific steps that would implement and accomplish organizational goals.

St. Philip's School and Community Center is comprised of faculty, staff, and administration that are humbled by God's calling on their lives to educate children and adhere to His will that we serve others. We understand and are regularly reminded that our service to children and the community is not a rehearsal. To serve as good stewards of the many resources with which we've been graced, we hold ourselves accountable to the highest possible standard. We are here because we want to serve. Faculty and administration are qualified and dedicated professionals who embody the mission and philosophy of the organization.

The School and Community Center organization comprises numerous departments and divisions. An outline of the organizational structure and the personnel who can assist in specific responsibilities may be obtained from the office of the Perot Family Headmaster.

St. Philip's is accredited by and is a member of the Independent Schools Association of the Southwest ([ISAS](#)). We observe the standards of the National Association of Independent Schools ([NAIS](#)).

SCHOOL DIVISION STRUCTURE

EARLY CHILDHOOD (EC) DIVISION Pre-Kindergarten Two Through Kindergarten

Under the direction of the Principal, a Division Leader supports the guidance of this division.

The goal of the EC program is to provide students with a comprehensive curriculum and a dynamic experience while preparing them in the realms of language, communication, critical thinking, social, emotional, and physical development. Learning takes place in a nurturing environment designed to educate the whole child. Students engage in a variety of hands-on activities and lessons across all academic areas while being encouraged to explore and be creative. The teaching methodology evolves and adapts to the changing needs of the students.

The routine and consistency of the daily class schedule reinforce learning objectives. The students settle into the classroom and begin the day with Social Emotional Learning (S.E.L.) and D.E.A.R. (Drop Everything And Read) time. D.E.A.R time is followed by a dynamic chapel service with the entire student body. The morning activities include reading and mathematics instruction, and Science and social studies are taught in the afternoon. Specialized classes (Music, Visual Art, Spanish, Technology, and P.E.) and visits to the Library are woven into the weekly schedule. Core academic content is delivered through interactive and small group learning centers. Center time allows students to develop academic and socially age-appropriate milestones.

We facilitate long-term, student-designed projects (Project Based Learning-PBL) that promote active, inquiry-based learning. Students are guided through a process of questioning, challenging, and problem-solving real-world issues that are presented in the curriculum, forging tangible self-to-text connections.

Learning centers also allow faculty to further individualize instruction. A cross-curricular approach is used. Arts and crafts, music, and drama are incorporated to enhance and promote creativity and expression. The Mathematics program introduces and reinforces basic mathematics skills that serve as a foundation on which more complex and abstract concepts can be built. The daily mathematics routine includes color and shape recognition, number recognition, and calendar exercises. Manipulatives, hands-on activities, interactive computer games, and repetitive exercises are used by each teacher to aid in the development of number sense skills. The reading program is designed to develop listening, vocabulary, comprehension, and writing skills. We introduce students to the alphabet, implement phonemic awareness exercises, and guide students through the reading process. The Science program encourages students to explore, ask questions, observe, and communicate during each stage of the scientific inquiry. In Social Studies, students learn about family traditions, communities, explorers, and the history of their ancestors.

Take-home activities, research projects, and academic excursions (field trips) are important contributors to academic achievement. It extends the in-school curriculum and provides opportunities to practice skills and cement an understanding of big ideas.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Technology is integrated into every facet of the program. Each classroom is equipped with interactive display technology boards. Every student has access to a school-issued technology device for engagement in instruction.

SCHOOL DIVISION STRUCTURE

LOWER SCHOOL DIVISION

First Through Third Grade

Under the direction of the Principal, a Division Leader supports the guidance of this division.

When our students enter first through third grades, they have moved from the solitary play and parallel play seen during the early childhood years to true social interaction and cooperative play. Our Lower School Division teachers take full advantage of this natural progression in child development by structuring lessons through cooperative grouping and hands-on laboratory explorations. Learning activities are designed to promote critical thinking skills that become habitual and automatic.

Lower School is a time of explosive growth. The program builds on the skills mastered in early childhood by focusing on more formal/traditional study and independence. Hands-on learning activities and centers are consistently incorporated, but they are fused with other traditional methods for teaching and learning. The classroom consists of a more structured learning environment. Students spend more time at desks and/or tables, and the amount of direct instruction is increased. Classroom rules and instruction are designed to ensure appropriate routines and materials are used and followed. Learning activities are designed to promote critical thinking skills that become habitual and automatic.

Teachers use methodology and materials to help students learn information accurately and more rapidly. Learners are taken through the steps of learning systematically and intentionally, helping them to see the purpose and result of each step. Teachers explain exactly what students are expected to learn, demonstrate the steps needed to accomplish the task, and provide opportunities for useful practice. Students are motivated to examine the information, learn the vocabulary, memorize the rules, and recite the material learned. Through repetition and narration, students demonstrate their comprehension of the subject matter.

We facilitate long-term, student-designed projects (Project Based Learning-PBL) that promote active, inquiry-based learning. Students are guided through a process of questioning, challenging, and problem-solving real-world issues that are presented in the curriculum, forging tangible self-to-text connections.

The Literacy programs are used to assist in enhancing the growth of readers, writers, and speakers. In addition, language skills are taught and integrated within the context of natural communication experiences and opportunities. These learning experiences utilize quality literature, reference materials, and technologies. In Lower School, students begin the formal study of discovery-based science and mathematics. The mathematics program is utilized to assist students in exploring problems to understand the fundamental processes of mathematics, logical thinking, and problem-solving. Mathematics manipulatives and other tools are used to move students from concrete to representation, and finally to an abstract level of learning. The study of science is taught using

various hands-on opportunities. Students are introduced to the scientific method and science process skills such as observing, classifying, estimating, predicting, and measuring. Social Studies is taught using Harcourt Brace Social Studies Weekly® and maintains a heavy emphasis on African American History and contributions. It provides an increasingly complex lens through which students learn about their community and the world around them. Academic excursions (field trips) are regularly incorporated to reinforce concepts and topics studied.

Take-home activities, research projects, and academic excursions (field trips) are important contributors to academic achievement.

Every student has access to a school-issued technology device for engagement in instruction.

Advisory for Third (3rd) Graders:

St. Philip's has an advisory program that begins in 3rd grade. Advisory groups have activities during their allotted advisory time.

Advisory meetings provide an opportunity for the student to:

- learn and implement time management, organization, and study skills;
- identify and incorporate various supports for success, which may include, small group instruction, academic pull-out support, SEL lessons; and
- address wellness and social responsibility through the Social Emotional Learning (SEL) instruction.

Student Planners

Third grade and up utilize Student Planners to help the student remain organized with their assignments. Parents should be aware of these and check them to know what assignments their child has received and when they are due to be completed. Students are responsible for ensuring they input information accurately into the planners.

SCHOOL DIVISION STRUCTURE

MIDDLE SCHOOL PREP (4TH & 5TH GRADE) DIVISION Fourth and Fifth Grades

Under the direction of the Principal, a Division Leader supports the guidance of this division.

Young people experiencing the rapid physical, intellectual, social, and emotional growth of pre-adolescence need an educational environment sensitive to their specific needs. The Middle School Prep (4th & 5th grade) program has been carefully constructed to provide a curriculum that is challenging in a school community built on trust, leadership, and mutual respect. Each grade level in Middle School Prep (4th & 5th grade) is guided by a team of teachers who work together to provide a stable and supportive atmosphere. The teachers meet to discuss the academic, social, emotional, and physical needs of each student and to develop strategies to help students deal with the many challenges of this stage of development.

The goal of the Middle School Prep (4th & 5th grade) program is to provide the academic and social foundation needed to prepare students for the transition from an elementary school environment into a larger and more independent setting. The platform of the program strives to foster growing independence and accountability. Students are taught to be curious and seek knowledge through the many opportunities they have that transform them into curious, compassionate, creative, and confident individuals.

We facilitate long-term, student-designed projects (Project Based Learning-PBL) that promote active, inquiry-based learning. Students are guided through a process of questioning, challenging, and problem-solving real-world issues that are presented in the curriculum, forging tangible self-to-text connections.

Literacy/ELAR/Communication (Reading, Language Arts, and Writing), Mathematics, Science, and Social Studies make up the core classes with additional classes in Fine Arts (Visual Art, Performing-Theatrical Arts, and Music), Spanish, Technology, Physical Education, and Library. Activities and lessons are established to meet the individual needs of students at varying levels of ability while promoting critical thinking and fostering problem-solving.

Teachers work to ensure that lessons incorporate multiple intelligences and allow for creativity as well as oral and written expression. The program is enhanced through research projects, the infusion of Fine Arts and Technology within core class instruction, and team-building games and activities. Students gain a clear understanding that learning involves the interweaving of all content areas. This idea is made more concrete as the students engage in interdisciplinary projects. academic excursions (field trips) are a valuable learning tool and are incorporated within the Middle School Prep Program.

Middle School Prep exemplifies a heightened level of accountability. Fourth through fifth graders are expected and required to play an active role in their education. Middle School Prep students

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

have a full day of classes set on a block schedule. MS Prep students must attend the first 5 to 7 minutes of each end-of-the-quarter conference with their parents and advisor. These requirements promote a sense of personal responsibility the school endeavors to instill in each student. The students are also afforded many opportunities to develop and strengthen their leadership skills. Every student has access to a school-issued device for engagement in instruction. (Refer to the Student Device Policy)

Advisory for Middle School Prep

St. Philip's has an advisory program that begins in 3rd grade. Advisory groups have activities during their allotted advisory time.

Advisory meetings provide an opportunity for the student to:

- learn and implement time management, organization, and study skills;
- identify and incorporate various supports for success, which may include, small group instruction, academic pull-out support, Social Emotional Learning (SEL) lessons; and
- address wellness and social responsibility through the Social Emotional Learning (SEL) instruction.

Student Planners

Third grade and up utilize Student Planners to help the student remain organized with their assignments. Parents should be aware of these and check them to know what assignments their child has received and when they are due to be completed. Students are responsible for ensuring they input information accurately into the planners.

COMMUNICATION

St. Philip's School and Community Center strive diligently to keep parents informed of school policies, activities, and events. Parents are responsible for any information posted or distributed.

Failure to notice items posted, or failure to check Parent Alerts (voice and text messaging), Remind App, a grade-level Week at A Glance (WAAG), student's folder, FACTS/RenWeb emails or postings, or Remind App does not pardon responsibility to comply with school requirements.

Non-Authorized/Unofficial Communication Sources

Parents may not establish social media communication platforms that are a representation of St. Philip's School & Community Center. Such platforms may include but are not limited to GroupMe, Remind accounts, parent text message groups, and other social networking sites. Such unofficial school communication sources are not authorized by the school and do not represent a means of school communication. Parents are encouraged to not participate in such unauthorized communication sources that may lead to disharmonious actions and erroneous information. Please use a professional means to let school-related concerns be known by setting up a meeting with the appropriate person/people when concerns arise. Parent communication must adhere to the guidelines of the Parent Responsibility Agreement and Harmony Communication policies.

Official School Communication Sources:

Parent-School communication takes place regularly through many sources; such as, but not limited to:

- FACTS/RenWeb (school-wide official, primary communication information resource)
- Week At A Glance (WAAG) class messages and assignments
- Google Classroom
- SeeSaw
- Remind 101 App, Parent Alerts (voice and text messaging) system
- Principal's Video
- Parent Liaison's virtual connect meetings for parents
- School's website (www.stphilips1600.org)
- Parent-Student Handbook,
- St. Philip's Admissions New Parent Presentation/Orientation Meetings
- August: Meet the Teacher/Back To School meetings
- Mandatory Parent-Teacher Report Card Conferences
- Quarterly Report Cards and Progress Narrative reports
- Announcements in daily morning Chapel (including its live-streaming service)
- Parent Student Association (PSA) scheduled meetings,
- Parent & Teacher meetings (as scheduled)
- [1600 Magazine](#)
- School's E-Newsletters, monthly

- Pastries with the Principal informational sessions
- Dad's Dinner with the Doc informational sessions
- Homeroom Parents (as annually designated by the School)
- Social Media: [Facebook](#), [Twitter](#), [Instagram](#), [YouTube](#)

FACTS (formerly Renweb)-Contact Information

FACTS/RenWeb is the official school's communication and student information system. Parents can access student grades, homework assignments, attendance, discipline events, medical events, report cards, etc.

All parents are required to maintain their accurate contact information such as email, address, phone numbers, cell numbers for Parent Alerts, emergency contacts, authorized persons for pick up, student health records, etc., in this information system. It is the parents' responsibility to update accurate information in FACTS/Renweb, Remind, and class emergency contact records.

Generally, school information submitted through FACTS/Renweb is submitted to the email address listed in the student's correspondence tab and the custody tab. Parents should review their email and spam/junk mail to ensure mail is not missed.

Remind

Remind is a communication APP platform that helps educators reach students and parents. Fast messages are sent in real-time to an entire class, a small group, or just a single person. Remind is a website-based phone app that provides a safe way for teachers to text message or email students and parents. Any time a teacher sends a message from Remind, parents subscribed will receive it. Parents must maintain accurate contact information with the school. All parents are required to maintain. Refer to other sections throughout this Handbook regarding Remind.

Inclement Weather Communication

In the event of the closing of school due to inclement weather, a school-wide communication system voice and/or text message announcing the school closure or late arrival time will be left on parent phone numbers registered in the FACTS/RenWeb school communication system or Remind App. Additionally, a post on the website and social media will be published. It is crucial to maintain accurate cell, home, and emergency contact telephone numbers and email addresses in the School's FACTS/RenWeb system.

Severe Weather Dismissal Communication

A "severe weather alert dismissal" message will be sent to parents when conditions exist that pose a safety threat. A text message via FACTS/RenWeb Parent Alert will be sent. Parents are responsible for ensuring their school contact information is current in the communication system or Remind App.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Logos and Images Use Policy

Employees, volunteers, and partners are required to follow the brand standard guidelines of the organization to ensure the proper understanding of St. Philip's School and Community Center is communicated. Unauthorized use of St. Philip's brand and likeness of any kind is prohibited.

The use of all logos and images associated with St. Philip's School and Community Center and its associated entities are for the sole use of the school. The logos, insignia, and images may not be reproduced, duplicated, or altered without express written consent from the School Administration.

This includes but is not limited to the school logo in all its forms, athletic logos, Parent Student Association, Mission Moms, Dad's Clubs logo as well as images from the school website. Independent use and production of any of these logos and images on printed and digital materials such as sports team uniforms, paper goods, clothing, decals, monogrammed or imprinted items, etc. are prohibited.

PARENT & TEACHER COMMUNICATION

As outlined in the Communication section, the school provides various formats for communicating from school to home and home to school. You must talk with the person who is most knowledgeable and can take action regarding the subject matter for which you need support or guidance. When a matter of concern needs to be addressed, these guidelines should be followed to ensure your communication is received and a timely reply from the School is given.

In matters involving behavior, discipline, academics, or health, the school will only meet with the parents. If parents are not in the same home, the parents are responsible for determining how they can harmoniously have a school-parent conference that supports the teacher's available conference schedules.

Meet The Teacher Event

At the beginning of each academic year, parents will have the opportunity to attend a Meet the Teacher event to meet all of the teachers. At this Meet the Teacher event, parents will turn in their child's school year designated supplies

Non-Attendance: If parents are not able to attend the Meet the Teacher event, during the first week of school, the parent is required to schedule a time to meet with the teacher to obtain this essential information, turn in supplies, and learn about the school and classroom rules. This is an important meeting that provides essential information for the school year.

Report Card Conferences (Mandatory Attendance)

Parent-Teacher Report Card Conferences are generally held with the homeroom teacher or advisor. The parent may request that other teachers participate in the Parent-Teacher Report Conference or the parent may schedule a separate meeting with the class subject teacher. Both parents (with whom the child resides) are required to attend their child's Parent-Teacher Report Card Conferences.

If parents are not in the same home, the parents are responsible for determining how they can harmoniously have a school-parent conference that supports the teacher's available conference schedules.

To increase two-way communication about homework, teachers may talk with parents about their mutual goals for a student's learning. Parents are also encouraged to share information regarding assignments, student learning styles, and the home environment.

Failure to attend the two (2) mandatory Parent-Teacher Report Card Conferences may result in not being extended an invitation for re-enrollment to St. Philip's School and Community Center.

Scheduling Parent & Teacher Meetings

Early Childhood and Lower School students have a homeroom teacher. Middle School Prep (4th & 5th grade) students are assigned an advisor.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

If parents are not in the same home, the parents are responsible for determining how they can harmoniously have a school-parent conference that supports the teacher's available conference schedules.

Parents are encouraged to contact the student's homeroom teacher or advisor when they have a question or suggestion, need information, need clarification of a situation concerning classroom matters, your child's academics or social relations, emotional or behavioral matters, or need to resolve a matter or a related concern. Likewise, teachers are encouraged to notify parents if they have a concern or to tell parents about an outstanding academic accomplishment made by the student.

It is best to formally schedule a meeting by sending an email, contacting via school phone, or the preferred method given to you by the teacher. You must receive a confirmation from the teacher about the meeting date and time.

The teacher should reply within two (2) school business days. If the teacher does not reply within two (2) school business days, please consider the teacher may not have received your message; therefore, please follow through again and or send a written request for a parent-teacher meeting message in Remind or email. Additionally, after two school business days of attempting to contact your child's teacher, you may contact the Division Leader.

Resolving a Matter

The need for resolution on a matter should be

- first addressed with the specific teacher, if not resolved,
- then with the Division Leader and/or Dean of Students, if not resolved at this phase,
- then finally with the Principal.

Unscheduled (Impromptu) Meetings

Please do not attempt to have unscheduled meetings with the teacher or Principal during morning or afternoon carpool tasks, in the hallway, during cafeteria duty, during instructional time (in any area), while the teacher is in transition with students, or during related times that would reduce direct attention to students or the school setting.

Unscheduled, impromptu meetings do not allow the teacher the proper focus, and the attention students need and hinder the instruction and supervision of students. Formally scheduling a parent-teacher meeting will allow the teacher to bring any necessary materials and arrange for a time to adequately meet with the parent.

Teacher Availability - Communication

When implementing serious disciplinary consequences, parents can expect communication from the teacher whenever serious consequences are being applied. The teacher's school day is structured with classroom instruction throughout each day, therefore, communication to the parent

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

may not be issued until after the school day or teachers will respond to communication within two (2) school business days. If the teacher is on leave, contact the Division Leader.

Requesting a Parent & Principal Meeting

If there is an unresolved issue after having initially met with the related staff or teacher, and secondly after having met the Division Leader and Dean of Student & Family Affairs, then finally a written or telephone request to meet with the Principal should be submitted directly to the Principal's Assistant.

The Principal or Principal's Assistant will reply within two (2) school business days. Please provide the details about the need for the meeting in your request for a meeting.

If parents are not in the same home, the parents are responsible for determining how they can harmoniously have a school-parent conference that supports the teacher's available conference schedules.

Resolving a Matter

When seeking to resolve a concern, parents should follow the protocols as outlined herein:

- First addressed with the specific teacher, if not resolved,
- then with the Division Leader and/or Dean of Students, if not resolved at this phase,
- then finally with the Principal.

Meetings with the Perot Family Headmaster

Only the Principal can escalate a school matter to the Perot Family Headmaster and or the Board of Trustees. The Principal seeks to ensure all school matters are addressed effectively, efficiently, and expediently.

When seeking to resolve a concern, parents should follow the protocols as outlined herein:

- First addressed with the specific teacher, if not resolved,
- then with the Division Leader and/or Dean of Students, if not resolved at this phase,
- then finally with the Principal.

ADMISSIONS / ENROLLMENT

(Policies and Guidelines are Subject to Change)

St. Philip's does its best to admit students who we believe will greatly benefit from our effective and unique approach to education. We do not admit solely the highest intellectual, but a diverse group of malleable children, who will excel in an environment that is conducive to encouraging, nurturing, challenging, and inspiring students to have a love of God, love of self, love of community, and love learning. We consider these qualities to be the true foundation for great leaders and positive contributors to society. We have found that the key to a successful St. Philip's education is the combination of a strong educational program, hardworking students, and supportive parents.

At St. Philip's, we are committed to cultivating a student body of confident, compassionate, and capable children excited about their future.

We admit families, not just the student.

Nondiscrimination Disclosure

St. Philip's School & Community Center admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the School. It does not condemn or condone based on race, color, religion, gender, sexual orientation, or national and ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

Enrollment

The enrollment process is not complete until all forms have been filed and financial obligations met. Parents are responsible for the full tuition for the year as outlined in their contracts, with no exceptions.

For enrollment procedures and requirements, visit the Admissions Office. All students are required to have valid certified copies of:

- Birth Certificate
- Health Immunization Records

A student folder and or electronic data will be established and maintained on every student by the Admissions Office.

Re-enrollment

Students are not automatically re-enrolled for the next school year; thus, current student re-enrollment is not guaranteed from one year to the next. Re-enrollment normally occurs annually in February. Refer to the School Calendar or the Admissions Office for re-enrollment open and closing dates.

Families extended an invitation to re-enroll must complete the re-enrollment process by the final re-enrollment deadline. Failure to do so will result in the student being withdrawn; thus, the student must complete an application process for enrollment during the Open Enrollment period.

The proper school forms must be completed each year within the time set before new applicants are accepted. After the contract return period for re-enrolling students expires, new applicants in the wait pool are accepted at a date determined by the Admissions Committee and the Principal.

Parents withdrawing students during the summer months or after the eligible re-enrollment period has closed are not guaranteed a seat for the upcoming school year.

Invitation to Re-enroll:

It is our re-enrollment practice to temporarily block from re-enrollment any family who applies out to another school. Through these actions, it is evident that St. Philip's School and Community Center is not your primary choice for your child's education. This enrollment block allows the family to seek what they may consider to be a more suitable option for their family while allowing families to re-enroll/enroll who have already made the decision that St. Philip's School and Community Center is the primary option for their family. Once these families have ample opportunity to re-enroll/enroll, at the discretion of the Admission Committee, re-enrollment families may have an opportunity to enroll on a first come first served basis for remaining slots that are available.

The student who has received intense academic or behavioral support yet is resulting in little or no advancement and or families that are not complying with the School's plan for their child's support, may not be eligible for re-enrollment. These students may be blocked from reenrolling pending a parent-school meeting. The purpose of the meeting will be to establish a plan for re-enrollment, retention, remediation, or referral to another school. For more information, refer to the Student Support Services and Retention/Promotion sections.

The school may retain a student without their parent's permission if the School believes retention is warranted based on the student's academic performance. Parents who feel their children have not met the School's academic standards can decide to not promote their child to the next grade. Regarding retention or promotion, parents must send a writing notification to the school before the re-enrollment period ends.

There are other factors considered when offering an invitation for re-enrollment or blocking re-enrollment. Such factors may include but are not limited to noncompliance with provisions outlined in the Parent-Student Handbook, Harmony/Communication policy, attending mandatory meetings, excessive student absences, ongoing school violations, student behavior, and below grade level academic performance, etc.

Registration Fees (Refer to the Business / Finance Office section)

An agreement to pay tuition is an annual commitment, which begins upon completion of the enrollment agreement. If you have re-enrolled an existing student or registered a new student for the following school year, all tuition contracts for the payment of tuition must be honored in full.

Registration fees must be paid at the time of enrollment.

For participation in the Before School Care and After School Care-Enrichment, students must be enrolled in these programs. Refer to the Before School Care (BSC) Program section.

Student Records (Refer to Health section)

The Admissions Director coordinates school admissions, enrollment, school transfer and academic records, and related records. A student folder and electronic data will be established and maintained for every student. Records are maintained based on retention standards.

The School Nurse and Admissions Director will closely monitor health records to ensure that they are complete and current. Students with health records that are not in compliance will be notified of non-compliance and adhere to guidelines to meet compliance immediately (non-compliance may affect enrollment status). Refer to the Health section.

Release Of Records (Refer to Business / Finance Office section)

School records cannot be forwarded until compliance with all policies and provisions and financial responsibilities. Student records will not be forwarded until financial accounts and obligations are reconciled. Refer to the above statement on request for records.

All requests for records must be submitted directly to the Admissions Office. Teachers will not release student records, evaluation requests, letters of recommendation, or other documents directly to the parent or student. Parents must give a request for records or completion of any records or forms directly to the Admissions Director and not the teacher. These matters must be coordinated by the Admissions Director.

Withdrawing From School Or Being Released (Refer to the Business / Finance Office section)

Students may be withdrawn from school by the student's parent who must state the reason for the withdrawal. The School may release a student from enrollment.

On the student's last day, all withdrawal matters must be settled and approved by the Admissions Office and Principal's Office. Withdrawal/Released matters shall include, but are not limited to:

- Returning textbooks, school devices and equipment, and class resources to all teachers.
- Ensuring no outstanding library fines and all library resources have been returned.
- All school financial obligations through the Business/Finance Office or FACTS accounts have been met (such as restitution, tuition, Before School Care (BSC) and After School Care-Enrichment (ASC) fees paid, etc.).

- Accounts left unpaid will jeopardize a student's opportunity to be considered for re-enrollment or financial aid assistance.
- Parents withdrawing students during the summer months or after the eligible re-enrollment period has closed are not guaranteed a seat for the upcoming school year.
- Violation of the Community Center requirements.

For other provisions regarding enrollment and re-enrollment, refer to other sections in this Handbook, including the Health, Business Office, Discipline, Promotion and Retention Agreements, etc.

Parents must adhere to the Agreement on the Application and Enrollment documents. Refer to the Agreement and Acknowledgement section in this Handbook.

New Students Refer to the Student Support sections

BUSINESS / FINANCE OFFICE

(Policies & Guidelines are Subject to Change)

Active and responsive communication with the Business/Finance Office is essential.

The Business/Finance Office is here to assist with your account when or if needed. If the Business/Finance Office has an important message for you, they will call or email you. Please do not disregard their email. You must respond as appropriate when contacted by the Business/Finance Office no later than two (2) school business days. Failure to follow up with the Business/Finance Office may result in changes being processed to your account or enrollment status.

ASC & BSC: Fees for Early Arrival And Late Pick Up (Refer to ASC & BSC Program Section)

To enroll your child in either the Afterschool Care or Before School Care programs, visit the Admissions Director.

Students not enrolled in the Before School Care (BSC) or After School Care-Enrichment (ASC) program, but participate in either, will be charged a fee of \$25.00 for attending. The Business/Finance Office will bill for this \$25.00 fee as an incidental billing on your FACTS Management Account. The BSC and ASC coordinators will document the dates and provide information to the Business/Finance Office.

Any questions regarding this policy or fees should be directed to the Admissions Director.

Collection Of Money/Funds (Refer to Philanthropy section)

All monies offered for the benefit of St. Philip's School & Community Center operating expenses or programs must be processed through the Business or Philanthropy Offices. Neither homeroom parents nor classroom teachers nor school front desk personnel shall collect any funds for any reason without the direct approval of the Business or Philanthropy.

All funds (including academic excursions, t-shirts, classroom parties/events, candy money, Yo-Yo money, etc.,) must be approved by the Principal. Any money to be turned in should follow the guidelines of the homeroom teacher or be placed in the designated secured area identified by the Principal's Office. Any exceptions (including Parent Student Association, agencies/organizations collaborating with the School, etc.,) must be approved in writing by the Principal.

Release Of Records (Refer to Admissions Office section)

All financial obligations must be met before the release of any school records, including but not limited to graduation certificates being issued, end-of-the-year school report cards, standardized assessments, and related documents. Other graduation privileges may be withheld if the family has not met financial commitments, as determined by the Principal. All school financial obligations through the School's Business/Finance Office or FACTS accounts must have been met (restitutions, tuition, BSC and ASC fees paid, etc.) before records are released.

TUITION PAYMENT POLICY (Policies & Guidelines are Subject to Change)

Payment Of Tuition & Fees

The tuition cycle is a 12-month cycle beginning in May preceding each school year and ending in April (for installment agreements). Unless otherwise specified by the school's administration, all agreements for the installment payment of tuition must be paid within the months specified above.

Parents may choose one of three options for the payment of tuition:

1. One annual payment is due by May 10th for the following school year.
2. Two semi-annual installment payments are due by May 10th and November 10th.
3. Twelve (12) monthly installment payments are due for the month.

These payments are ACH draft payments or credit card payments administered by FACTS Management Company ("FACTS") directly from a parent's account.

Inactive Accounts

Having an active FACTS account is a requirement for enrollment in St. Philip's. St. Philip's reserves the right to adjust the amount due for tuition and fees for any reason.

Parents are required to maintain an active FACTS Agreement for their child to remain enrolled. Parents may NOT close their accounts if financial commitments have not been fulfilled. Our policy is that all families must have a current, active FACTS account if not making one annual payment.

If your account is inactivated at any time your child may be immediately withdrawn from school and not eligible for re-enrollment. There will not be any exceptions to this policy.

Installment Payments Through Facts Management

St. Philip's contracts with FACTS Management Company to provide payment services for tuition and fees. FACTS provides this service for the school and assesses a set-up fee that is charged directly against the parents' account for each activated agreement. Additional fees may also apply for other services/products chosen by the parent.

FACTS provides installment payment services by directly debiting a parent's account through monthly ACH transactions or monthly credit card charges with selected card issuers (MasterCard, Discover, or American Express). If a payment is missed or returned for insufficient funds, FACTS automatically reattempts missed payments.

If payment through FACTS is returned for insufficient funds, parents will be assessed a FACTS Missed Payment Fee for the initial occurrence and any subsequent re-attempts returned. FACTS Missed Payment Fees will be automatically deducted from the account identified within 20 days

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

as outlined in the FACTS agreement. Fees assessed by FACTS for missed payments are at the discretion of FACTS and cannot be waived by the school. Missed Payment Fees may be paid to St. Philip's via cashier's check or money order for remittance to FACTS on the parent's behalf. Please contact FACTS at 1-800-624-7092 for any additional questions concerning insufficient fund charges.

Adjustments To Installment Accounts

St. Philip's reserves the right to adjust the amount due for tuition and fees, for any reason including but not limited to clerical errors, service level changes requested by parents, fines and unpaid balances from prior years, etc. If a parent is currently paying under an installment agreement, St. Philip's reserves the right to adjust the amount due through installment payments until all tuition and fees are satisfied. Parents will be notified in writing if this occurs.

Delinquent Tuition And Fees

If any portion of tuition becomes delinquent at any time during the school year, parents will have a maximum of 30 days grace period to bring their tuition account current. For an account to be considered current, parents must pay not only the portion of tuition that is delinquent but must also pay any current installments that become due in the interim.

If an account is not brought current within the period specified above, students may be removed at the discretion of the school's management from all school activities, including academic, academic excursions, school programs and events, athletic, community center, and extracurricular activities, until the delinquency is resolved. If this occurs, parents will be notified in writing of the school's intent to remove their child and be expected to abide by these rules until otherwise notified.

Tuition Protection Plan

Since the school's staffing needs and general expenses are fixed for the academic year and the absence of a student does not lessen these expenses, St. Philip's is offering a voluntary Tuition Protection Plan to help protect your annual financial obligations under the terms of this contract in the event the student must withdraw from school.

The Tuition Protection Plan covers 100% of the remaining tuition balance in the event of an occurrence of a covered risk and 50% of the remaining tuition balance in all other situations. The remaining tuition balance will be computed based on the number of academic days remaining in the school year.

A "covered risk" is defined as:

- Student withdrawal for certified medical reasons;
- Job transfer resulting in a Parent being relocated outside the Dallas/Fort Worth Metropolitan Area; or,
- Waiver solely at the discretion of St. Philip's.

To qualify for a medical withdrawal, a statement from a licensed physician attesting to physical or mental disqualification of the student for the balance of the academic year is required. For a Parent job transfer, a letter from the employer on the original letterhead is required.

The annual cost of this Tuition Protection Plan is \$500 per covered student, as a one-time payment.

No other terms will be accepted for the payment of tuition and fees. St. Philip's reserves the right to activate all agreements to ensure the full payment of tuition.

Unpaid Balances

If there is an unpaid or unresolved balance at any time during the school year or at the end of the school year, parents will be notified of the balance and will not be allowed to re-enroll and any financial aid amounts awarded will be rescinded.

Student information, such as grades, test scores, medical records, etc. will be withheld until the balance is paid in full.

Graduation Financial Status

A prospective graduating student will not be allowed to participate in the graduation and/or any other senior activities, receive their diploma, etc. if their financial account and related fees are not in good standing by the last payment due for the school year.

Returned Payments

St. Philip's may charge a fee for any payment(s) for tuition, services, products, etc. which are returned due to insufficient funds. Parents will be notified in writing per each occurrence. Parents are expected to clear returned payments immediately, resolving with a cashier's check or money order. Checks are not an acceptable form of payment.

If a payment is returned for insufficient funds within a school year, St. Philip's reserves the right to refuse any future ACH draft payments. The student may not be allowed to re-enroll and any financial aid amounts awarded may be rescinded.

Financial Assistance

Financial assistance is not guaranteed from one year to the next. Families wishing to apply for financial assistance may obtain the necessary information from the Admissions Office. Financial assistance may be denied or ceased if the parent has not been in compliance or supportive of school policies and procedures including, but not limited to the Parent-Student Handbook, but also financial commitments, Parent Agreement and Harmony/Communication Policy, Student Support Services, Disciplinary Policy, Academic Performance (not on Academic Probation).

Parents who are experiencing financial difficulty during the school year should contact the Business/Finance Office immediately to determine a plan of action if any. Timely communication with the Business/Finance office is essential.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Tuition Assistance

If your child is withdrawn from school or if your FACTS account is past due, you may forfeit your tuition assistance award. Also, you may forfeit your tuition assistance award if there are continuous disciplinary actions and/or issues.

Fines/ Restitution

The parent is responsible for paying for all fines/restitution matters without exception. Such matters may include, but are not limited to:

- Library books
- Vandalism or destruction of school property
- Lost textbook, technology devices, equipment, and other school resources
- Early release or withdrawal obligations
- BSC and ASC late fees or non-enrolled student use fees

PHILANTHROPY OPERATIONS

St. Philip's Philanthropy Office is committed to securing monetary, volunteer, and in-kind resources to empower the St. Philip's School and Community Center ministry, as well as to increase its visibility in the larger community. This vital work is accomplished on an annual basis through a concerted effort and partnership between the Philanthropy Team, Executive Director/Head of School, Principal, Board of Trustees, volunteers, parents, alumni, faculty, and staff. Without the united front and culture of stewardship shared by all these entities, it would be extremely difficult for the Philanthropy Office to raise the operating monies, endowment monies, and other restricted funds needed annually to keep this dynamic organization up and running effectively.

Fundraising, stewardship, marketing, and cultivation are the specific areas the philanthropy program orchestrates and manages.

Fundraising

We appreciate the willingness of our families to assist in raising funds for the school and community center. To avoid a duplicate request for funding from prospective donors, faculty, staff, and volunteers, families are required to secure the prior written approval of the Chief Philanthropy Officer before soliciting a gift. Approval from the Chief Philanthropy Officer is also required of all solicitations that do not benefit St. Philip's from an existing funder.

Solicitation of Funds

The Office of Philanthropy initiates solicitations and any unauthorized solicitation may directly conflict with current or planned efforts. As well, maintaining accurate and centralized records of donations is essential for establishing a precise audit trail and properly acknowledging the receipt of gifts of cash or property. An established procedure for receipt of funds protects the employee, parent, or friend from criminal liability in the event a donation is lost or stolen.

Collection of Money/Funds

All monies offered for the benefit of St. Philip's School operating expenses or programs must be processed through the Business and Philanthropy Offices. Any exceptions (including Parent Student Association, Community Center, Athletic Department, etc.,) must be approved in writing by the Business/Finance Office.

Funding Efforts

Families are responsible for paying approximately half the costs of a St. Philip's education through regular annual tuition and fees. The remaining expenses must be raised annually through various fundraising efforts coordinated by the Office of Philanthropy. These funds are raised by hosting one major event, grant writing, and soliciting support from individuals, corporations, foundations, and organizations donors.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Family Annual Fund

Donors need to know that our families, employees, and board members are participating collectively to reach the annual goal.

Each year our goal is to have 100% participation from employees, board members, and St. Philip's school families. To make these efforts successful, it is expected that each family will participate in the FAMILY ANNUAL FUND and/or NORTH TEXAS GIVING DAY.

All gift amounts are welcome and should be made or pledged on North Texas Giving Day or by the end of September. All gift amounts are welcome and should be made through the Family Annual Fund Drive, held each year in September. If making a gift over \$500, a family may also pledge in September and pay the amount over the school year to be completed in full by May 1.

In addition to a financial commitment, St. Philip's parental involvement, leadership, and support through volunteerism and resources are major factors in the School's success. Volunteers allow St. Philip's to focus more on the financial resources towards the essential needs of the school over staffing for small projects. You are invited to identify opportunities for your company, family, or friends to participate in a myriad of volunteer activities throughout the school year.

In addition to mandatory participation in the FAMILY ANNUAL FUND or NORTH TEXAS GIVING DAY, each family must contribute to at least one fundraising event coordinated by the Parent School Association (PSA).

Participation includes volunteering or a monetary contribution made payable to a specific PSA-sponsored fundraiser. In September, the PSA committee will provide a schedule of activities and a list of volunteer opportunities.

Additional Ways to Give to St. Philip's

We know that support for the school is as important to you as it helps ensure we have the best resources for your family's experience at St. Philip's. The following are additional ways the Office of Philanthropy encourages parents, faculty, and staff to give to St. Philip's:

1. Participate in an employee matching gift program. Simply inquire with your Human Resource department to see if your company has a matching gift program. If so, most companies will match your gifts of time and/or money to the school dollar for dollar. Many families can double their annual gifts this way.
2. Participate in your company's United Way campaign. Earmark St. Philip's (#180) as your beneficiary charity.
3. Invite your employer to serve as a sponsor for the Destiny Award Luncheon. The luncheon is held annually in the spring. This is a wonderful opportunity to engage your co-workers or supervisors in the work St. Philip's does for the community of Dallas while also helping to raise needed funds for the school.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

For more information, please visit the St. Philip's website or email the Philanthropy Team at philanthropy@stphilips.com.

Volunteering

St. Philip's depends on hundreds of volunteers each year to implement its programs in the School and Community Center. We seek volunteers through our parents, alumni, and other members of our community, including corporations and churches.

In the interest of children's safety and well-being, state law and the school require that all School volunteers (students, parents, and community members) complete the school volunteer application, undergo a criminal background check, and participate in any orientation and training. Refer to the section on background checks.

BEFORE SCHOOL CARE (BSC) PROGRAM

St. Philip's offers a fee-based Before School Care (BSC) program for students each morning, providing a safe place for parents to drop students off before the school day begins. Enrollment in the program is arranged before the first day of school in August with the Admissions Office. The BSC program does not offer breakfast nor is there a designated supervised area for children to eat breakfast.

The BSC does not have structured activities scheduled for the students. Students are grouped by grade level divisions.

BSC Hours & Entrance

Before School Care begins at 6:30 a.m. and ends at 7:40 a.m. only for students enrolled in the BSC program. The BSC personnel will accept students through the designated entry doors. All other entry doors of the School will remain locked and families/students should not enter through any other door with their children (except for school personnel).

BSC parents must enter the building with their child and sign in their child. Parents should not allow their children to exit the car and enter the building unsupervised. For safety and security purposes and to ensure the child follows guidelines, it is imperative for parents to follow these provisions. Students will neatly place their belongings in the designated areas on the gym floor.

BSC Fee

Before School Care is a fee-based enrolled program beginning at 6:30 a.m. each school day.

Drop-In Before School Care

St. Philip's does not offer a daily "drop-in" or "as-needed basis" Before School Care program. Students not enrolled in BSC, but are routinely dropped off between 6:30 a.m. to 7:40 a.m. in the BSC program will be charged a designated fee for the non-enrolled child in the BSC program. This BSC penalty fee will not be overturned because the BSC service was utilized. Refer to the Business/Finance Office section regarding the billing of penalty fees.

Therefore, if your schedule changes and you need BSC, please notify the BSC Coordinator. Afterward, you will connect with the Business Office to add the BSC fee to your account.

Disciplinary Matters-BSC

The Discipline Policy outlined in this Parent-Student Handbook applies to the BSC Program. Disciplinary matters occurring in the BSC Program will be coordinated and reported to the parents by the BSC Coordinator. Ongoing infractions/incidents may result in a student being withdrawn from the BSC program. If a BSC student is withdrawn from BSC due to disciplinary matters, financial commitments must be addressed with the School's Business/Finance Office.

The parent is encouraged to ensure the BSC Coordinator is informed of any concerns within a timely manner.

AFTER SCHOOL CARE (ASC) PROGRAM

“After School Care-Enrichment Program (ASC) Policies and Procedures for Parents” are provided to parents who have enrolled their children in the ASC program. Additionally, the policy and procedures are available in FACTS/Renweb Resource documents.

The purpose of the ASC program is to support social, emotional, cognitive, and academic development, reduce risky behaviors, promote physical health, and provide a safe and supportive environment for children and youth.

Enrollment is required to participate in the program. Students currently attending St. Philip’s school will enroll with an arrangement by the Admissions Office before the first day of school. Students not currently attending St. Philip’s will enroll using the St. Philip’s website. Enrollment is on an annual basis with an annual cost.

The ASC program provides a safe and supervised environment where students participate in programming that provides academic enrichment and cultural identification while enhancing social skills and exposure to unique opportunities. Time may be allotted for students to complete homework; however, it is not a formal direct academic support for homework or tutorials (refer to the Student Support Services section).

The Community Program Specialists, under the direction of the Chief Community Advancement Officer, coordinate all programs, ASC personnel, events, scheduling, etc.

ASC Hours

ASC is a fee-based program from 3:30 p.m. to 5:30 p.m. each school day for students enrolled in ASC. At the end of the school day, enrolled ASC students are transitioned to ASC. Children are separated into areas by grade level at which time a snack is served, and then students participate in organized activities by grade level and/or interest.

An extended ASC program from 5:30 p.m. to 6:00 p.m. is offered at an additional annual rate. Parents must enroll in this designated extended ASC time.

At the end of each ASC day, at about 5:15 p.m., all students are transitioned to the Snyder Gymnasium in the Life Center building until they are picked up. Students will need to be signed out by an authorized parent.

Fees-ASC (see Business/Finance Office section)

There is a financial cost to be enrolled in the ASC program up to 5:30 p.m. and an additional fee for the extended day program from 5:30 p.m. to 6:00 p.m.

A late penalty fee is assessed at \$25 per occurrence based on the enrollment status. The parent’s signature will serve as an acknowledgment for late pickup and an agreement for the late fee.

Students not enrolled in ASC, but who are transferred into the ASC program because the parent failed to pick them up at the required designated time from carpool, tutoring, extracurricular activity, etc., thus late, parents will be charged a late penalty fee of \$25 per occurrence. Refer to the Business/Finance Office section regarding the billing of penalty fees

Drop-In After School Care-Enrichment-ASC

St. Philip's does not offer a daily "drop-in" or "as needed" After School Care-Enrichment program. Therefore, if your work schedule changes and you feel you need ASC or extended ASC, please notify the Admissions Office. The Director of Admissions will contact the Community Program Specialist after you have made the necessary enrollment arrangements with the Admissions Office. Refer to the Business/Finance Office section regarding the billing of penalty fees.

Special School-Wide Events During After School

After School Care is not for special school events held after school. ASC is not for school events such as Parent Student Association (PSA) meetings, Annual Fund Campaign Drive, Parent University/Lecture Series, Curriculum Night, Sporting events, student rehearsals or performances, Teacher Report Card Conference, or meetings, etc.

If a child is enrolled in ASC, parents are required to properly and promptly sign out their child from the ASC program at the designated enrolled ending time. Failure to sign out at the ending time will result in a late penalty fee of \$25.00 being assessed.

Most school-wide events offer childcare services at no cost with structured programs for St. Philip's school-aged children. No childcare service is provided for children that are not toilet trained or younger than two (2) years of age. To participate in a school-wide event for childcare services, a parent must participate in the school-wide event. Parents are not allowed to enroll their child in childcare and leave the campus but must participate in the school-wide event being offered.

Most school-wide events begin at 5:45 p.m. (Unless otherwise noted). The ASC program is not for childcare during school-wide events.

Meals During ASC

Students enrolled in the ASC program are eligible to receive a healthy light meal each day. The meal offered to every ASC student is served at the beginning of the ASC day.

Parents are responsible for ensuring dietary restrictions are reported in writing to the ASC personnel and the Health Clinic.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Disciplinary Matters in ASC

The Discipline Policy outlined in this Parent-Student Handbook applies to the ASC Program. Disciplinary matters occurring in the ASC Program will be coordinated and reported to the parents by the ASC Coordinator.

Ongoing infractions/incidents may result in a student being withdrawn from the ASC program. If an ASC student is withdrawn from ASC due to disciplinary matters, financial commitments must be addressed with the School's Business/Finance Office.

The parent is encouraged to ensure the ASC Coordinator is informed of any concerns within a timely manner.

DRESS CODE AND SCHOOL UNIFORM

St. Philip's School believes that emphasizing neat, clean, and appropriate attire will help students to develop good personal grooming throughout life. Haphazard grooming often encourages haphazard behavior and may interfere with a child's personal and academic progress. Adherence to this dress code is an exercise in obedience to rules and policy. We appreciate our parents' diligence in assisting their children in carefully adhering to the school uniform code.

Monday "Dress for Success-Business" Day

The full official uniform must be worn on every Dress for Success Monday. This is every Monday.

- Uniform ties and official sweaters are to be worn on Mondays and designated days.
- Boys should wear long pants and the school's uniform tie.
- Girls should wear dresses or skirts and the school's uniform tie.
- No shorts or skorts may be worn on Mondays.

Free Dress & Special Dress Days

- When "Free Dress Days" are awarded, the attire must represent St. Philip's Statement of Mission and Values. When students are awarded free dress days, while on field trips or field days, they must wear closed-toe shoes.
- When "Special Dress Days" are awarded, students must wear their uniform and specialty items may be worn on top of the uniform. Specialty items are accessories (i.e., shirts, socks, hairbows, headbands, shoes, etc.)

Students shall observe the following specific requirements of the dress code

General Appearance (Acceptable standards are established by the school)

1. Neat, clean, and appropriate grooming for school will be encouraged and expected.
2. Hairstyles and cuts should reflect good taste and be appropriate to the simplicity of the uniform. For boys, braids, "ponytails" and designs cut in the hairstyle (such as Mohawks) are not acceptable. All hairstyles should be kept neat in appearance – in adherence to our standard of excellence in all areas.
3. Boys may not wear earrings. Girls may wear modest earrings.
4. Make-up is not permitted.
5. Only Middle School Prep (4th and 5th grade) girls may wear nail polish, but it must be always well manicured.
6. No hats or caps may be worn inside the building. Adults are also asked to comply.
7. All uniform shirts and blouses must always be tucked in.
8. School sweatshirts may only be worn on Fridays, except for those worn during P.E classes.
9. College/University T-Shirts or sweatshirts may only be worn on Fridays with the St. Philip's uniform skirts, shirts, slacks, or shorts.
10. Titans may wear any College/University apparel on Thursdays and Fridays are Free Dress days.
11. No body art (tattoos) will be allowed.
12. No gang symbols on books, bodies, bags or other personal belongings are allowed.

B. Basic Guidelines

1. Students who come to school improperly dressed will be issued a Dress Code Violation as a warning for their 1st offense. The 2nd dress code violation will result in the student being sent to the Admissions Office and parents being contacted to bring the proper clothing to school. The 3rd dress code violation will require the student to be picked up by the parent/guardian and taken home for the remainder of the day.
2. No miscellaneous items shall be worn on, over, or under the uniform. Extra coats, jackets, and non-uniform sweaters must be removed and hung in designated areas. They may not be worn in the building (hallway, classroom, gym, or cafeteria) once the school day has begun. St. Philip's sweaters, crewneck sweatshirts, hoodies, and jackets are the only types of outerwear to be worn in the building.
3. Long pants are not acceptable for girls at any time.
4. St. Philip's plaid, red, white, or blue is the only acceptable color for hair accessories.
5. Uniform ties are to be worn on Mondays and special days.
6. The official uniform must be worn on Dress for Success Mondays. Boys should wear long pants and a uniform tie. Girls should wear dresses or skirts and a uniform tie.
7. Shorts for boys or skirts for girls may not be worn from November 1st through the end of spring break.

C. Official Uniform

The official uniform can be purchased only at the school's designated uniform store or official website. Please check with the Admission Office for specific details.

Emblem

The St. Philip's emblem should be placed on the left side of the sweaters and blazers (over the heart).

All required items of the uniform shall be worn as follows:

UNIFORM GIRLS

Shoes Girls:

- PK2-PK3: Black Mary Jane w/Velcro
- PK4 through 5th Grades: Black and white or navy and white saddle oxford shoes are the only shoes that girls may wear. The navy and white Ked tennis shoe are not acceptable.
- Open-toe or Crocs style shoes are not permitted.

Pre-Kindergarten 2-Years Old through 3-Years Old Girls

- White oxford (button down collar) (shirt/blouse, long or short sleeved) School Plaid or Dark Blue – Jumper. (Skirts may not be worn)
- *Navy modesty shorts must be worn underneath the jumper
- Blue skorts (no shorts or pants)
- White crew or knee socks (no lace – except uniform trim) or white tights (no other color socks or tights may be worn). No ankle socks or footies may be worn
- School plaid cross tie.
- St. Philip's red cardigan or pullover sweater with St. Philip's emblem.
- St. Philip's sweaters, crewneck sweatshirts, hoodies, and jackets are the only types of outerwear to be worn in the building.

Pre-Kindergarten 4-Year Olds through 2nd Grade Girls

- White shirt/blouse, long or short-sleeved with button-down collar
- School plaid - Jumper (Skirts may not be worn)
- *Navy modesty shorts must be worn underneath the jumper
- Blue skorts
- White crew or knee socks (no lace - except uniform trim) or white tights (no other color socks or tights may be worn). No ankle socks or footies may be worn
- School plaid cross tie
- St. Philip's red cardigan or pullover sweater with St. Philip's emblem.
- St. Philip's sweaters, crewneck sweatshirts, hoodies, and jackets are the only types of outerwear to be worn in the building.

3rd through 5th Grade Girls Uniform

- School plaid - skirt only
- The remainder of the uniform is the same as 2nd-grade girls (as described above) apart from the plaid jumper.
- *Girls must wear modest navy shorts under their jumpers so that they may participate in more vigorous activities without embarrassment or undue concern about immodesty.

UNIFORM BOYS

Shoes Boys

- PK2-PK3: Black Leather-----Velcro NO LACE UP SHOES
- PK4 – 5th Grades: Boy's black lace-up shoe
- No Sandals on Free Dress or Special Dress Days
- Open-toe or Crocs style shoes are not permitted.

Pre-Kindergarten 2 – 3-Year-Old Boys

- Navy blue slacks with or without cuffs (no corduroy or outside labels such as Bugle Boy or Dockers)
- Baggy or “sagging” pants are not permitted

- Navy walking or knee-length shorts
- White oxford (button-down collar) shirt, long or short sleeved
- Navy or black socks only with uniform shoes
- No ankle socks or footies may be worn
- Red cardigan or pullover sweater with St. Philip's emblem.
- St. Philip's sweaters, crewneck sweatshirts, hoodies, and jackets are the only types of outerwear to be worn in the building.

Pre-Kindergarten 4-Year-Olds - 5th Grade Boys

- Navy blue slacks with or without cuffs (no corduroy or outside labels such as Bugle Boy or Dockers)
- Black or navy belt with a small buckle (mandatory for K-5th grade)
- Baggy or "sagging" pants are not permitted
- Navy walking or knee-length shorts
- White shirt, long or short sleeved with button-down collar
- Navy or black socks only with uniform shoes
- No ankle socks or footies may be worn
- Red cardigan or pullover sweater with St. Philip's emblem.
- St. Philip's sweaters, crewneck sweatshirts, hoodies, and jackets are the only types of outerwear to be worn in the building.

ALERT!

No shorts or skorts may be worn after November 1st. Please refer to this policy for official uniform guidelines.

Physical Education Attire

PK2-PK4 students do not need to purchase PE (Physical Education) uniforms. They will wear their sneakers.

Girls and boys (K-5th) may wear royal blue, cotton blend shorts and gray T-shirts with an official St. Philip's logo. The official P. E. uniforms can be purchased through the Spirit Shop. The Spirit Shop carries P. E. shorts, short-sleeved, and long-sleeved shirts as well as sweatshirts and sweatpants.

P.E. shorts for boys and girls may only be worn during the gym class after November 1st through the end of spring break. During this time, students must wear the uniform sweatpants or re-dress in their official school uniform when the class is completed.

Boys and girls may bring any type of lace-up sneaker shoes for P.E. However, they are only to be worn with the P.E. uniform. Sneakers with roller blades are not permitted (roller runners).

When students are in the official school uniform, the official uniform shoe must be worn.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Kindergarten-5th grade students are expected to wear their P.E. uniform attire to school on days that they have P.E. class.

Noncompliance with P.E. Uniform:

Students not complying with the P.E. uniform dress code must dress back into their official school uniform immediately after the P.E. class is completed. Uniform compliance is required.

Uniform non-compliance may be reflected in their P.E. grade or homeroom grade and a meeting with the P.E. Coach and Admissions Director. Ongoing violations may be subject to disciplinary action.

Shorts for boys or skorts for girls may not be worn from November 1 through the end of spring break.

Decorative designs, cartoon imagery, etc., socks are not to be worn, unless they are designated for a specialized dress day. Standard P.E. socks should be white or the school's official uniform color.

Lost Uniforms (Refer to the Lost and Found section)

Lost uniforms will be placed in the Lost and Found designated areas.

Parents should send an email to the child's teachers/advisors to ask for their assistance in locating the items. It is the responsibility of the parent to ensure the child's name is visibly written on the inside of the child's shoes, garments, backpacks, lunch kits, binders, etc. Additionally, parents can support the efforts of students to be responsible for their items by instructing them on how to place their items in their backpack or P.E. bag.

During non-classroom or instructional time, the student may be allowed, only with the approval of their classroom teacher and under direct supervision, to search for their items.

Dress Privileges (Acceptable standards are established by the school)

Titans are given the privilege of having "free dress days" (see Uniform policy section) on Fridays. Titans may also wear College or University T-shirts/sweatshirts with their uniform bottoms on Thursdays. For Titans, during February only, Thursdays are college T-Shirts or free dress. On the free dress days, Titans must adhere to acceptable attire that represents the Uniform Policy guidelines. Shoes must be completely enclosed (no sandals or open-toe or Croc style shoes). No caps or hats may be worn.

For special performances, uniform exceptions must be approved by the teacher of the special performance event.

All clothes must be modest/discreet, not tight-fitting, or excessively or inappropriately short as determined by school officials. A shirt or blouse must cover the buttocks if leggings/jeggings style pants are worn. Spandex attire is not permitted.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

No one-piece, onesies, full-body, or full jumper outfits are permitted for students in Early Childhood.

Modifications may be made to a student's attire if deemed necessary to be appropriate.

Hair & Headwear (appropriate and acceptable is determined by the school)

Hairstyles and cuts should reflect good taste, not current distractible or offensive fads, and be appropriate to the simplicity of the uniform. If wearing locs or twist hairstyles they must be kept clean and well maintained at all times.

St. Philip's plaid, red, white, or blue is the only acceptable color for hair accessories for girls.

To support current cultural expressions of hair, St. Philip's will allow neatly kept braids, "ponytails," top knots, and bun styles. However, St. Philip's also reserves the right to request certain modest alterations be made for special events. Designs and images cut in the hairstyle (such as Mohawks, inappropriate symbols or logos, etc.,) must be neat and maintained. All hairstyles should be kept neatly groomed in appearance – to adhere to our standard of excellence in all areas.

No hats or caps may be worn inside the building (exceptions are granted for school-approved special events). Adults are also asked to comply.

Uniform Dress Code Violations (refer to Disciplinary section)

Students who come to school improperly dressed will be sent to the Admissions Office. The Admissions Office will issue a Dress Code Violation, as follows:

- The 1st offense will be issued a Dress Code Violation as a warning
- The 2nd dress code violation will result in the student being sent to the Admissions Office and parents being contacted to bring the proper clothing to school.
- The 3rd dress code violation will require the student to be picked up by the parent/guardian and taken home for the remainder of the day.

HEALTH-MEDICAL

(Matters about COVID, protocols, etc, consult with the School Nurse)

Refer to the Absence section regarding excused absences.

The school has a Registered Nurse (RN) who is responsible for the school health program and services provided for the students, including state-required vision, hearing, and spinal screenings. The nurse provides limited assessments for acute and chronic illness, offers basic healthcare to students in case of minor injury and acute or chronic health problems, and administers medication. The School Nurse also educates students and staff on healthy habits, helps ensure the school environment is safe, monitors student medical records, and keeps track of student vaccination records.

In matters involving health/medical, the school will only meet with the parents.

The parent and student are encouraged to share concerns or problems relevant to their child's health with the School Nurse. The School Nurse can assist with information about specific health problems and may be able to help with locating or gaining access to healthcare facilities or provider resources. The School Nurse will assist in providing recommendations or referrals or resources for healthcare matters.

Essentials:

- Students may not have any medication (including inhalers, Epipens, allergy medication, etc.) in their possession during the school day or on academic excursions, with no exceptions.
- All medications must be kept in the Health Clinic, with the required Authorization to Give Medicine forms. Violations may be subject to disciplinary action.
- NO nebulizer treatments will be performed in the clinic at this time. An updated Asthma Action Plan must be submitted and discussed with the nurse.

Health Clinic

The Health Clinic exists for the benefit of students who become ill at school or who suffer minor injuries while on the school grounds. The Health Clinic is staffed by a Registered Nurse and is open during the school day.

Telehealth (Subject to Change at any time)

School-Based Telehealth is a service available at St. Philip's School through Children's Health Virtual Care. It connects a child at school, with the help of the School Nurse, to a medical provider via the newest video technology, and the latest healthcare technology. Healthcare providers at Children's Health can help treat many non-emergent medical conditions, including asthma, pink eye, and earaches, and can send prescriptions to your local pharmacy, if indicated. This is an optional service for parents who elect to participate, if the School Nurse determines it is appropriate

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

A form, including consent, must be submitted online. Verbal consent must also be obtained by the School Nurse before each Telehealth visit. For more information about School-Based Telehealth or to fill out the enrollment form, please visit www.childrens.com/schools.

Parents are encouraged to seek the advice of their physician or other qualified healthcare providers with any questions they may have regarding a medical condition or care offered through the school's Health Clinic or Telehealth.

Health Records

The School Nurse and Admissions Director closely monitor medical records to ensure that they are complete and current. The parent's failure to comply with providing accurate and current health records, including immunization reports, will result in a mandatory meeting with the School Nurse, to bring the student's medical records in compliance immediately.

Failure to comply may result in the student not being able to return to school until student records are compliant.

The State of Texas requires that any student with severe allergic reactions that require the use of an Epi-Pen or Auvi-Q epinephrine pen have the following documentation on file:

1. Documentation of the allergen (peanut, grass, etc.)
2. Type of reaction when exposed to the allergen (hives, itching, swelling, etc.)
3. Documentation of a plan of action if a student is exposed to the allergen
4. Authorization to give medication form completed and signed.

Immunizations

The School follows the Texas Department of State Health Services rules covering immunizations. Texas Education Code requires students in elementary and secondary schools to provide proof of required immunizations. A current immunization record must be received by the school at application and before your child is formally accepted, registered, and enrolled.

The School does not accommodate provisional enrollments; the school requires all applicants/students to be current on immunizations before visitations and acceptance. Students must remain current with immunizations at all times while enrolled at the School. Exemptions from immunization requirements are allowable on an individual basis for medical contraindications, active duty with the armed forces of the United States, and reasons of conscience, including religious beliefs. See the Texas Department of State Health Services for more information.

Vision and Hearing Screenings

The Texas Department of Health Services requires annual vision and hearing screenings for students who meet certain grade criteria. The School Nurse will conduct these screenings or parents may submit proper State of Texas documentation showing proof of this screening by a professional qualified examiner. A copy of the results of conducted screenings will be kept in the student's

health file. If a student fails a screening conducted at school, or the School Nurse has concerns regarding a performed screening, parents will be notified.

Spinal Screening Program

Following the Texas Department of State Health Services Spinal Screening Program, spinal screenings are required for children to detect abnormal spinal curvature, and refer students for appropriate follow-up, if necessary. The State of Texas identifies required exams for girls aged 10 and age 12 (fall semesters of grade 5) and boys at age 13 or 14 (fall semester of grade 8). If parents provide official documentation from the student's primary care provider that a spinal screening has been performed, the student will not need to be screened by the School Nurse. Spinal screenings can be declined based on religious tenets, with a parent note stating the screening conflicts with their religious denomination. The School Nurse will ensure spinal screenings are performed according to the State of Texas standards.

Emergency Authorization

Each student must have executed Permission for Health Care authorizing emergency care and a health care summary. Parents are responsible for maintaining this information in the school's FACTS/RenWeb system.

Emergency Contacts

Parents are encouraged to keep the teacher and School Nurse informed of current work, cell, home phone numbers, and any other means whereby they can be contacted during the school day or academic excursions. Emergencies can occur at any time. Your child's school must be able to reach parents and caregivers. If information changes during the school year, please ensure your child's emergency contact information (cell, home, and emergency contact telephone numbers and email addresses) is updated with the teacher, School Nurse, and in FACTS/RenWeb.

Emergency Procedures

All school personnel are trained in emergency procedures and are required to have current first aid and CPR certification within the first year of employment. In the event of a serious accident or illness requiring emergency care, the child's parent, guardian, or authorized person will be notified immediately. First aid shall be administered by the School Nurse or a certified staff member. Emergency medical service will be contacted. In the event of such emergencies, the child will be transported to the nearest hospital, unless emergency medical professionals advise otherwise. If a child is transported to the hospital, his/her health summary and permission for Health Care authorization will be sent along. Designated school personnel will accompany the child until the arrival of the parents, guardian, or authorized person. The parents/guardians will be held responsible for all expenses.

The School shall not be responsible for costs of treating injuries or assume liability for any cost associated with an injury at school or any school-related function.

Illness or Injury Reports

A Medical Event note or Illness or Injury Report will be completed for each occurrence except for minor scratches and/or abrasions. An account of the occurrence will be documented immediately by either the teacher or School Nurse. Copies of this report will be maintained by the School Nurse, reported in the FACTS/RenWeb medical report section, and parents will be notified accordingly.

Restrictions, Health-Related

The parent is responsible for maintaining and reporting accurate records on the child's health-related restrictions and or food allergies. Related essential information must be reported in writing to the following:

- the student's teachers,
- the School Nurse,
- Division Leader and/or Principal's Assistant,
- Cafeteria Staff,
- Academic Excursion chaperones,
- BSC and ASC personnel, and
- maintained in the student's FACTS/RenWeb medical section.

Some other common restrictions may include no P.E. due to an injury or physical limitations or no outdoor recess due to respiratory conditions. In such cases, a physician's or licensed health care provider's note should be provided to the

- P.E. coach,
- the child's teacher,
- BSC & ASC staff, and
- School Nurse.

Allergies

There are an increasing frequency and intensity of allergic reactions that impact students in the educational environment. Parents of a student with a life-threatening allergy must provide the school with documentation from a licensed healthcare provider. This information should include the specific allergy and medical requirements needed for the student, should be recorded in FACTS/RenWeb, and communicated to the student's teachers (including BSC and ASC personnel). Physician-provided medical guidelines for treatment are required.

Medications – Prescriptions (Rx)

Students requiring medication before the School Nurse arrives should receive it before they arrive at school. . Otherwise, please speak to the School Nurse about administering the medicine. The only medication that is necessary for a child to remain in school will be given by the authorized School Nurse, Principal or Principal's designee, or designated chaperone during school hours and Academic Excursions. These medications must be prescribed by a licensed physician or dentist and dispensed by a registered pharmacist. An Authorization to Give Medicine form is required with each medication. No expired medications will be accepted.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

The School will not give your child “over-the-counter” medication unless it is prescribed by a licensed physician and labeled by a licensed pharmacist with proper directions on authorized health care prescription notes.

A signed School’s Authorization to Administer Medicine permission form from the parent, filled out in its entirety, must accompany the medication. Each student’s medication must be in its properly labeled container with the following information:

- Student’s name
- Physician/Dentist’s name
- Date
- Name of medication
- Dosage
- Directions for administration
- Duration medication is to be given

Please give the Authorization to Administer Medicine form and properly labeled medication to the School Nurse or Principal’s designee. No exceptions may be made to the medication policy.

If your child needs to take prescription medication during the school day, please speak with the School Nurse regarding instructions for drop-off and pick-up of medication. All medication (including inhalers and EpiPens) will remain in the Health Clinic and must be properly labeled and in its original container. Medication is to be dispensed by the School Nurse Principal’s designee.

Families of students who have received a diagnostic evaluation of a learning difference, behavioral or psychological, or neurological review (to include Attention Deficit Hyperactivity Disorder-ADHD) and may receive some form of therapeutic or pharmaceutical support are encouraged to discuss these matters with the Principal, School Nurse, and related school personnel. When medicine is prescribed to assist the student to be successful in school, such as for attention deficit hyperactivity disorder (ADHD), the parent and Nurse or Principal’s designee will discuss a plan to ensure the student receives the medicine on a consistent and timely basis. Related prescriptions should continue to be administered during academic excursions under the supervision of identified faculty members.

Students may not have any medication (including inhalers, Epipens, allergies, pain, etc.) in their possession during the school day or academic excursions, with no exceptions. The parent is responsible for ensuring the School Nurse receives medication with the required school form for administering. Violations may be subject to disciplinary actions.

Stay at Home, Illness

In consideration of your child, classmates, and school personnel, please keep your child home from school if he/she is ill or not feeling well. Providing rest at home will best comfort your child and facilitate a speedy recovery. Whenever there is a doubt in your mind about sending your child to

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

school, consult your child's doctor before doing so. Please call the school if your child has an infectious disease so that we may take steps to protect other students in the school, if necessary.

Children should be kept at home when they have any of the following or other related illnesses:

- severe cold
- flu
- sinus infection
- strep throat
- infectious conditions
- ringworm
- skin rash
- swollen gland
- nausea
- vomiting
- diarrhea
- 100.1⁰+ fever
- communicable disease

Your child must be free of these symptoms or illnesses for 24 hours before returning to school. Any child exhibiting such symptoms, or similar, will be sent home. A parent or authorized adult must pick up the child immediately, within one hour of the School's contact. The student exhibiting contagious symptoms may be isolated for this one hour.

Communicable Symptoms/Disease

Any child who arrives at the school noticeably ill, with a rash, or with a fever will not be admitted for that day. If your child has a fever, you will be asked to immediately pick him/her up in the Health Clinic. Students must be free of fever and other symptoms for 24 hours before returning to school. Different return stipulations may apply for illnesses such as the H1N1 virus. Different return stipulations will apply for Pandemic-related illnesses or diseases according to the established policies.

A student suspected of having a communicable disease will be excluded from school until guidelines for return are met. Guidelines for exclusion and return follow policies set forth by the School, The Texas Department of State Health Services, and the Center for Disease Control and Prevention. Temporary exclusion of a student from school; generally occurs for communicable diseases, including, but not limited to, the following conditions: conjunctivitis ("pink eye"); skin infections (impetigo), strep throat, chickenpox, and ringworm of the scalp, etc.

An effort will be made to notify parents about school exposure to communicable diseases that pose a risk to students. It is particularly important that the parent immediately report cases of a communicable disease to the School Nurse.

Submitting Records/Reports

Parents must authorize the release of the results of health evaluations and contagious records to the School Nurse. Failure to secure such health evaluations or the failure to authorize the release of the results will jeopardize the child's continued enrollment. An infected student that is unable to attend school according to the Attendance policy, supported by appropriate data and rationale, shall be recommended by the Admissions Director to secure alternative instruction at the expense of the parent.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Cleanliness

Children are encouraged to practice good hygiene. Students needing assistance will be directed to the School Nurse. The School Nurse may provide hygiene products to the student as needed and as available. Ongoing matters regarding a child's hygiene may result in a mandatory meeting with the School Nurse and Parent.

Exams and Screenings

Oftentimes, local healthcare providers offer dental, vision, hearing, or speech-language exams for students at no cost to the parents. If these services are arranged with the school, the results of these exams will be reported to the parents and a copy will be kept in the student's health file when deemed necessary.

Health guidelines are subject to change to adhere to state and federal government guidelines for schools.

PARENT SCHOOL ASSOCIATION (PSA) & PARENT SUPPORT

(Refer to Parent Agreement & Harmony/Communication Policy)

Research reflects children generally achieve better grades, test scores, and attendance when parents are actively involved in educating their children. Parents' perceptions of the school are improved and there are stronger ties and commitment to the school when they are actively supportive of the school's mission and core values. Consistent parent involvement leads to improved communication and relations between parents, teachers, and administrators.

We require all of our parents to attend a minimum of three (3) mandatory Parent School Association, Parent University, or Pastries with the Principal meetings.

In partnership with the school, parents agree to abide by the Parent Responsibility Agreement & Harmony/Communication Policy and all school provisions as outlined in the Parent-Student Handbook and any subsequent additions or revisions.

The purpose of the Parent School Association (PSA) is to promote harmony in our school environment by supporting the mission, program, and activities of our school. The primary focus of the PSA is to:

- Raise funds through school-wide development policies and programs
- Solicit volunteers and help with classroom and administrative needs
- Promote school spirit
- Support outreach efforts in the immediate efforts
- Encourages parent-to-parent and parent-to-school communication

Parent Opportunities:

Parents serve as H.E.L.P.E.R.S in the school. Parents are Harmonious, Encouragers, Linked to what's happening, Planners, Effective, Respectful, and Supportive. There are many committees available for parents to be HELPERS to support the success of the school and community center.

All parents must successfully pass a background check before volunteering with students including the classroom and academic excursions.

Background Checks

All school personnel, faculty, staff, volunteers, outside tutors/learning specialists, chaperones, parents, individuals attending Academic excursions (field trips), and those who work directly with students must have a completed and successfully passed, the School's process for a criminal history background check.

Parents: At the beginning of the school year, parents should initiate completing the documents for background clearance through FACTS/RenWeb. Parents are responsible for providing the completed documents directly to the HR Office, not any other school personnel. It is the responsibility of the parent to ensure they have received written

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

notification of passing the School's standard background check before participating as a volunteer, supporting in the classroom or school event, working with students, or attending an academic excursion.

Background check questions or results should be directed to the HR office.

Parents are encouraged to not congregate in areas that may hinder class instruction or general assemblies or support a disharmonious atmosphere. In the mornings, parents may go directly to the Worsham Chapel or the designated waiting area to wait for the Chapel to begin. Parents are encouraged to not congregate in the Before School Care areas, wait in classrooms, in the hallway, or around the reception front desk/ Welcome Center area.

Many parents use Drop Everything And Read (D.E.A.R.) as a volunteer opportunity to read to the students during the morning period before Chapel. Parents must schedule with the classroom teacher before volunteering.

Throughout the entire school year, all parents are urged to volunteer for K.i.S.S (Keeping Saints Safe) morning carpool duty from 7:40 a.m. to 8:00 a.m.

Other school volunteer opportunities may include, but are not limited to: Annual Campaign Fund, North Texas Giving Day, Destiny Luncheon, Christmas Event, academic excursions, lunch duty and recess support, immediate community outreach events, school-wide events, library services support, office tasks support, A.M. Carpool duty, Homecoming Celebration, etc.

Refer to the School's calendar to identify areas and dates you can use your talents, skills, and knowledge to support.

Homeroom parents must meet with the teacher to discuss what are the needs, how to support them, when to support them, and follow established guidelines as the homeroom parent. Before providing support, all parents must coordinate support efforts with the consent of the teacher and Division Leader.

For parents requiring proof of volunteer hours for their company's human resource community outreach volunteer requirements; before you begin volunteering, you must contact the school's Volunteer Coordinator in the Philanthropy Department or the school's Parent Liaison.

Homeroom/Advisory Parents

In cooperation with classroom teachers, homeroom parents coordinate grade-level activities during the school year and lower/Middle School Prep (4th & 5th grade) parties. Homeroom parents are often called on to organize their parents to assist with PSA projects and select committee activities. All plans and details for class events must be reviewed and approved by the classroom teacher before being finalized by room parents. Homeroom and Advisory Parent Guidelines must be obtained from the school's Parent Liaison.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Dads' Club

The Dads' Club is an outreach committee of the Parent School Association. The dads meet once a month (or as scheduled) to help maintain the school grounds, volunteer to mentor boys in the school who may not live with their fathers, connect through Dad's Field Day, and make a visible impact in the immediate community, support school-wide events, etc.

Mission Moms

The Mission Moms support the school and students by coordinating various events, Open House events, support school-wide events, and other activities to support parents and families

Logos and Images Use Policy (Refer to Communication section)CHAPEL

(Guidelines are subject to change due to a pandemic or related matters)

All students and faculty are required to attend daily chapel service.

Christian education is essential to the moral and spiritual development of each student. A selected minister, ordained clergy of an area parish, parent, or a member of the chapel committee, leads our worship service. Students will often hear biblical messages that directly relate to the six character traits—trustworthiness, respect, responsibility, fairness, caring, and citizenship. The theme for Chapel on Tuesday is “Humanity Tuesday” focusing on Social Emotional Learning (SEL) skills.

Middle School Prep (4th & 5th grade) students will receive a grade for Chapel. Tardy students are not allowed the full benefit of participating in Chapel service with their class, and this will be reflected in their Chapel grade.

Saints of the Week and Birthday Blessings are recognized each week during Chapel. Parents should attend Chapel at least once a term on either Wednesdays or Fridays. Parents are invited to attend Chapel on designated days and special events.

SCHOOL HOURS

Several studies have shown that school tardiness has an adverse impact on academic results. Tardy students receive fewer hours of instruction than students who are in class at the start of the school day. To establish patterns of responsible behavior at all ages, all students must arrive on time for the beginning of the school day, which includes D.E.A.R. (Drop Everything And Read) time, Social Emotional Learning (S.E.L.), daily chapel, and scheduled early morning sessions.

A consistent, structured home morning routine is very beneficial for children to be on time and ready for the school day. Children must have a nourishing breakfast each day and a consistent, appropriate bedtime on school nights.

Before School Care (BSC)

Only students enrolled in BSC may enter the building in the morning beginning at 6:30 a.m. through the designated early morning drop-off entrance doors only. See the BSC section for more details.

After School Care-Enrichment (ASC)

Only students enrolled in the ASC program may participate (See ASC section for more):

- Prekindergarten to 3rd grade begins at 3:30 p.m. to 5:30 p.m.
- 4th grade to 5th grade begins from 3:45 p.m. to 5:30 p.m.
- Extended Day: May be offered until 6:00 p.m. at an additional rate.

K.i.S.S & Ride (Keeping Saints Safe) Morning Carpool

Begins at 7:40 a.m. students should enter the building through the designated location for each division. The morning carpool ends at 8:00 a.m. Although the carpool ends at 8:00 a.m., students must be in their classroom at 8:00 sharp. Therefore, parents are responsible for ensuring their child is dropped off in sufficient time for transition to the classroom.

Pre-K through 3rd Grade

The class day begins at 8:00 a.m. sharp. The class day ends at 3:30 p.m. Students not in the classroom at 8:00 a.m. sharp are tardy. Students not enrolled in BSC may arrive at school no earlier than 7:40 a.m.

Fourth (4th) and 5th Grade School

The class day begins at 8:00 a.m. sharp. The class day ends at 3:45 p.m. Students not in the classroom at 8:00 a.m. sharp are tardy. Students not enrolled in BSC may arrive at school no earlier than 7:40 a.m.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Detention Hours

School day detention begins from 7:00 a.m. to 7:50 a.m. on a designated day of the week as assigned to the student. Students not in the designated location for detention at 7:00 sharp are tardy and subject to an additional day to serve detention. Saturday detention hours will be scheduled as determined by the Principal. Parents will receive notices from the student's teacher regarding detention matters (refer to the Detention section for more details).

School-Wide Events

Most school-wide events begin at 5:45 p.m. (Unless otherwise noted). The ASC program is not for childcare during school-wide events.

No Access

In the afternoon, the school building will be closed for access to all persons (including parents and families) beginning at 3:00 p.m. to allow for dismissal and the end of the day transitions and does not reopen for access until 4:00 p.m. Only during direct supervised, extenuating circumstances/special events may entry be permitted. Persons in the building before 3:00 p.m. must remain under the supervision of school personnel.

LUNCH, SNACKS, & MEALS (refer to Parties section)

The school does not have a breakfast program.

Healthy Eating and Snacks

Students should have a balanced breakfast before they arrive in the morning. Research indicates that the sugar content of food consumed by young children is limited and monitored. Please assist us by refraining from providing foods with high sugar content and caffeinated beverages. A nutritionally balanced lunch and snacks are strongly encouraged at St. Philip's School and Community Center.

Students may be allowed to eat a morning or afternoon healthy snack. Students must eat their snacks within the designated time. Each grade level will establish guidelines for snack period and process.

During the school day or before school students are discouraged from eating donut type or sugary pastries items, items high in fat and sugar content, or greasy or spicy chips or foods. Please refrain from sending unhealthy drinks and foods for your child to consume during the school day including before school, during snacks, and during lunch times.

Some healthy food choices to consider are dried or fresh fruits such as apples, bananas, oranges, strawberries, and watermelon; raw vegetables such as carrots, celery, and broccoli; dairy products such as low-fat cheese, yogurt, low-fat pudding; and whole grain snacks such as crackers, cereal bars, baked chips.

Water is the preferred drink. DO NOT BRING drinks high in sugar and caffeine such as energy drinks, sodas, etc. Students may drink water, milk, or juice. Sodas, high fructose or sugary drinks, or caffeine drinks of any kind are not permitted. These drinks may not be in drinking containers, thermos, etc. Students are subject to not being permitted to drink these drinks but allowed to have access to the school's water stations.

Additional details regarding healthy snacks and classroom guidelines can be provided by your child's healthcare provider.

ASC Meal

Students enrolled in the ASC program are eligible to receive a healthy light meal provided through the North Texas Food Bank program. The meal is served at the beginning of the ASC program. Every ASC student will be offered a meal.

Lunch Service

The school's lunch services are coordinated by the School's Chief Experience Officer. An on-campus lunch service may provide St. Philip's students with a nutritious, hot lunch each day.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Parents who wish to have their children participate can obtain the guidelines from the Chief Experience Office or Admissions Office.

The School does provide a lunch program for students that elect to participate. The lunch program does not support dietary restrictions or honor special menus. If dietary instructions or food allergies or specific preferences are desired, the parent must provide lunch and snacks each day for their child.

Meals - Lunch

St. Philip's School and Community Center does not offer a breakfast program.

Students who bring their lunch to school are reminded that glass containers are prohibited. Students may not bring canned foods or items that have sharp lids. For these types of foods, we recommend parents dispense food in a sealed plastic container or thermos the student can open independently.

St. Philip's emphasis on respect and courtesy supports the importance of the lunch period as a time for students and faculty to relax and enjoy their meals and conversation. In the designated eating area, students should practice proper etiquette and the same standards of decorum that would apply at home. Students should get their lunches, sit down and talk (when approved) quietly while they eat. Students may lose the privilege of talking if they are too loud. When students are finished eating, they are responsible for leaving the floor area and table clean and for throwing away all trash.

No Lunch or Snack

Students not participating in the lunch program must bring a lunch. Providing lunch or a snack to the student is the responsibility of the parent not the responsibility of the School, school personnel, or catering service provider. Ongoing failure to provide your child with lunch will result in a notification from the Division Leader.

Parents are responsible for making sure their child has lunch during academic excursions when required.

Microwave

Parents may not request that food be heated by school personnel. School personnel will not heat food for students and will not grant permission for students to heat food. Hot foods for younger students should be sent to school in a thermos.

PARTIES & CELEBRATIONS

Any exceptions or provisions not outlined in these guidelines must be preapproved in writing by the Division Leader.

For more about parties and events, you must comply with the guidelines listed in the General Standards section. Parties (Classroom, Birthdays, Holidays, Food-Refer to Other General Standards section)

Parents must not plan to have on-campus parties or other celebrations without the prior approval of the Division Leader. Parents must receive written approval from the Division Leader with a two school business days notice. Failure to be preapproved may result in scheduling conflicts and the party will need to be canceled and rescheduled.

ALL parties are to be scheduled during the student's class lunch period ONLY. Such celebrations are limited to 15 minutes during the lunch period!

Birthday Celebrations

The School's goal is to make every child feel accepted. We appreciate your cooperation regarding birthdays. It should be a fun, happy time for your child and their friends, but the feelings, diet restrictions, and food allergies of the other students must be considered.

To reach this goal, we have several guidelines:

- If you send invitations to school, please invite all students in the advisory or child's homeroom class section.
- Do not send birthday presents or party favors to school.
- Birthday celebrations will NOT include food due to pandemic protocol.
- Do NOT provide lunch for the students.

Parents must be approved by the Division Leader to schedule to bring special treats for birthdays or at other events or times during the year. No delivery of flowers, balloon bouquets, etc., so as not to interrupt the educational process.

Party invitations are not to be distributed at school unless every student in the class receives an invitation. Otherwise, please send such invitations via email or U.S. Postal Service mail, or any other non-school distribution process including being placed in the student's backpack.

It is acceptable for a boy to bring invitations for all the boys and the same applies to girls. Please be considerate and respectful of the feelings of each child by not excluding them.

Classroom Events

All plans and details for class events must be reviewed and approved by the Division Leader before being finalized by class homeroom parents. Unscheduled or unapproved plans or events, including parties that may impede the learning process may need to be rescheduled based on the instructional time and class schedule or school activities.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

We request that parents support our Christian environment in their choices of providing treats and decorations. Items not supporting our Christian environment will be returned to the parent.

Goody bags should not include hazardous objects and should be age appropriate for all. The School will not permit bouquets of balloons, non-St. Philip's visitors or animated characters, and other celebratory decorations to be maintained in the classrooms. These can be distracting to students' learning.

We request that parents support our Christian environment in their choices of providing treats and decorations and events.

Party / Celebration Food

The Division Leader in advance of the implementation of a class project must approve all food activities. Generally, the School discourages children from bringing food due to students with food allergens or pandemic matters. Additionally, any food permitted must comply with the school's guidelines, pandemic standards, and related matters.

OTHER GENERAL STANDARDS

Class Placement

Determining the make-up of homerooms or student assignments is the shared responsibility of teachers and administration. The School has a thoughtful class placement system in place. Factors including student numbers, academic strengths and challenges, parent concerns, and classroom dynamics are of utmost importance. The School values parent input about the type of classroom environment that best suits a child, but does not accept requests for specific teachers. Students and parents will be notified of teacher assignments before the school year.

Lost and Found (Refer to the Uniform Policy section)

The Lost and Found space is located in the designated area established by the School. Parents should send an email to the child's teachers/advisors to ask for their assistance in locating the lost items. It is the sole responsibility of the parent to ensure the child's name is visibly written on the inside of the child's shoes, garments, backpacks, lunch kits, binders, etc. to avoid lost articles not being returned to the rightful owners.

All unclaimed items that remain for an extended time may be donated to the Uniform Resale Store, PSA, community center, or another worthy cause. The School will not be responsible for maintaining or identifying lost items or items left anywhere on the School campus.

Responsibility - No-Rescue Policy: Put Me Down and Let Me Walk!

We ask that parents NOT bring forgotten homework, projects, bags, or other items to school for their child. When they forget something and have to do without it for that day, children learn quickly to take responsibility for their day-to-day school life, whether it's doing their homework and returning it to the appropriate place, returning library books on time, or bringing requested items such as lunch, PE items, projects, show and tell, etc.

If you are bringing a school uniform or other items to campus because your child is not dressed in the proper uniform or school attire or left it, please bring it and leave it at the front receptionist desk/Welcome Center. We will see that your child's belongings are delivered to them.

Do not enter the child's classroom during instructional time or unannounced.

Additionally, refer to the Lost and Found section.

“The consequences I will accept, for I made the choice.”
An excerpt from the St. Philip's Creed

ATTENDANCE

Attendance and being on time are crucial parts of education. Good attendance and timeliness are important for many reasons. Students receive the maximum benefit of education by being in school every day, and numerous studies show a strong link between academic performance and consistent attendance.

Parents need to comply with the attendance and being on time guidelines, this is not an option.

Required Attendance-90% Of School Days

Students are required to attend school 90 percent of the time school is offered. If the student does not meet this requirement, a Parent-School attendance meeting is required to discuss:

- the mitigating factors for the excused or unexcused absences,
- mandated academic tutorial support (at the sole expense of the parent
- student's mastery of core content in ELAR, mathematics, science, and social studies, and
- review for consideration for grade-level retention.

Perfect Attendance

The Perfect Attendance Award is given to students with no absence, excused/unexcused, for any school day, other than those due to a School-sponsored event, throughout the entire school year. These qualified students are eligible for the Perfect Attendance Award.

Daily attendance and tardy records are available to parents on the School's communication system.

Concerns regarding attendance matters should be addressed to the Admissions Office.

Refer to the Health section for health-related absences Refer to the Homework and Grade section relating to tardies and absences

ABSENCES

“A day without learning is a day wasted.”

Regular, punctual attendance profoundly affects a child’s success at school. Absences occur, but the student and his parents must work to ensure that absences happen as infrequently as possible and are truly unavoidable. For this reason, the School highly values attendance in the classroom and for other learning activities. St. Philip’s requires students to attend school each day that instruction is provided. Absences from school, for whatever reason, do not excuse a student from the obligation to complete all schoolwork.

Whether excused or unexcused, students are required to be in class 90% of the school days. For students missing 18 or more days of school, parents will be scheduled to have a meeting with the school.

No extra credit will be given as a result of an absence whether excused or unexcused.

Excused Absences

Although perfect attendance is the goal, it’s not always possible. Absences are excused for reasons such as:

- Observance of a religious day
- Attendance at a healthcare appointment (with a healthcare provider official note)
- Personal illness (at three (3) or more days with a healthcare provider official note).
- Death of an immediate family member (parents, grandparents, siblings, other exceptions to be approved for excused absence by Principal or designee)

Unexcused Absences

Unexcused absences are noted to include, but may not be limited to:

- Disciplinary consequences of removal from class, skipping class, or related missed class time due to discipline/behavior infractions are unexcused absences from a class or school (as assigned).
- Documentation from a healthcare provider is not submitted when noted as the cause of absence.
- Student not attending an Academic Excursion (unless due to health condition that prevented the student from attending as documented by an official healthcare notice).
- The disciplinary consequence for skipping or being tardy to class is an unexcused absence (may also be subject to other consequences).
- Vacation, family reunion, extended holidays, personal matters, traveling, lack of transportation, weather (not an official school inclement weather day), traffic (not an official St. Philip’s traffic alert exception), studying or completing a school project, a day off, etc.

Converting Unexcused to Excused

Parents who feel they have legitimate, reasonable grounds for their child's unexcused absence to be converted to an excused absence must submit a written explanation (within three (3) days of the student's return) to the student's homeroom teacher or advisor. No consideration will be given after the student has returned to school for more than three (3) days of the absence.

Healthcare Notice for Absence

Students who are absent for three (3) or more days because of illness, must bring a healthcare provider's official note upon the student's return to school to be eligible for an excused absence. An official note, on a healthcare provider's letterhead, should include the child's name, provider's name, phone number, and the time and date of absence.

If the absence is due to a communicable illness, the healthcare provider's note must indicate the date the student can return to school.

The student's healthcare notice should be provided to the School within three (3) school days of the student returning to school. Parents are responsible for providing the healthcare notice to the homeroom teacher or advisor and a copy to the school nurse. Otherwise, the absence may be considered unexcused.

Scheduling Appointments

The School urges parents to schedule healthcare or other appointments outside of school hours, if possible. If appointments must be scheduled during the school day, parents should seek to schedule appointments during advisory or lunch periods. Sometimes, missing classes is unavoidable, in which case missing the same class repetitively is discouraged.

Early Release/Pick Up

Parents are encouraged to not pick up their children before the end of the day. Class instruction extends through the end of the day.

Students not at school by 10:00 a.m. will be counted absent for the day.

Students who leave before noon and do not return will be counted absent for the day.

Student resources (homework, notices, behavior charts, etc.) for home are not prepared for release until 3:00 p.m. each day. Therefore, if your child leaves early, resources may not be provided to the child on the early release date.

In the event of an emergency pick up/early release, to allow time to prepare your child for early release, the parent should make direct contact (do not send an email, text, or leave a voice message) classroom teacher to report the student will be picked up before 3:00 p.m. or send them directly to carpool.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Parents must make direct contact with the classroom teacher before 2:00 p.m. when the student needs to go to carpool rather than After School Care-Enrichment. Parents should not rely on their children to communicate student absences to the teacher.

Excessive Absences – Communication Warning Notification/Alert

The School's communication system will generate an automated notification for every three (3) absences (whether excused or unexcused). After receipt of the second (2nd) communication system notification of an absence (whether excused or unexcused), the Parent and Division Leader and/or Dean of Students may determine a need to meet to implement a plan of action to:

- cease absences and/or tardies;
- assess student's mastery of content, if feasible;
- avoid a grade of Incomplete, if feasible;
- support the student's academic progression; and
- obtain academic support, if needed, at the parent's expense.

Whether excused or unexcused, students are required to be in class 90% of the school days.

ABSENCES & ASSIGNMENTS

Any missed school work (including but not limited to projects, quizzes, assessments, tests, etc.,) must be completed and returned within the grading period.

- The instruction or school work missed are the responsibility of the Middle School Prep (4th & 5th grade) student to obtain from each teacher. Any necessary modifications to this policy can be made at the teacher's discretion.

For students in early childhood (EC) and lower school (LS), parents are responsible for working harmoniously with the teacher to obtain the missed assignments after the student returns to school.

No extra credit will be given as a result of an absence whether excused or unexcused.

All class assignments may be posted on FACTS/RenWeb, Google Classroom, listed on the Week at a Glance (WAAG), and in designated areas determined by the teacher. Students and parents should check these resources first to obtain the missed assignments the student missed due to an absence.

Do not call the school office, receptionist, etc. to request missed assignments. This matter must be addressed with each one of the student's teachers.

- If an absence is preplanned, assignments may not be released before the absence. Any necessary modifications to this policy can be made at the teacher's discretion.

EXCUSED ABSENCES and Missed Assignments:

Missed Class Work-Excused Absence- (makeup within 3 days)

- Classwork, homework, tests, etc., missed during an excused absence may be made up within three (3) school days of returning to school.
- It is the responsibility of the student to complete all missed assignments and return them to the teacher no more than three (3) school days upon returning to school (for an excused absence).
- For Middle School Prep (4th & 5th grade) students, assignments must be turned in to the teacher within three (3) school days regardless of the class rotational day.
- No makeup work or exceptions will be allowed after three (3) school days.
- Failure to comply with turning in missed homework will result in a grade of zero.
- A grade of INCOMPLETE will be determined by the classroom teacher and the Division Leader.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Excessive Absences Mandatory Parent-Teacher Meeting

The meeting is essential when a student misses the core content of instruction within a grading period/term due to excessive excused absences. The Parent-Teacher Meeting for extended excused absences focus would be to:

- identify how academic support can be integrated during the student's absence so the student may master content (at the parent's expense, if needed);
- assess the student's mastery of content, if feasible;
- avoid a grade of Incomplete, if feasible; and support the student's academic progression.

School Event Absence

An off-campus event, which is initiated by the School and given prior approval by the Administration, is not reflected on the report card and will not be recorded as absent. These include school-scheduled academic excursions (field trips), activities, and the school philanthropic events where the student is involved. Students are responsible for all classwork missed in these situations, and work must be turned in according to the Absences and Assignment section or as approved by the teacher.

Absence on Quiz/Test/Assessment Date

- If the student misses the day of an announced test/quiz, the student may be granted an opportunity to take the test or quiz on the day of return to school even if the class is not scheduled on the day of return.
- The student is responsible for making arrangements or scheduling a time to take the test/quiz on the first date of return.
- Failure to take the test/quiz/assessment on the day the student returns to school may result in a grade of zero (0).
- For Middle School Prep (4th & 5th grade) students, quizzes, tests, etc., must be taken on the day of return regardless of the class rotational day
- The Middle School Prep (4th & 5th grade) teacher will determine if any exceptions will be granted.

UNEXCUSED ABSENCES

Missed Class Work-Unexcused Absence (makeup within one school (1) day, when approved by the teacher)

- Missed assignments for an unexcused absence (excluding disciplinary consequences) may be made up by the next school day.
- When permitted by the teacher, failure to submit assignments to the teacher within one (1) school day may result in the highest earned grade of 70.
- Make-up and grading standards for missed assignments due to unexcused absences.
- For Middle School Prep (4th & 5th grade) students, assignments must be turned in to the teacher within one (1) day regardless of the class rotational day.
- The Middle School Prep (4th & 5th grade) teacher will determine if any exceptions will be granted).
- Any necessary modifications to this policy can be made at the teacher's discretion.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Unexcused Absence due to Disciplinary Consequences (Refer to Disciplinary Consequences section)

Unexcused absence due to Disciplinary Consequences may include but is not limited to the period a student is removed from the learning setting, authorized to be visiting with an essential faculty member, suspension from school, removal from class, etc.

- A student absent due to Disciplinary Consequences will not receive credit for homework or other assignments (including but not limited to class work, tests, quizzes, assessments, projects, etc.).
- Assignments assigned BEFORE the Disciplinary Consequence was given may be submitted for credit on the very day the student returns to school, whether that class is scheduled on the returning day or not.
 - For assignments given BEFORE, the student is responsible for ensuring the assignments are properly submitted on the first day of return to school.
 - Test, quizzes, assessments, and project presentations assigned BEFORE the Disciplinary Consequence was given may be allowed solely at the discretion of each teacher.
- As a result of Disciplinary Consequences, academics or classroom instruction missed during the absences will not be made up and no extra credit will be given during the grading period.

Excessive Absences

If a student receives three (3) or more absences (unexcused or unexcused) within a term, the parent may be asked to meet with the teachers and or Division Leader. Refer to the Required Attendance-90% Of School Days section.

TARDIES & ASSIGNMENTS

When children are forced to begin their day tardy and rushed, there is the potential for having a lasting impact throughout the school day. Many of our teachers will attest to the fact that some children find it difficult to regain momentum after arriving late.

The school day goes smoothly when the students arrive with time to get organized before class begins. Students are encouraged to arrive no later than 7:50 a.m. each day.

St. Philip's has the awesome and blessed opportunity to offer our students a spirit-filled chapel service each morning. For your child to gain the full meaning of chapel, he/she must arrive at school on time. Chapel attendance is not an option, it is required school attendance and participation. Every student should arrive on time to school each day.

- Students not in the classroom at 8:00 sharp are tardy.
- If a student is in the school building at 8:00, but not in the classroom he/she will be marked tardy. On some occasions, the classroom teacher may request tardy students transition to the classroom; however, the student will still be marked tardy.
- BY 10 a.m. and BEFORE 12: Students not at school by 10:00 a.m. or who leave before noon and do not return will be counted absent for the day.

Traffic or Weather Conditions, Tardies

Unless authorized solely by the Principal weather conditions or traffic conditions are not excusable for tardies/late arrivals. Only the Principal will communicate excusable late arrivals to school personnel.

Arriving Late - Transitional Tardies

Students arriving late to school are not permitted to roam the building for any reason. Students must transition directly to their classroom or Chapel. Students roaming the building or not in their designated locations may be subject to disciplinary action.

Early Childhood (EC) Tardies

EC students are tardy if they are not in their classrooms by 8:00 a.m. sharp. EC students that are tardy will be permitted to proceed with BSC personnel to their classroom. Although EC students transition to their classroom, if they are not in their classroom ready for class at 8:00 a.m. sharp, they will be recorded as tardy. EC students must be in their designated classroom at 8:00 a.m. sharp not transitioning in the parking lot or school building (whether with or without a parent).

Parents must support the school process for transitioning tardy students. Early Childhood students arriving during Chapel are tardy and parents must:

- enter through the Life Center main school front doors (under the direct supervision of their parents);
- supervise their child to use the restroom before entering the Chapel; and

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- walk the student into the grade level designated area in Chapel or faculty supervision.

Non-compliance may result in a parent-EC Division Leader meeting. Ongoing violations may result in a parent harmony violation notice.

Detention (Tardy)

Students serving Detention will report to the designated Before School entry location on the designated school day for Detention at 7:00 a.m. as assigned to the student. Students reporting for Saturday detention will report at a specified location and at a specified time. Students that are ten or more minutes tardy for detention will be required to receive further disciplinary consequences up to and including Out of School Suspension.

Unexcused Tardy

- Skipping Class
- Late to Class without Prior Permission or School Personnel authorization
- Without Healthcare Provider Official Notice
- Loitering/Roaming
- Untimely / Late, Transition to Class
- Unsubstantiated traffic conditions (unless approved school-wide (not a case-by-case option) by the Principal)

Skipping Class or Tardy to Class during School Day

During the school day, the penalty for skipping or being tardy to class is an unexcused absence and for all class assignments (including tests/quizzes/assessments, etc.) a grade of zero.

During the school day, a student must obtain permission before leaving a classroom or being late to class. Students who habitually or routinely miss/skip more than 20 minutes of class without permission will be considered for disciplinary action up to the suspension.

Reporting/Recording Tardies

It is possible, for many reasons, that a sibling in one class can be marked tardy and the other not be marked tardy. A parent can drop their child off on time, yet the student failed to be in class at 8:00 a.m. or failed to get the teacher's permission to be out of class (including the restroom).

- Students who are tardy to school six times or more in one quarter will see a one-letter grade impact on their report cards in their Chapel grade.
- Six (6) unexcused tardies equal one unexcused absence.
- Every six (6) tardies in a term, the School's communication system will generate an automated notification for every six (6) tardies (whether excused or unexcused).

Daily attendance and tardy records are available to parents on the School's communication system and printed on the student's report card each term.

ACADEMICS

Our philosophy at St. Philip's is to provide each student with an exceptional academic experience. The academic growth of all students is greatly enhanced by collaboration between parents and teachers in support of the academic goals of each student.

The best educational atmosphere that can be set up for the student is the family, teachers, and School working to complement one another. Our commitment is to work professionally and constructively for the education of our students. Our lines of communication need to be open and direct. All concerns relating to the student's academic and social-emotional development need to be first discussed with the individual teacher. Parents are encouraged to communicate their concerns and to practice doing this in a way that promotes a positive relationship between school and family.

St. Philips is proud to be a Project-Based Learning (PBL) campus. We facilitate long-term, student-designed projects that promote active, inquiry-based learning. Students are guided through a process of questioning, challenging, and problem-solving real-world issues that are presented in the curriculum, forging tangible self-to-text connections.

Awards Assemblies (Transitional Guidelines may be subject to Pandemic Protocol changes)

Academic awards assemblies will be held after the second and last quarter.

At the end of the 2nd quarter:

- 3rd Grade and Middle School Prep (4th & 5th grade) students are recognized for accomplishing A or A/B Honor Roll status.
- Early Childhood through 2nd Grade students will receive Headmaster's, Principal's, or Honorable Mention Awards.

At the end of the school year:

- In addition, an awards assembly is held for the early childhood, primary level students, and Middle School Prep (4th & 5th grade) students
- Students receive awards in various subject areas based on their academic/creative performance.
- Refer to the Perfect Attendance Award in the Attendance section

Throughout the year:

- Students may also receive awards from their classroom teachers and the Principal for special achievements.

Mandatory Parent-Teacher Report Card Conferences

Mandatory Parent-Teacher Report Card Conferences provide a wonderful opportunity for parents, advisors, teachers, and students to review and discuss the student's grades, progress, and recommendations, to establish and assess goals for the year, and more importantly, strategies for helping each student achieve his/her goals. During mandatory Parent-Teacher Report Card Conferences, teachers are expected to share a fair and accurate appraisal of the student's academic and personal progress.

Both parents in the home (with whom the child resides) are required to attend their child's Parent-Teacher Report Card Conferences.

Middle School Prep (4th & 5th grade) students must attend the first 5 to 7 minutes of each end-of-the-quarter conference with their parents and advisor.

Mandatory Parent-Teacher Report Card Conferences are held two times per year for all students. Refer to the dates listed on the school calendar. During the 1st and 3rd grading period, parents are required to attend these two (2) Mandatory Parent-Teacher Reporting Card Conferences to receive their child's Report Card. Tutor narrative reports may be released during the 3rd grading reporting period. Report Cards will not be released until the parents attend the mandatory Parent-Teacher Report Card Conferences. Teachers, homeroom teachers, or advisors will notify parents two to three weeks in advance of the school's calendar dates to begin scheduling Parent-Teacher Report Card Conference meetings.

Parents who do not attend the mandatory Parent-Teacher Report Card Conferences are responsible for scheduling and attending the parent-teacher conference within one week of the established conference schedule dates. A parent's failure to comply will result in a written notification of failure to comply.

Failure to attend the two mandatory Parent-Teacher Report Card Conferences may result in consideration for not being extended an invitation for re-enrollment to St. Philip's School and Community Center.

GRADING & REPORTING

Chapel Grades

Middle School Prep (4th & 5th grade) students will receive a grade for Chapel. Tardy students are not allowed the full benefit of participating in Chapel service with their class, and this will be reflected in their Chapel grades.

Mid-quarter Progress Narrative Grade Reports

Mid-quarter progress narrative grade reports are teacher-written narratives or comments on the student's performance that outline the student's specific success and recommendations for progress and provide a mid-quarter review of the student's grade. Mid-quarter progress narrative grade reports are released in the middle of the 1st and 3rd quarters.

It is imperative for parents to thoroughly read and apply the recommendations listed in the progress narrative reports. A tutor's narrative reports may be included with the teachers' progress narrative or may be discussed during the 3rd quarter parent-teacher conference.

Report Card Grade Reports

St. Philip's provides parents with report card grades four times a year (at the end of each quarter). During the 1st and 3rd grading period, parents are required to attend two (2) mandatory Parent-Teacher Report Card Conferences to discuss student progress. End of the Year report cards will not be released until the parents attend these two (2) mandatory Parent-Teacher Report Card Conferences.

The 2nd and 4th quarter grading period report cards will be delivered through FACTS/Renweb. Fourth (4th) quarter grading period report cards will not be released until all school matters have been finalized with the parent, such as financial commitments, return of school items, attending mandatory meetings, etc.

Notification of Grades

To keep abreast of their student's grades, parents should review grades on the FACTS/RenWeb grading system at least every two weeks. Some assignments may not be posted weekly, but posted according to the class/teacher's guidelines. For projects, tests, or other complex assignments, grades may take up to two weeks to post on FACTS/RenWeb.

Parents, if graded work is not received on time, please inquire about progress to the teacher via email or send a message.

Report cards and mid-quarter progress narrative grade reports will be in the form of skills assessments and detailed narratives, respectively, and will reflect the social, cognitive, and motor development of the student.

GRADING SCALE: Early Childhood

PK2 TO KINDERGARTEN		
NA	NOT ASSESSED	<u>Not Assessed</u> : Skill was not assessed this quarter.
*B	BEGINNING	<u>Beginning</u> : Requires teacher assistance to perform a task.
D	DEVELOPING	<u>Developing</u> : Sometimes needs teacher assistance to perform the grade-level the task; sometimes works independently to perform the task.
S	SECURE	<u>Secure</u> : Consistently applies the skill or concept correctly and independently.
*End of the Year average grade of Beginning will require a Parent-Teacher meeting to review ongoing recommendations for academic support.		

GRADING SCALE FOR 1st to 2nd GRADE

1 ST and 2 ND GRADE		
E	90-100	Excellent
S+	85-89	Satisfactory
S	80-84	
S-	70-79	
*NI	69 and below	Needs Improvement
* Grades <u>below 70</u> <u>failed</u> to meet grade-level standards for mastery of the subject. <u>A Teacher-Parent meeting is required.</u>		

3rd & 4TH & 5TH GRADE GRADING SYSTEM

3 rd -5 th GRADING SCALE		
LETTER GRADE	NUMBER GRADE	CLASSIFICATION
A+	98 – 100	Excellent
A	92 – 97	
A-	90 – 91	
B+	88 – 89	Commendable
B	82 – 87	
B-	80 – 81	
C+	78 – 79	Satisfactory
C	72 – 77	
C-	70 – 71	
D+	68 – 69	Difficulty
D	62 – 67	
D-	60 – 61	
F	(Below 60)	
I	Incomplete	A portion of the coursework was not completed due to special circumstances.
Grades <u>below 70</u> <u>failed</u> to meet grade-level standards for mastery of the subject. <u>A Teacher-Parent meeting is required.</u>		

ACADEMIC ASSESSMENTS

Assessment of student achievement at St. Philip's is ongoing and covers all content areas. To allow continued student learning, assessment is more formative than summative. Teachers are encouraged to provide higher-order thinking and problem-solving-based assessments which serve as a gauge for student progress and high-level achievement.

Regular quizzes, projects, and tests creatively infuse computer-based, research, and multimedia work. Weekly spelling and vocabulary tests are derived from course materials and are administered to students.

Baseline and benchmark assessments are administered at the beginning, middle, and end of the year for all kindergarten through fifth-grade students. The full assessment provides the faculty with a baseline portrayal of student competencies.

The CTP 5 ([an Education Records Bureau \(ERB\) Resource](#)) is a rigorous assessment of student achievement in the areas of reading, listening, vocabulary, writing, mathematics, and verbal and quantitative reasoning. It is an assessment that allows the school and families to understand student learning and to inform instruction. Presentation and analyses of CTP 5 assessment results (comparing national, independent, and school norms) are provided to parents.

Students are administered the [NWEA MAP](#) at least two times per year. NWEA™ (Northwest Evaluation Association) is a research-based, organization that precisely measures growth and proficiency using the MAP assessment. MAP® (Measures of Academic Progress), refers to tests given multiple times throughout the school year to measure your student's growth in a variety of subjects and provides insights to help tailor instruction specific to the student.

Other grade-level subject-specific assessments are conducted throughout the year to aid in providing data that direct instruction and measures progress.

HOMWORK & CLASSWORK

Refer to the Attendance section regarding absences affecting grades

We believe that meaningful home study is a necessary part of each student's educational program and that it should be related to the educational philosophy and goals of the school. Homework is defined as out-of-class preparation in a given subject area that is assigned by a student's teacher. This assignment is of such a nature that the student must complete assignments during non-class time. Homework should be a purposeful extension of the school day which provides the student with additional opportunities for the development and reinforcement of the school's instructional objectives. The assignment of homework should be regular and reasonable, and it is encouraged when it contributes to the child's education through individual work, responsibility, completion of projects, and the establishment of good study habits.

The completion of homework assignments will be recorded by the teacher and included in the evaluation of the student's progress.

Homework is the student's responsibility for grades 2nd through 5th. For grades Pk2 through 1st grade, the parent is encouraged to support the child develop independence and responsibility through establishing skills such as organization, time management, attention to detail, follow-through, and study skills.

Difficulty with Homework

Although homework is designed to enhance learning in the classroom, teachers understand that a student may have difficulty with an assignment. If this is the case, a sincere effort should be made to do as much of the assignment as possible, and the following school day the student should make arrangements with the appropriate teacher for extra help. To avoid a late or incomplete homework notice, it is the responsibility of the student to turn in the work and request to meet with the teacher if extra support is needed.

Students needing academic intervention such as academic tutoring and or academic skills development (time management, study skills, etc.), should refer to the Student Support Services section.

Attending School-Wide Events & Homework

We require all of our parents to attend a minimum of three (3) mandatory Parent School Association, Parent University, or Pastries with the Principal meetings. Failure to do so places the family outside of good standing and jeopardizes the invitation to re-enroll.

Students in Pre-K through 3rd grades whose parents attend required school-wide event meetings will not be assigned homework to be due the next day.

As determined by the Principal, homework assignments may not be due the next day for students participating in special curriculum nights or school-wide parent evening events. Turning in or

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

completing assignments will not be an excusable reason a parent does not attend a school-wide required event.

Students in Middle School Prep (4th & 5th grade) may be required to turn in a project or homework the next day when it is assigned in advance of the school-wide event or the parent fails to attend the event.

Homework matters regarding school-wide events are at the discretion of each teacher.

Scheduling:

Each teacher will determine when assignments, tests/quizzes/, projects, PBL, etc. are scheduled. Middle School Prep (4th & 5th grade) may not have designated days for specific tasks.

Grades - Recording Homework and Classwork

Most often student grades are recorded in the school's grading system, FACTS/RenWeb, the following week of the due date for an assignment, test, quiz, project, etc., unless otherwise stated by the teacher. If graded work is not received on time, please inquire about the progress of the teacher via email.

Late, Incomplete (Missed) Homework or Classwork (Lower School and Middle School Prep (4th & 5th grade))

The School is preparing students for success in college and career, so students must be trained to be punctual and to complete their work to the best of their ability and on time. Work completed after it was due loses much of the value that the work had at the time of instruction.

Assignments, whether classwork or homework, not turned in or is incomplete by the assigned due date are recorded as Late or Incomplete with a grade based on the teacher's grading process as communicated.

The student:

- May turn in missing (late, incomplete, etc.) work within three (3) school days of the due date (regardless of rotational schedule) or before the end of the term grading period to receive an earned grade up to 70.
- Will receive a grade of zero for failing to turn in the completed late work within three (3) days of the due date (regardless of rotational schedule) or before the end of the term grading period.
- Must write their name on all work, if work is not identifiable, a grade cannot be recorded.
- Will not receive extra credit or make-up work.
- Is responsible for turning in all homework, classwork, and meeting deadlines for all academics.
- May be subject to Academic Detention (refer to the Academic Detention section).
- Any necessary modifications to this policy can be made at the teacher's discretion.

ACADEMIC DETENTION 3RD THROUGH 5TH GRADES

Academic Detention is the supervised retention of a student beyond the regular school day when the teacher requests the student show improvement in academics resulting from failure to comply with academic standards, such as submission of homework or classwork as outlined in the class academic standards in the Parent-Student Handbook or classroom procedures.

Students failing to comply with academic standards may serve Academic Detention. After being given three (3) additional school days to complete and turn in missed assignments, yet fails to comply, the student will:

- a) earn a grade of zero, and
- b) serve Academic Detention (at the discretion of the teacher).

At the discretion of the teacher, Academic Detention will be assigned by the class teacher every time a student in a school term fails to turn in,

- at least two (2) assignments, and
- in the same class.

The class teacher will issue an Academic Detention Notice at least three (3) days in advance of the date detention will be served through the FACTS/RenWeb communication system. The teacher will not only send the Academic Detention Notice but inform the student of their detention. The Academic Detention Notice will indicate the following:

- Why Academic Detention is being required,
- List the two missed assignments (or refer to the reported grading system),
- The due date of the missed assignments,
- The date detention is to be served,
- The time detention is to be served from 7:00 a.m. to 7:50 a.m.,
- Reporting place to arrive for detention, which will be the Before School Care entry location.

Failure to Attend Detention

If the student is unable to serve detention, the parent is required to notify the teacher the day before the Academic Detention that the student will not attend. Regardless of the reason for not attending, the student will be rescheduled for Academic Detention or receive disciplinary action up to and including Out of School Suspension.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Loss of Privileges

Any student serving three (3) or more Academic Detentions in a school year, may lose the privilege of serving in leadership, participating in special programs, or receiving academic honors such as Student Council or Titans.

The maximum number of Academic Detentions per school year is six (6). Students serving six or more Academic Detentions per school year will be required to have a Mandatory Parent-Teacher-Student-Division Leader meeting. This excessive number of Academic Detentions may result in consideration for not being extended an invitation for re-enrollment to St. Philip's School and Community Center.

In matters involving discipline, academics, or health, the school will only meet with parents.

ACADEMIC PROBATION

1st THROUGH 5th GRADE

Academic Probation serves as notice to parents and students that it will take a mutual effort from home and school to ensure that parents provide the student with sufficient support to be successful in the School's environment. Students and parents are expected to monitor student grades throughout the grading period and to be aware of the potential for placement on academic probation, should academic performance be considered unacceptable.

Unacceptable academic performance for Academic Probation purposes is defined as, grades that are:

- Below average during a grading period (mid-term/progress grade reporting or report card grading period), less than 70 (3rd thru 5th grade), and "Needs Improvement" (1st thru 2nd grade).

Approaching Academic Probation

When a student is approaching or at risk of being placed on Academic Probation or at the time student has obtained unacceptable academic performance, the teacher might request a Parent-Teacher-Student Meeting (and may include members of the Student Support Service Team) to:

- Identify the reasons for a student's unacceptable academic performance.
- Develop and implement an academic Student Support Plan to achieve satisfactory grade performance (including tutoring).
- Determine a course of action, including retention, if the student does not earn a passing grade.
- Discuss the outcome of failing a core course for the school year (See Retention section).
- Consider a student's academic achievement and learning abilities to be successful at school.
- Make recommendations that aid in the student's academic success.
- Outlined required actions of the parent and results for noncompliance

Parents are responsible for monitoring their child's grades to know if their child is approaching academic probation. Parents are encouraged to be proactive in scheduling parent-teacher meetings when the child's content grade average is reaching or has reached below 70.

On Academic Probation

Students earning unacceptable academic performance in one (1) or more core classes (ELAR, Mathematics, Science, and or Social Studies) constitute unacceptable Academic Performance and will be placed on Academic Probation status at the end of the

- mid-quarter progress narrative grade reporting period or
- grading report card period.

While on Academic Probation, the following will be required during the probationary period:

- Actively and earnestly receive academic tutoring in each course for the remaining term or the entire next term to obtain and maintain satisfactory academic performance. Tutoring

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

will be at the expense of the parent. Refer to Student Support Services, tutoring section for details.

- The probation period will continue throughout the quarter or the next grading period (whether mid-quarter progress narrative grade reporting period or report card grading period).
- At the discretion of the Teacher and/or Principal, a student may lose the privilege of serving in leadership, special programs, or receiving academic honor such as Student Council or Titans, and extra-curricular activities including St. Philip's programs and non-St. Philip's related such as athletics, dance, or any program that may impact time for studying after school.
- May lose eligibility for tuition financial assistance.

A student on Academic Probation who fails to achieve satisfactory grade performance by the next grading period will serve another Academic Probation period, subject to provisions listed in this section.

During the school year, if a student is placed on Academic Probation for two (2) or more times for the same course, the student is at risk of failing the course. When approaching failing a course for the school year, a Mandatory Parent-Teacher-Principal Meeting is required to ensure student achievement.

A student that fails the course will be subject to the provisions outlined in the Promotion and Retention section and may not be considered for re-enrollment.

PROMOTION AND RETENTION

All students should possess strong work ethics, good attendance, and demonstrate initiative and motivation for success at St. Philip's School and Community Center. For more refer to the Graduate Profile.

All St. Philip's students must master grade-level skills that are necessary according to the criteria established by the standard curriculum. Students in Pk4 through 5th grade must master St. Philip's School and Community Center's grade-level content to competently continue to the next grade level. The curriculum is not modified for any student, which also includes students with a Student Support Service (SSS) Plan.

St. Philip's School's content mastery is measured by, but not limited to:

- a. Academic (formative and summative) assessments,
- b. Standardized assessments,
- c. Student Support Services Team review,
- d. Academic and/or cognitive progressive history,
- e. A grade average of below 70,
- f. Response to intervention,
- g. Educational evaluations, when applicable,
- h. Parent support and commitment, and
- i. Observation and review of the student by other faculty members.

Prekindergarten

Students in Early Childhood must be able to demonstrate mastery of the School's current grade-level subject matter in phonemic awareness, phonics, reading, and St. Philip's grade level mathematics, and have reached a developmental stage of maturity for learning. Students not mastering content may be subject to St. Philip's grade level retention or recommendation for a referral or other considerations at the discretion of the School.

1st through 5th grade

First through fifth-grade students failing with a school year grade average of less than 70 in the core courses of mathematics, science, social studies, or ELAR (Literacy) and consideration of the above content mastery factors may be subject to St. Philip's grade level retention or recommendation for a referral or other considerations at the discretion of the School.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Considerations for Retention or Referral

Any student demonstrating academic weaknesses and difficulty in mastering content will be required to demonstrate mastery of the St. Philip's grade-level academic content. Based on the identified needs of the student, the School may recommend the student comply with student support services outlined in the Student Support Services section. Further considerations may include; but are not solely limited to, yet at the determination of the School:

- Retention with development of and adherence to a Student Support Plan, if not previously developed.
- Receive a comprehensive psycho-educational evaluation by a School approved skilled, trained, and certified educational diagnostician or school psychologist or licensed specialist school psychologist, if beneficial or applicable...
- Recommend compliance with receiving a comprehensive psycho-educational evaluation, if deemed the School would be able to support the results of the evaluation.
- Referral to a school specifically developed to provide the resources, services, and level of instruction that may be needed by the student. The parent of a student who is or may be developmentally, emotionally, or academically unable to perform adequately, or consistently demonstrates the difficulty in mastering skills, or is below St. Philip's grade-level standards and has been provided long-term support may be counseled to transition to a school designed to provide the resources, services, level of instruction to meet the student's needs.

Students who have been recommended to receive or who have received intense academic support, yet have not mastered the content of core subjects will have a parent meeting with the Student Support Services Team. The purpose of the meeting will be to establish a plan for re-enrollment, retention, remediation, or referral considerations. For more refer to the Student Support Services section.

Retention Recording

For any student who is being retained and chooses to withdraw from St. Philip's School and Community Center, grade-level retention will be recorded on the student's official school records.

ACADEMIC EXCURSIONS (Subject to Pandemic Protocols)

Academic excursions extend classroom learning. Teachers work diligently to plan rewarding trips for their students so that every child will benefit from these experiences. Depending on the grade level, trips may range from several hours to several days.

Children are transported to and from these trips in the school van, bus, or chartered bus. If needed, a vehicle with more seating capacity will be leased. All drivers must be licensed and insured, and pass a background check. Students are required to ride the School's transportation to and from the academic excursion. If a student does not return on the school's transportation source, the parent must sign a release form before the student is released to the authorized adult, with no exceptions.

All related matters regarding the logistics, snacks/lunches, fees/cost, homework assignments, etc., associated with academic excursion will be communicated by the class teacher. Parents are responsible for making sure their child has a lunch or required funds to purchase lunch during Academic Excursions when required. Unless otherwise specifically specified, student cell phones and related devices are not allowed on school trips.

A Privilege and not a Right.

Children are to be orderly, mannerly, polite, respectful at all times, and abide by the class standards and school policies. All children must display exemplary behavior while on all excursions. Children who consistently misbehave in the classroom or on excursions will lose the privilege to participate in these enriching experiences. For some students to be able to attend Academic Excursions, an approved parent may be asked to attend, at their expense, and be their child's direct chaperone.

Academic Excursion Experiences for PK3 through 5th Grade Students

When children are given the opportunity to experience the world around them at a very young age, they are better able to make connections to those experiences as they read and gain additional knowledge in later years.

Our students go on "field experiences" to places such as the Perot Museum of Science, The Dallas Children's Theater, The Arboretum, and the Dallas World Aquarium to name a few.

First Grade "Field Experience" City of Dallas Tour

Throughout the first-grade year, students learn about special people and places of interest in the city of Dallas. At the end of the year, the students take a bus ride around the City of Dallas and experience the people and places they read about during the year.

Second Grade Excursion - Space Center Houston Tour

The 2nd-grade students attend a 1 night, 2-day excursion at the Johnson Space Center in Houston. The students will have an opportunity to participate in hands-on, space center activities.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Third Grade Excursion – 3rd Grade Sky Ranch Retreat

The 3rd-grade teachers and students participate in a 1 or 2-night, 2-day retreat. This trip is the 3rd grader's opportunity to engage in team-building activities to promote collaboration, cooperation, and independence that will be vital as they move into Middle School Prep (4th & 5th grade). Parents (excluding school personnel serving as chaperones) are not eligible to attend 3rd grade overnight Academic Excursions, with no exceptions.

Fourth Grade Excursion – Texas Tour / Alamo/ State Capital

This tour serves as the culminating exploratory experience to summarize the year-long study of Texas history. The importance of citizenship, voting, and public office is reiterated during the experience. Through interactive exhibits and activities, students learn about Texas heroes and the roles they have played in shaping our community. Students will also go on a guided tour through the Discovery Passages at Natural Bridge Caverns and learn how different geological processes formed the cavern system. Parents are not eligible to attend 4th grade overnight Academic Excursions, with no exceptions.

Fifth Grade Excursion Civil Rights Tour (Subject to Pandemic Protocols)

After a year-long enlightening study of history, including Civil Rights, the 5th-grade class travels to Memphis, Atlanta, Selma, Montgomery, Tuskegee, and Birmingham to bring their studies of Civil Rights to life. Parents are not eligible to attend 5th grade overnight Academic Excursions, with no exceptions.

Attendees

Parents or approved adult attendees must have a completed, satisfactory criminal history background check on file in the Human Resources (HR) Office. Any out-of-pocket expense for the academic excursion (field trip) for those attending must be paid by the parent by the determined deadline.

Parents, or other non-approved adults, cannot attend overnight Academic excursions nor travel along with the school in a caravan, etc., on third (3rd) through fifth (5th) grade Academic Excursions, with no exceptions. Non-St. Philip's students or St. Philip's siblings not in the class cannot attend St. Philip's Academic Excursions. Approved parents or approved adult attendees may attend certain designated Academic excursions as approved by the homeroom teacher/advisors.

Regarding absences from Academic Excursions, refer to the Attendance Unexcused Absence section.

Guidelines for Academic Excursion Chaperones

The Principal and Division Leader will establish the guidelines for selecting chaperones. The following guidelines are subject to modification by the Principal for each class Academic Excursion.

- Must pass a criminal background check before making arrangements to serve as a Chaperone (not an option). Refer to the Background Check section for more details.
- Required to be on active duty at all times during the trip and 24 hours each day for overnight trips – leaving the group is not permitted.
- Not allowed to bring other persons on the excursion or have guests from the area or the visiting city join the group for extended periods.
- Are required to eat with the group unless dietary reasons preclude it. Dietary issues should be presented beforehand.
- Are not allowed to permit the students to purchase or eat treats unless the full group has been granted the same opportunity.
- Are not allowed unscheduled souvenir shopping.
- Are required to stay with their supervisees/assigned students during shopping and at all times during the excursion.
- May be required to manage students' spending funds.
- Are required to adhere to the scheduled agenda – only the trip leader may make adjustments.
- Are not allowed to exceed the spending limits set for the trip for their children.
- Are not allowed to smoke, use profanity, or post pictures of children on any personal social media pages.
- If a child chooses to misbehave, that child should be given a warning that improvement is necessary. If the problem continues, please notify the classroom teacher or school personnel to handle the situation as deemed appropriate.
- Chaperones are responsible for the care of their student group from the time they are assigned until the time they return to school. This includes preloading, traveling, on-site, return travel, sleeping periods, and loading and unloading luggage.

ACADEMIC/SPECIAL PROGRAMS

(The following is not an exhaustive list.)

G.U.I.D.E.S.

As criteria to complete academic requirements to successfully graduate, all girls, grades to be determined will have to complete the G.U.I.D.E.S. curriculum. G.U.I.D.E.S. stands for God's Undivided Intentions Directing Every Step. During this program, our young girls will make personal commitments to their spirituality & self-love, as they explore their connections to heritage, examine social/political constructs and oppression, assume responsibility to their family and community, and prepare for the transition to womanhood and their life after St Philip's.

Rites of Passage

The Rites of Passage program is fundamentally designed to stimulate the consciousness of our fifth-grade young men as they begin their journey to manhood. This consciousness is stimulated by prompting our young men to begin examining the following:

- The past to understand the present and prepare for the future;
- The characteristics of manhood to discern what is not a man;
- Principles, tenets, and scripture necessary to become Godly men;
- What it means to have valor, vigor, and courage;
- The vows call us, as men, to receive, give, serve, honor God, and others and uphold man's responsibility.

Throughout the 26 weeks of this program, powerful sessions move us from creation to Africa, through the diaspora – slavery, emancipation, civil rights, exploration, and post-Obama. We will profoundly wrestle with the meaning of manhood, spirituality, finances, relationships, integrity, leadership, and courage. We will explore the future - examine careers, technology, goal setting, and basic life skills. Through such wrestling and exploration of these crucial topics, our young boys will begin their transformation into young men.

Competitions and Other Opportunities

The School incorporates activities and programs to complement the academic curriculum. These programs are designed to motivate students as they acquire higher levels of knowledge, challenge students to confront issues of importance, offer academic competition, and provide students with the opportunity to demonstrate mastery of specific skills. Students are challenged to think critically and creatively, exhibiting much more than knowledge and comprehension. These School competitions and opportunities include but are not limited to:

- Mathematics/Science Team Competition
- Oratorical Contest (school-wide)
- Science Fair or Invention Convention
- Spelling Bee

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Praise Dance

Students by grade division are invited to participate in St. Philip's Praise Dance. These students learn the ministry of dance while learning the biblical scriptures related to dance. They practice several times during the month and perform at various school-wide events such as Christmas Chapel, Easter Chapel, Grandparent's Day, and Graduation.

Saints of the Week

St. Philip's believes in rewarding students for their daily accomplishments. We believe that children learn best in an environment that is challenging and filled with opportunities to express their feelings about their newfound knowledge. Students are rewarded during normal scheduled Chapel services on Friday for their classroom participation and overall academic and behavioral success during the week.

Service Learning (Community Service)

Service-learning offers a unique opportunity for St. Philip's students from pre-kindergarten to 5th grades to get involved with their communities in a tangible way by integrating service projects with classroom learning. Service-learning engages students in the educational process, using what they learn in the classroom to solve real-life problems. Students not only learn about democracy and citizenship, they become actively contributing citizens and community members through the service they perform. St. Philip's will solicit the help of parents to ensure the success of the various Service-Learning projects each year.

Student Council

Student Council membership is one of the many opportunities for involvement and leadership at St. Philip's. The Student Council consists of 3rd through 5th-grade students who are elected by faculty members, staff members, and their peers. These leaders are required to be strong role models for younger students by exhibiting integrity, ethics, and respect for the customs of the school and the law of the land both on and off-campus. Student Council members must do the following:

- Maintain a satisfactory record in behavior throughout the school year, and
- Maintain a passing grade in all courses throughout the school year

Students who fail to meet these requirements may be temporarily suspended from office, or removed from office.

Performing Arts Club (PAC)

Our Performing Arts Clubs also known as PAC takes place in the after-school program. Students selected to the performing arts clubs will be required to attend to receive further instruction on their arts discipline, rehearsal times for upcoming performances, and lab work with guest artists take place. This is an exciting time for students who have been identified with the capacity to

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

advance their skills and to have an intensive time weekly in a small classroom setting. Auditions will be held in September and Performing Arts Clubs run guides initiatives through April.

Young Strings

This program, sponsored by the Dallas Symphony Orchestra, provides students who have exhibited a noticeable interest in music classes with an opportunity to participate in a general music class. Students are selected and may continue in this program based on four specific criteria: (1) Self-discipline (2) General Music Aptitude and Interest (3) Parental Involvement, and (4) Social Skills.

Upon completion of the General Music Class and recommendation by the Dallas Symphony Orchestra teacher, the student will continue in the program and receive private lessons on a cello, violin, or viola.

Others

The Destiny, Admissions Review, Chapel Programs, Boy Scouts, Girl Scouts, Marimba Performers, Drummers, Annual North Texas Giving Day, and various other programs throughout the school year provide venues that allow St. Philip's students to showcase their knowledge and talents.

Various other academic and social clubs are added based on student-led and teacher sponsorships.

THE TITAN AWARD

The Titan Award is an award that strives to recognize those exceptional students who meet expectations on a consistent and regular basis. Titans are nominated for a designated period.

Titan honor is awarded to any 3rd through 5th grade student who is in good academic standing in all classes, with no grade below 70. Our Titan's Titanments read that students exhibit the 10 Titanments at least 95% of the time.

We all understand no one is perfect but to become a Titan the road they must travel is long and narrow to achieve the title. They very rarely take a hiatus from this near-perfect behavior. They value school and their study habits seriously; they exhibit a personal mission to succeed. Once a Titan you are not always a Titan. Any student serving three (3) or more Academic Detentions in a school year or receiving disciplinary consequences may lose the privilege of being honored as a Titan. Titans are nominated on the following ten criteria by their teachers.

10 Titanments

1. Listen and follow directions instantly, without question or hesitation
2. Remain organized and go to class prepared with proper materials and assignments
3. Work well with peers
4. Respect to all instructors and adults through actions and words
5. Follow classroom and school rules
6. Anticipate the next logical step and take initiative to complete it
7. Work with diligence and fervor
8. Comply with proper St. Philip's uniform code and have a tidy appearance
9. Initiate acts of citizenship towards others by demonstrating the six core ethical values of character: trustworthiness, respect, responsibility, fairness, caring, and citizenship.
10. Exhibit on-task behavior

The faculty and staff of St. Philip's will elect worthy recipients. The selected recipient must receive a majority vote of 95 or more. Titans will be announced in Chapel service on designated dates.

Dress Privileges (see Uniform policy section):

Fridays: Titans are given the privilege of having "free dress days" on Fridays.

Thursdays: Titans may also wear College or University T-shirts/sweatshirts with their uniform bottoms on Thursdays. During February only, Thursdays are college T-Shirts or free dress.

On the free dress days, Titans must adhere to acceptable attire. Shoes must be completely enclosed (no sandals open-toe). No caps or hats may be worn. Acceptable standards are established by the school.

STUDENT SUPPORT SERVICES (SSS)

St. Philip's School & Community Center seeks to support students of all learning needs. We are not a special education or learning disability school. Although not a school specializing in learning disabilities, or emotional, or behavioral disorders, we seek to offer practical and reasonable assistance for all students. Decisions made regarding students' instructional or behavioral needs are based on multiple data points taken in context over time.

Prospective families with a child diagnosed with a learning difference or who has been recommended for an evaluation are strongly encouraged to meet with the Academic Support Coordinator before completing an enrollment application to identify if the services and supports needed for their child are available at St. Philip's School and Community Center.

Through a team of instructional specialists, Student Support Services (SSS) focuses on two primary areas:

- 1) Academics
- 2) Social, Emotional, Behavior, and Mental Wellness matters

The aim is to:

- help students achieve educational excellence, strengthen self-esteem, and develop spiritually, emotionally, and intellectually;
- broaden the intellectual and creative talents of advanced students;
- implement interventional, reasonable, and available support services for students with identified academic and/or social and emotional needs;
- equip parents with needed resources; and
- provide a variety of resources to support academic and personal development.

Any exemptions, cessations, or circumventions to any provisions of the SSS program will be at the discretion of the SSS Team to be submitted in writing to all parties.

SSS Team

The SSS team coordinates services for students and families and guides teachers as they work with students and families needing support. The School's SSS Team members include the Academic Support Coordinator (Academics), the School Counselor/Student Pathway (Counseling), the Division Leads, and the Dean of Students & Family Services. The school's SSS Team members may seek assistance from outside agencies that specialize in the services needed.

The School does not offer the services of a designated special education resource support teacher or push-in teacher.

Type of SSS Provided or Referred to Other Agencies

The School makes referrals to a host of qualified professionals for academic, social, emotional, behavioral, and family support services. The School does not endorse the individuals or companies,

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

but the referrals are solely for information and consideration. Types of services offered and referred include, are not limited to:

- Dyslexia language instruction
- Social and Emotional Wellness
- Referrals for comprehensive psycho-educational evaluations, including ADHD
- Referrals for student and or family counseling support: behavior, social skills, grief, divorce care, emotional care/mental health, parenting skills, etc.
- Speech Therapy, Occupational Therapy, Assistive Learning Devices, and evaluations through private providers or through Dallas Child Find (working with your local home school)
- Parent and Student Educational Resources and Workshops, Parent University
- Professional Development for educators to support the learning needs of all students
- Support for Life After St. Philip's (L.A.S.P.)

*Please note there is a possibility of parental financial responsibility for these services, for further information: page 102 (Cost Section).

Required Parent Involvement

Parent involvement is required if your child participates in any SSS program. Parent involvement may include attending parent-teacher-SSS Team conferences/meetings, obtaining counseling, attending other organization educational workshops/webinars, Parent University events, and other off-campus or on-campus parent events. Parents are responsible for any expenses, fees, costs, etc., associated with recommendations by the school.

SSS Non-compliance

The student or parent that is non-compliant with the diagnostic educational evaluation, the SSS being offered, or fails to follow through with the School's recommendation or requirement to obtain and adhere to support is subject to the following, but not limited to:

- Receiving the failed grades earned.
- Reconsidering the SAI or Behavior Support Plan or any SSS Plan (Academic, Social/Emotional, Behavioral).
- Being released from receiving any available funding for the services being received, including reduction of school's financial aid assistance.
- Being withdrawn from school or referred to another school that may be able to meet the needs of the student.
- Implementing disciplinary action when related.
- Not being recommended for re-enrollment.

Release of Information

There are times when professional providers must confer with school personnel regarding a particular student's needs about how to best serve the student. The SSS program may share sensitive, personal, and private information with persons who have a direct need to know to implement wellness and academic success.

The School respects the inherent rights and responsibilities of parents for their children. Recognizing this, federal, state, and local laws require that all interactions comply with all laws, policies, and ethical standards about confidentiality. Schools are required by state law and their professional code of ethics to report any form of child abuse or endangerment whether to self or others.

Student support service participating parents will sign a release of information form in matters involving outside agencies about a psycho-educational or related evaluation, related evaluations, social, emotional, behavioral, and counseling support, and receiving accommodations according to the formal evaluation results.

Medicine & Therapeutic Support

Students who may receive some form of therapeutic or pharmaceutical support (including ADHD medicine) are encouraged to discuss these matters with the Dean of Students, School Nurse, and related school personnel.

Students receiving ADHD and related medicines should continue to receive them during academic excursions.

SSS: ACADEMIC SUPPORT

Instructional Enrichment-Advanced Academics

All students will receive small group support appropriate for their needs, whether advanced academics, reinforcement, or remedial, in mathematics and ELAR by their class teacher or other support members. This small group instruction is embedded in the school instructional schedule.

Student Academic Intervention (SAI)-Learning Differences/Disorder Diagnosis

Students with diagnosed learning disorders identified through a formal comprehensive educational evaluation are supported through a Student Academic Intervention (SAI) plan.

At the beginning of the school year or upon immediate completion of evaluation results, parent(s) should release to the school's Academic Support Coordinator:

- their child's complete results of the comprehensive psycho-educational evaluation,
- speech-language evaluation,
- occupational therapy evaluation,
- social, emotional/mental wellness behavior reports,
- a previous school's 504/IEP/ARD-related reports,
- attention deficit hyperactivity disorder (ADHD) or related results.

The School will not provide the prescribed reasonable and practical support for a student's success without this essential data. Upon receipt of the required data, a meeting will be held with the Academic Support Coordinator and the parent to establish the student's SAI Plan.

Accommodations: Only SAI students may be eligible to receive identified and prescribed reasonable and practical accommodations per the evaluation results received by the school's Academic Support Coordinator. Accommodations do not change or modify the content of instruction, give the student an unfair advantage, or change the skills or knowledge that a test or assessment measures.

The School does not modify the curriculum, instruction, or standards.

Dyslexia

The School offers a dyslexia educational program coordinated by a licensed dyslexia therapist. The program is designed to teach the multisensory teaching approach to students diagnosed with dyslexia. Depending on the student's skills and abilities and parental support, the length of time to complete the full dyslexia instruction curriculum could range from two to five years.

Other Support Services

Services such as speech, occupational therapy, hearing, and language receptive and expressive, dysgraphia, mental wellness, etc., may be referred to the family's local educational agency, which may be the local home school. Although St. Philip's does not offer these specific services, the School can serve by helping parents obtain these services for their children. These providers may

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

be eligible to support the students on-campus. *Please note there is a possibility of parental financial responsibility for these services, for further information: page. 102 (Cost Section).

Remedial / Interventional Tutoring

Remedial tutoring is not completion of homework due to a student's lack of time to complete, academic enrichment, or test-taking strategies, but focuses on the need to help the student meet standard grade-level benchmarks. Remedial or interventional instruction is provided to identify students who can benefit from intense remedial support. This instruction is for an established period to measure a student's response to intervention and to help develop a plan of action based on the response.

Based on content assessments, the content teacher or the admission assessment will identify students that need remedial intervention. Teachers will communicate the needs of the students with the parents and will initiate the process with the Academic Support Coordinator to help support parents in obtaining tutoring. Using data from the School's assessments an Instructional Support Plan (ISP) will be developed for the tutor to know what skills need to be remediated. The content teacher will keep the parent informed about the status of tutoring and the student's measure of growth status as a result of the tutoring.

New Student Academic Intervention Support

New students may receive academic intervention to give them the best possible opportunity for success. Parents must obtain tutoring immediately upon acceptance for enrollment at St. Philip's and if determined to be needed, throughout the school year. Tutoring should meet the standards outlined in this handbook.

Parents are encouraged to obtain executive function skill training for their Middle School Prep child. The emphasis of development should be on focus (selective, divided, and sustained attention), time management (planning and prioritizing), and organization.

Tutoring for Enrichment/Advanced Academics or Test Prep

Parents may choose to obtain enrichment or advanced academic support for their children beyond the school day. This tutoring can be obtained and paid for by the parent. A referral list of tutors can be obtained from the Academic Support Coordinator. All tutors/learning specialists must comply with the School's tutoring guidelines, which can be obtained from the Academic Support Coordinator.

Academic Extra Help

Students are encouraged to meet with their class teacher for extra help during their study hall or advisory period or designated time established by the teacher. Middle School Prep (4th & 5th grade) students having difficulty and needing extra help in a class are held responsible for meeting with the teacher and advisor. Students must take the initiative to meet with the teacher.

If a parent deems their child needs extra help, the parent must discuss the concerns with the teacher. The request for extra help tutoring must meet the remedial or student academic intervention

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

standard for eligible tutoring support. If not eligible, the parent can select, at their expense, a tutor from the School's list of recommended tutors from the Academic Support Coordinator.

Tutoring On Campus

As much as possible, the School will attempt to provide tutoring in ways that prevent removal from specialized class instruction. However, tutoring will occur during specialized class times if the on-campus tutoring service is only available during those specialized class times.

If a student is on an Academic Probation status or is at risk of failing a class, tutoring support is not an option; therefore, tutoring must be received when the tutor is available to provide instruction.

The School will make every effort to not remove a student from a regularly scheduled core class for tutoring or other support services.

Tutors/Learning Specialist Guidelines

Tutors and learning specialists must be highly skilled, trained, and experienced in the content being offered.

Tutors and support service providers serving on campus must meet the background requirements of St. Philip's School and Community Center.

The parent is encouraged to consult with the Academic Support Coordinator before selecting a tutor outside of the St. Philip's identified tutors. For a referral list of tutors/learning specialists contact the Academic Support Coordinator.

Tutor's Progress Narrative Report

Any tutor providing academic support (whether it is enrichment or advancement or whether paid by the parent) should provide a progress narrative report on the student to the school's Academic Support Coordinator.

In the case when the School requires remedial tutoring intervention and/or the student has an SAI Plan, the tutor must provide a progress narrative report by the end of each quarter. If tutoring is during the summer, a report must be submitted on the 1st day of August (no exceptions) or a date identified by the school.

For a tutor not affiliated with St. Philip's, the parent is responsible for ensuring the school receives the tutor's narrative report.

The purpose of the tutor's progress narrative report is to

- measure a student's response to intervention,
- track progress on specific skills and duration of support provided,
- identify and recommend strategies that work best for the student,

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- incorporate best instructional practices provided by academic supportors into the classrooms, and
- provide reference information to parents and teachers.

A tutor's progress narrative report may be shared and discussed at the 3rd quarter parent-teacher conference. The content teacher will keep the parent informed about the status of tutoring and the student's measure of growth status as a result of the tutoring.

Summer Camps

Most academic "camps" do not meet the standards needed for intense remediation and should not be selected by the parent if tutoring is required by the School. Parent(s) are encouraged to consult with the Academic Support Coordinator before selecting a tutor to ensure the tutor receives and complies with the student's Tutoring Instructional Plan and meets the guidelines for a qualified tutor for remedial support.

Cost

Tutoring and related fees and other related support services are at the expense of the parent. The parent is responsible for the financial expenses (including supplies) and for scheduling arrangements directly with the provider of services.

Remedial tutoring for Kindergarten through 5th grade may be funded using available and eligible funds through Title 1 resources, which are coordinated through an outside agency. These funds are not St. Philip's funds, therefore the governing agency determines who is eligible to receive these funds. Students meeting the following criteria may be eligible for these available Title 1 remedial tutoring funds.

- SAI Students, as indicated in their educational evaluation results, may have priority.
- Students that regularly and consistently perform below (50 percentile) or less formative and summative assessments, including the ERB CTP-5 annual assessment.
- Students experiencing a history of ongoing difficulty retaining, recalling, and applying instruction that has resulted in difficulty progressing above 50%ile despite ongoing small group instruction in the classroom and the SSS Team support.

If a student has three (3) unexcused tutoring session absences, this will be viewed as noncompliance, therefore may be removed from receiving support with Title 1 funds. Additionally, parents and students that are not supportive of the SSS program guidelines and the School's recommendations for academic support may be reevaluated for SSS support including Title 1 tutoring funding.

SSS: BEHAVIOR SUPPORT

Behavior support encompasses, but is not limited to social-emotional learning, mental health, and behavioral guidance for the student and the family. Behavioral support service resources may be available on campus. These on-campus services are primarily short-term, temporary services aimed at facilitating more effective education and socialization of the student. These services are not intended as a substitute for a prescribed program of intervention or a comprehensive evaluation by an outside professional.

A student may be referred to participate in on- or off-campus support services by the parent, School Counselor/Student Pathway, Dean of Students, Nurse, or Principal. Behavior support services may include, but are not limited to:

- Social Emotional Learning (SEL) skill group sessions
- Play Therapy (as appropriate)
- Brown Bag Social Emotional Learning (SEL) Lunch or ASC sessions
- Peer Mediation
- Counseling (individual and/or family), (on or off campus)
- Group workshops conducted by trained professionals (on or off campus)

Changes in Behavior

If your child is experiencing any change in the normal routine at home; for example, severe illness, divorce, death in the family, or a new baby, please contact the classroom teacher, advisor, Dean of Students, and or School Counselor as soon as possible. Abrupt changes in routine can affect the child's academic work and social interaction with teachers and peers. It is helpful for us to know about important changes so we can extend a response appropriately with compassion.

Behavior and Behavior Intervention Plan (BIP)

When a student engages in ongoing disruptive behavior, habitual misconduct, continuous school violations or non-compliance to rules and regulations, etc., the School may refer the student and family for support.

When deemed needed, a specialized Behavior Intervention Plan (BIP) may be developed for the student and family to include:

- behavior improvement targeted areas,
- responsibilities of student, family, and teacher,
- timelines for measurable improvement, and
- recommendations for lack of progress by timeline.

As guided and developed by an outside professional source with aid of the School Counselor, a Behavior Improvement Plan (BIP) may serve to curtail unacceptable disciplinary actions. The parent must support the child's attendance and participation in the student support services and the BIP to address behavior or discipline concerns. Refer to Discipline Section.

COUNSELING PROGRAMMING

Encouraging The Whole Child

Our Counseling Program supports each child to help them develop a positive self-image, take personal responsibility and procure skills that enable them to be academically, socially, and emotionally successful. Our counselor interacts on an individual level with students, but also with groups.

Counseling

Uses accepted theories and effective techniques to provide individual and group developmental, preventive, remedial, and/or crisis counseling. Uses an effective process when referring students, parents, and/or others to special programs and services. Executive-function skills are the foundation for self-regulation and social-emotional competence.

Consultation & Guidance

Consults with parents, school personnel, and other community members to help them increase the effectiveness of student education and promote student success which includes the Life After St. Philip's (LASP) focus.

Social Emotional Learning (SEL)

The Second Step™ is a developmental and sequential curriculum designed to promote school and life success and prevent problem behaviors. Skills are reviewed and expanded on each year, gradually becoming more complex as students get older. This structured SEL curriculum is implemented in the classroom, in small groups for students, and in collaboration with faculty regarding student needs. The SEL includes topics such as healthy relationships, time management, organizational and study skills, stress management, bullying, relational aggression, anxiety, self-esteem, and problem-solving skills. Brain Builders taught throughout the SEL program focus on developing these skills by teaching children to pay attention, use memory, and manage behavior.

SOCIAL-EMOTIONAL LEARNING (SEL)

Through direct and intentional instruction Social-Emotional Learning (SEL) is taught to improve behaviors, attitudes, life skills, peer relationships, problem-solving, mental wellness, emotional intelligence, and academic success.

Utilizing the [Second Step](#)® program, students are educated, encouraged, and empowered to establish the six tenants of the [Graduate Profile](#). The Second Step® program aligns with the five major SEL competencies promoted by the Collaborative for Academic, Social, and Emotional Learning ([CASEL](#)):

- Self Awareness,
- Self Management,
- Social Awareness,
- Relationship Skills, and
- Responsible Decision Making.

The theme for Chapel on Tuesday is “Humanity Tuesday” focusing on SEL skills. Middle School Prep (4th & 5th grade) incorporates SEL during Advisory periods. Lower School integrates SEL on Tuesdays. In Early Childhood and Lower School, SEL is blended throughout the day on Tuesdays.

Early Childhood integrates the [Second Step](#)® curriculum with content from the Frog Street® resource. The Frog Street® places a special emphasis on social and emotional development using Conscious Discipline®, a comprehensive classroom, and a social-emotional component that creates a learning environment where children feel safe and loved.

In the classroom, skills and concepts are taught explicitly through short, daily activities as well as interwoven in content areas. The teachers

- explains a concept with words, pictures, video, and/or audio
- continues reinforcing the concept throughout the week through art, dance, song, role play,
- checks for understanding, and
- re-teaches where necessary.
- Students practice the concept through skill practice, group discussion, individual writing, or partner work.

DISCIPLINE POLICY (Pk2-5th Grade)

Subject to change to meet the changing needs of students

Positive and appropriate behavior is essential for effective learning. Students must take responsibility for their actions and realize their attitudes and actions are directly related to their school experience and that of their classmates. With the support and assistance of school personnel and parents, all students can choose behaviors that enhance their relationships and facilitate learning. In keeping with the Christian nature of the school, the highest standards of conduct and respect are expected of both students and the parent at all times.

In matters involving behavior, discipline, academics, or health, the school will only meet with the parents.

The terms infractions, violations, and incidents are often used interchangeably.

Students should:

- Agree to represent the school with integrity, ethics, and respect on and off-campus.
- Accept responsibility for their actions.
- Recognize inappropriate behavior and identify constructive alternatives.
- Appreciate the rights and personal belongings of others.
- Display courteous, respectful behavior, and personal honor at all times.
- Use appropriate language at all times.
- Express emotions in a constructive manner.

St. Philip's philosophy of discipline is as follows:

- Each student is to be treated with respect and given every opportunity to learn self-control and self-discipline.
- All members of the faculty and staff should be models of good manners for students to observe.
- Students should be taught to respect their teachers and all of the staff of St. Philip's.
- Teachers cannot teach and students cannot learn in an environment of disorder, confusion, and rudeness.
- A distinction should always be made between the deed and the doer. It is the deed that we dislike, not the child.
- Physical punishment such as spanking, hitting, and shaking is forbidden at St. Philip's.
- Any student who does not abide by the school rules, or whose conduct is such that the learning process or welfare of the other students is adversely affected, is subject to Disciplinary Consequences outlined in this policy.

Disruptive behavior, habitual misconduct, continuous school violations, or non-compliance with rules and regulations of the school will not be tolerated and will be addressed according to the Parent-Student Handbook. Any unacceptable behavior that is not outlined will be addressed at the discretion of the School Counselor, Division Leader, and or Dean of Students.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

The student, family, and responsible persons of the student must adhere to the disciplinary policy, the rules and regulations of the school, and provisions outlined in this Parent-Student Handbook. Any exemptions, cessations, or circumventions to any provisions of the disciplinary policy will be at the sole discretion of the School Principal.

Parental Support & Communication

We believe that parents bear the primary responsibility for teaching their children the right behavior and attitudes, and we will depend heavily on parents to help if there is a behavior problem. Students, parents, and school personnel all have a role in making schools safe and must cooperate to achieve success.

As role models, parents and school personnel should exhibit the behaviors that they would like to see students emulate. All parents and visitors should be models of good manners for students to observe.

There must be maximum consultation and communication between the school and the home. Parents who want to discuss interventions in response to student behavior should directly contact their child's teacher to schedule a conference.

Disciplinary methods or standards of student discipline can reasonably be expected to teach students:

- that their actions have consequences,
- that they are accountable for their behavior,
- to help them learn from their mistakes,
- to help them develop character, and
- to cease inappropriate behavior/actions.

Disciplinary Review Team (DRT)

The DRT members are selected by the Principal and may include the classroom teacher, Division Leader, Counselor, and the Dean of Students. Disciplinary consequences imputed are at the initial discretion of the teacher overseeing the discipline matter; however, may be reviewed by the DRT, as needed. The DRT will support only on an as-needed basis; thus will not review every infraction.

Grade-Level Classroom Rules

Grade-level classroom rules may describe disciplinary consequences to be implemented based on a student's infraction. Classroom rules are developed by the grade level teachers and shared with the parent at the beginning of the year. Grade-level classroom rules are subject to modification without prior notice to the parent.

Reporting & Referral

Any infraction/incident whether listed in this policy or not (not limited to: disruptive behavior, habitual misconduct, continuous school violations or non-compliance to rules and regulations, etc.) can be reported or referred for Disciplinary Consequences by any member of the school personnel

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

such as a teacher, staff member, administrator, Before and After School Care worker, tutor, and designated school supporters. Most discipline matters will be reported by the classroom or the specialized teacher, but any egregious behavioral concerns may be referred to the Counselor, Division Leader, and or Dean of Students.

Based on the nature of the Disciplinary Consequence, an infraction/incident may be reported through the school's disciplinary behavior communication system by any of the following: the teacher, School Counselor, Dean of Students, or any identified member of the School.

Not all Disciplinary Consequences will be reported through the school disciplinary communication system. Every unacceptable behavior or infraction may not be reported through the school disciplinary communication system, such reporting is at the discretion of the reporting teacher and may be based on the mitigating disciplinary factors and the immediate improvement of the student.

Investigating Matters

Upon receiving reports of infractions/incidents that occur on campus or at a school-sponsored activity or that may occur off campus and related to school, the matter will be taken seriously and will be investigated confidentially and promptly.

Infractions/incidents that occur outside school hours and away from school property or school-related functions may be investigated if reported to the school. The parent of involved students may also be notified. Any person to whom a complaint is made shall immediately advise the Principal and or Dean of Students that a complaint has been made. Appropriate corrective action will be taken. a

Inquiries of students by school personnel may occur before reporting or informing parents of an incident. School personnel will investigate violations and interview students without prior notice to the parent or the consent of the parent to do so. School personnel exercises this authority to maintain the safety and security of the school environment and to prevent the disruption of instructional programs.

Parent Actions

Parents are not allowed to and may not reprimand, interrogate, or harass another family's child or a family while the child is in the school's care. Parents must immediately report known disciplinary concerns or behavior infractions/incidents to the student's teacher or School Principal. Parents in this section refer to those that are not serving as an official member of the school, such as the teacher, administrative staff, or support personnel role (including substitute teachers and tutors). Additionally, parents are not encouraged to contact other school family members or students to address an incident or behavior concern.

Parents must be supportive and adhere to the Harmony and Communication Parent Agreements.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Disciplinary Mitigating Factors

Disciplinary Consequences implemented may depend upon the student's:

- developmental phase,
- disciplinary history,
- severity or magnitude of the infraction/incident,
- frequency of infractions/incidents,
- intent or lack of intent at the time the student engaged in the conduct,
- personal factual circumstances, and/or
- overall behavior documentation or discipline record.

The Discipline policy is subject to revisions for improvement.

ACADEMIC INTEGRITY

Students are expected to produce original work that honors copyright laws and that reflects the student's ability and mastery of an assignment. Academic dishonesty includes cheating or copying the work of another student, plagiarism, unauthorized communication between students during an examination, and tampering with, changing, or altering a record or document of a school by any method, including, but not limited to, computer access or other electronic means. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional employee, taking into consideration written materials, observation, or information from students.

Academic dishonesty is considered a serious infraction resulting in Disciplinary Consequences.

Academic dishonesty Disciplinary Consequences are neither non-negotiable nor appealable.

Cheating refers to the act of using an unauthorized source on an assessment or assignment whether on or off campus. Cheating also includes a student knowingly allowing another student to cheat, exchanging answers with others when prohibited, or looking at another student's work to obtain answers.

Copying refers to the act of duplicating any part of another student's work (including, but not limited to, plagiarism, assignments such as mathematics homework, lab reports, vocabulary homework, and so on) and passing it off as one's own. Students may collaborate on assignments when permitted by the teacher for that assignment; however, in student collaboration, each student involved must be a participant in finding the answers for their assignment. Students who willingly email, text, or provide their work to another student to use will also be held responsible for their part in the infraction.

Virtual & Distance Learning /Online Scored Assignments and Assessments

When a virtual / distance learning assignment is scored, we expect the work to be the student's alone so that the score is meaningful. Scored assignments and assessments are important because they give us information about student progress and the effectiveness of instruction. All scored assignments and assessments are to be the student's original work.

To ensure integrity, unit tests and exams will be proctored to protect the integrity and test confidentiality.

Students will:

- complete assignments and/or assessments alone;
- not copy or redistribute any part of the assignments and/or assessments in any way – electronically, verbally, or on paper;
- take the assessments without any aids – meaning you may not use textbooks, references, or other materials (printed or electronic) – unless your teacher or the specific assessment otherwise instructs you to;

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- be allowed to use their notes to take quizzes, tests, and exams (no screenshots or previous quizzes/tests);
- not log in to a second course or open course-related materials on another browser on another computer;
- not confer with others (students, family members, teachers, or acquaintances) either in person or through electronic communication, during assessments.
- not give or receive help or assistance while working on quizzes, tests, exams, or graded assignments.

Virtual/Online Assessments & Assignments: Invalid or Indiscrepancies resulting in violations:

- All academic support is prohibited during the testing session, including aiding or guidance of parents or adults and or use of an external device.
- The test will be recorded by the test proctor to maintain the integrity of the test
- Families are prohibited from recording the test to maintain the security and integrity of the test.
- Receiving any assistance to the student.
- Test proctors will not be allowed to discuss testing observations or outcomes during the testing session.
- The school reserves the right to deem the test invalid, (without consideration for retesting) for reasons including but not limited
 - to parental or other academic support, interference, general discrepancies, use of non-approved aids, recording, photos, etc.
 - and other unacceptable matters as determined by the school.

Depending upon the seriousness of the academic integrity infraction, the teacher may choose from the following consequences on a case-by-case basis.

Virtual Assessments Disciplinary Action (All students):

- The student will redo the task (if feasible and reasonable) for a maximum earned grade of 70 or Needs Improvement, if graded.

Disciplinary Action (Non-virtual assessment)

1st through 2nd Grade

- First Incident:
 - The student will receive a formal written Disciplinary Notice including detention
 - The student will redo (if feasible and reasonable) the task for a maximum earned a grade of 70 or Needs Improvement.
- Second incident:
 - The student will receive a formal written Disciplinary Notice including detention
 - The student will not be granted a redo and will receive a grade of zero for the assignment.
- Third incident:

- The student will receive a formal written Disciplinary Notice to include a one-day suspension.
- The student will not be granted a redo and will receive a grade of zero for the assignment.
- A Parent-School meeting will be held to discuss the cause and the student's academic status.

3rd through 5th Grade:

- First Incident:
 - The student will receive a formal written Disciplinary Notice including detention
 - The student will redo (if feasible and reasonable) the task for a maximum earned grade of 70.
- Second incident:
 - The student will receive a formal written Disciplinary Notice to include a day of suspension
 - The student will not be granted a redo and will receive a grade of zero for the assignment.
- Third incident:
 - The student will receive a formal written Disciplinary Notice to include a two-day suspension
 - The student will not be granted a redo and will receive a grade of zero for the assignment.
 - The student will serve a full month of probation after receiving the honor of a school leadership position, including Titan, Student Council, Peer Mediation, and other representatives of the school, etc.
 - A Parent-School meeting will be held to discuss the cause and student's academic status, and further disciplinary actions.

DISCIPLINE & GENERAL STANDARDS OVERVIEW

(Refer to Early Childhood Section for additional standards)

Non-re-enrollment

If no measurable improvement occurs after the Disciplinary Consequences have been implemented and the student remains enrolled for the duration of the school year, the student's discipline/behavior record may be a determining factor to not offer or extend the invitation for re-enrollment for future years. Re-enrollment privileges are not automatically extended to students with ongoing or progressive disciplinary infractions. Full cooperation of the parent is expected in any Disciplinary Consequence.

Absences

Refer to the Absence section of the Parent-Student Handbook regarding excessive absences.

Bullying

Bullying (as defined by the state of Texas Education Code)

(A) means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that satisfies the applicability requirements, and that:

- (i) has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;
- (ii) is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
- (iii) materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
- (iv) infringes on the rights of the victim at school; and

B) includes cyberbullying.

Bullying includes the egregious one-time or repeated aggressive behavior to intentionally hurt another, negative and aggressive behavior, whether by a single incident or multiple incidents, directed at a student by one or more other students, and in which there is a real or perceived imbalance of power. An imbalance of power can result from multiple factors, including but not limited to physical strength, popularity, access to embarrassing information, or because the bully is not acting alone. Bullying can include face-to-face or through other forms of verbal, written, or online communications, and includes, but is not limited to the following actions:

- Verbal refers to threatening, taunting, teasing, or ridiculing a student by saying (verbal or nonverbal) mean and derogatory things, such as calling her hurtful names
- Physical refers to hitting, kicking, shoving, pushing, restraining, or making obscene gestures to another student or destroying or damaging another's property

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- Relational/Social refers to gossiping, spreading or starting rumors, defaming, rejecting, and encouraging others not to be someone's friend or to bully another person, harming one's group acceptance by excluding them from a school group or activity.

It is important for each student to report any bullying or threats to the nearest teacher or either the Principal and/or School Counselor, and/or Dean of Students as soon as possible so school officials may take appropriate action.

Cyberbullying (Refer to The Responsible Use Guidelines For Technology Agreement)

Cyberbullying (as defined by the state of Texas Education Code) means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

- (1) bullying that occurs on or is delivered to school property or the site of a school-sponsored or school-related activity on or off school property;
- (2) bullying that occurs on a publicly or privately owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
- (3) cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
 - (A) interferes with a student's educational opportunities; or
 - (B) substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity.

Cyber-bullying includes, but is not limited to:

- Sending or posting threatening, obscene, profane, embarrassing, inflammatory
- Disrespectful messages, pictures, or videos to or about a student
- Impersonating another student online or misrepresenting one's identity to another
- Posting false or defamatory information about a student
- Making a personal attack against a student

Cyberbullying often occurs through various social media outlets when students are not in school. As a general rule, the school does not monitor how social media outlets or personal electronic devices are used by students in communicating with or about other students. This responsibility falls on the parents of children enrolled at the school to immediately report such behavior to the Principal and/or School Counselor, and/or Dean of Students. While the school discusses proper social media usage with its students, the parent is in the best position to educate and influence their children about the proper use of social media.

If cyber-bullying occurs outside of school by a student or over social media or similar outlets and is reported to the Counselor and/or Dean of Students the parent may be called in to discuss the issue, and students may be subject to Disciplinary Consequences.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Students who are bullied, cyberbullied, or harassed, and students who are aware of or witness, such as bystanders, should report the behavior to a trusted teacher, the Counselor, and/or Dean of Students as soon as possible so that it can be addressed. A parent who believes their child has been the target of bullying shall report the offense to the Counselor and/or Dean of Students and or Principal.

The school will not tolerate bullying, which includes cyber-bullying, or harassment. The school will not tolerate retaliation against an individual who in good faith reports bullying or provides information during an investigation into reported bullying.

Detention - School Discipline / Behavioral

Detention - School Discipline / Behavior refers to matters related to discipline, not academics (Refer to Academic Detention section). Discipline / Behavior Detention will be served on the dates and times established by the Dean of Students. The number of school year Discipline / Behavior detentions will not exceed three (3) and maybe a determining factor in not offering or extending the invitation for re-enrollment for future years.

Discipline / Behavioral Detention is not In-School Suspension (ISS). The school does not offer ISS.

Detentions are neither non-negotiable nor appealable.

Expulsion

Refer to Withdrawal/Expulsion section for process and Disciplinary Consequences.

Harmony Relationship due to Discipline / Behavior

Per the Parent Responsibility Agreement & Harmony/Communication Policy a positive working relationship between the school and parent is a key component to the student's success. The school reserves the right not to reenroll a student if the school concludes that violations of the Parent Responsibility Agreement & Harmony/Communication Policy have occurred. Additionally, a family can be withdrawn due to non-compliance with the Parent Responsibility Agreement and Harmony/Communication Policies.

Harassment

Harassment (as defined by the state of Texas Education Code) means threatening to cause harm or bodily injury to another student, engaging in sexually intimidating [or suggestive] conduct, causing physical damage to the property of another student, subjecting another student to physical confinement or restraint, or maliciously taking any action that substantially harms another student's physical or emotional health or safety.

Conduct so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Any student who believes he/she has been subjected to harassment or who has witnessed harassment must immediately report the incident to either the Principal and/or School Counselor, and/or Dean of Students.

It is important for each student to report any harassment or threats to the nearest teacher or either the Principal and/or School Counselor, and/or Dean of Students as soon as possible so school officials may take appropriate action.

If you have concerns about harassment, meet with the Principal to express your concerns.

Hit List

Hit List (as defined by the state of Texas Education Code) means a list of people targeted to be harmed, using:

- (A) a firearm;
- (B) a knife; or
- (C) any other object [or physical body] to be used with intent to cause bodily harm.

Law Enforcement or Governing Agency

Actions required by local, state, or federal law to be reported to the governing agencies will occur when applicable or as required.

Lying

Lying is the communication, whether by expression or omission, of an untruth made with the intent to mislead. Lying may take the form of verbal, electronic, or written form. Lying also includes, but is not limited to, forgery, the use of false identifications, or spreading unsubstantiated slanderous rumors about others.

Physical Restraint

Authorized school personnel may, within the scope of the employee's duties, use and apply physical restraint to a student when it is reasonably believed to be necessary to: protect a person from injury, obtain possession of a weapon or dangerous object, protect property from serious damage, restrain an irrational student, remove a student from a specific location to restore order or to impose disciplinary measures.

Removal from an Educational Setting

Any school member may remove a student from class or educational setting for egregious behavior that violates school policies to maintain a safe, respectful environment for learning. This is not an In-School Suspension. The student may be removed from the educational setting and placed in a safe, secure supervised area as deemed appropriate.

Depending on the incident and the frequency and history of the student's behavior may determine if parents are notified. Every incident of a student being removed from an educational setting will warrant contacting the parent.

School personnel shall implement appropriate Disciplinary Consequences that can reasonably be expected to improve the student's behavior before returning the student to the educational setting. If the student's behavior does not improve, school personnel shall employ alternative Disciplinary Consequences. If improvement is not made, the parent will be notified and additional Disciplinary Consequences will follow.

The following conditions (not an exhaustive listing) may be cause for removal from the classroom or other educational setting:

- A single behavioral incident that egregiously disrupts learning in the classroom or educational setting.
- The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach the class or hindering other students' ability to engage in learning.
- The student engages in behavior that could result in expulsion.

Out of School Suspension or removal from an educational setting is a disciplinary consequence, the parent is required to formally meet with the Counselor, Division Leader, and/or Dean of Students before the student returns to school. Failure of the parent to formally meet with the Counselor, Division Leader, and/or Dean of Students before returning the student to school may result in further disciplinary consequences.

During a student's removal from the educational setting, class work including quizzes, tests, or assignments missed or homework assignments missed may result in a grade of zero. All academic matters missed are at the discretion of each teacher. Refer to the Homework and Class Works section

Retaliation

Retaliation is subject to the definition of governing state and federal authorities. It may include any revenge, intimidation, classwork, or negative action directed against an individual who reports harassment, bullying (cyber-bullying), or school violations or provides information during an investigation.

Under no circumstances will any student who in good faith reports alleged incidents or who cooperates in an investigation of any such behavior be subjected to any form of retaliation on account of having made such a report or cooperated in such investigation. Retaliation of a student might occur when a student receives threats from another student.

Any student who feels they are subjected to retaliation should report the retaliation to the teacher, the Principal, Counselor, Division Leader, and/or Dean of Students. The report may be made by the student's parents.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Any student who, after an investigation, is determined to have engaged in any form of bullying or retaliation in violation of this policy will be subject to appropriate Disciplinary Consequences, up to and including expulsion.

Searches & Inspections

Students, while at school and school-sponsored functions, are expected to have control over the contents of their belongings and will be held responsible for contraband or other inappropriate materials, including pornography or sexually inappropriate material, in their possession, whether on electronic devices, on their person, or in their lockers, purses, desks, book bags, backpacks, or the places where their belongings are kept.

School administrators and authorized personnel have the right to perform unannounced searches of every student and their belongings, including a student's laptop or other electronic devices, pockets, lockers, desks, purses, gym bags, book bags, backpacks, or other places where a student's belongings may be kept, and to confiscate contraband or other inappropriate materials.

All searches or inspections of a person conducted will be conducted in a manner that is respectful of the age and maturity of the student and that protects the student's dignity to the extent possible under the circumstances while balancing the need for the protection of the rights and safety of the community as a whole. A student's parent will be notified of any personal searches within a reasonable time under the circumstances.

Contraband confiscated in searches shall not be returned to students and when appropriate as required by law will be reported to govern authorities. A student possessing contraband may be subject to disciplinary consequences up to and including expulsion. Failure of a student or parent to comply with a request to search the student's person or belongings will result in disciplinary consequences up to and including expulsion.

Suspension

Suspension is the temporary exclusion of a student from being on the school campus and related school activities for disciplinary reasons or Out of School Suspension (OSS). In-School Suspension (ISS) is not offered, therefore, is not an option.

Suspension from the school will be the decision of the Counselor, Division Leader, and/or Dean of Students and may or may not include consideration from the DRT. Suspension may be for one or more full school business days for a period not to exceed three (3) consecutive school business days.

Suspensions will not exceed three (3) per school year. Beyond three (3) school suspensions per school year may be a determining factor to not offer or extend the invitation for re-enrollment for future years.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Suspension Notification:

The parent will be contacted via telephone and or email. The parent is required to pick up the student immediately within one (1) hour or less of the school's contact with the parent. Failure to pick up the student within one (1) hour will result in the student's suspension being extended an hour for every hour the parent/or authorized representative fails to pick up the student from the time the school contacts the parent.

Students suspended afternoon will be immediately dismissed that day and through the duration of the next school day as well.

In the Disciplinary Notice, the parent will be notified of the student's reason for the suspension and the requirements, if any, for reinstatement, which is to be determined by the Counselor, Division Leader, and/or Dean of Students. Students who have been imputed a suspension may be required to have a reinstatement meeting with the Division Leader and Dean of Students and their parents before the student is returned to school.

During the suspension, the student will not be allowed to participate in any school or community center activity, or community center athletic function, whether on-campus or off-campus, without the written permission of the Counselor, Division Leader, and/or Dean of Students. The student will lose the privilege of being a Titan or representing the school in any other school event, or leadership roles for the month suspended or the next month, whichever is greater in duration, or be removed from the position as determined by the Dean of Students and may or may not include consideration from the DRT.

During the suspension, making up tests, quizzes, assessments, and projects are at the sole discretion of each assigning teacher. It is the sole responsibility of the Middle School Prep (4th & 5th grade) student to obtain, complete, and turn in all homework and classwork missed when permitted by the assigning teacher. Refer to the Homework and Classwork section

Suspensions are unexcused absences.

Suspensions are neither non-negotiable nor appealable. Any concerns regarding the suspension may be presented to the Principal.

Telephone Use

Students may use the classroom teacher's classroom phone for emergency calls only. Students cannot be called out of class to accept calls. Students may not use cell phones or electronic communication devices (ECD) at school. The School strongly recommends that students NOT bring their cell phones to school. If a student elects to bring a cell phone to school, the device must remain turned off and in the student's backpack. Setting the cell phone or ECD to vibrate, no ring, or special high octave ring tones are not a substitute for having the device turned off. The time between classes or study halls is no exception to the rules.

If a phone is discovered to be on the student's person, on the student's desk, or turned on during prohibited hours it will be confiscated, turned into the principal, and placed in a sealed envelope

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

until the end of the day. Only the student's parent can get the cell phone released from the principal. School key stakeholders reserve the right to inspect the contents of the phone if confiscated.

A second offense will result in the student not being allowed to bring the cell phone back to school. The School shall not assume any responsibility for theft, loss, or damage of a cell phone or ECD, or unauthorized calls made on a cell phone, at the school, or any school-sanctioned activity (e.g., athletic events, Before School Care, After School Care, school-wide events, and performances).

Recording (audio or video) or photographing another person without their expressed permission.

Unless otherwise specifically specified, cell phones and related devices are not allowed on school trips.

Vandalism

is subject to the definition of governing state and federal authorities. Vandalism or Destruction of Property may include littering, defacing, or damaging school property or the property of others. The parent or the student's financially responsible persons will be required to pay for damages. The student will be subject to Disciplinary Consequences. When appropriate, the incident (s) may be reported to law enforcement.

The school's policy is to incorporate withdrawal and expulsion for certain discipline behaviors regardless of age or grade. The school reserves the right to recommend immediate withdrawal or impute expulsion to any student who, for any reason, on or off-campus including without limitation;

- behavior or infraction is considered to be egregiously detrimental and damaging to others,
- violates the school's mission statement, statement of values, or core values,
- engages in Infractions/Incidents of Type C and Type D behavior,
- behavior has become progressively unacceptable and uncorrectable,
- fails to consistently adhere to the school's rules and regulations or academic or behavior support recommendations,
- lacks ongoing harmonious relationship between the parent and the school, or
- fails to support and comply with the school's recommendations for professional support services, and academic and behavior strategies.

Withdrawal or Expulsion Process

When a student is being recommended for withdrawal or imputing expulsion, the Counselor, Division Leader, and/or Dean of Students, with support from the DRT, will investigate the findings. While investigating, the student may be placed in Out of School Suspension (OSS).

The investigation may include consulting with professionals that are providing support to the student; to include, including but not limited to student support service providers, the student's mental health providers, and/or other knowledgeable school personnel or other care providers.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Upon completion of the investigation, the Principal will schedule a disciplinary conference with the parent within three (3) school business days (when practical) of the infraction. The parent will be notified in writing of the day and time of the disciplinary conference. A written expulsion report containing reasons for expulsion will be given to the parent at the disciplinary conference. The written report to parents will contain the information regarding the process of appeal for expulsion.

When a student is expelled or withdraws, the parent or person(s) financially responsible for the student's school-related financial commitments/expenses will be obligated to pay all expenses (without exception) within the designated school policy period. Failure to comply with the financial commitments will be reflected as an unpaid balance failing to obtain school records and other penalties outlined in the Parent Contract and Tuition-Payment/Financial sections.

Withdrawal during Expulsion Process

When a student has been imputed expulsion and the parent request student is withdrawn from the school before the expulsion takes place, the school may enter an intent to expel letter/notation into the student's permanent records and on the student's Cumulative "Cum" Card.

Appeal of Expulsion

Expulsions are the only appealable Disciplinary Consequence. The parent may submit a request to appeal the expulsion to the Principal. It is the sole discretion of the Principal whether expulsions can be appealed for review by Perot Family Headmaster.

Expulsion shall not be deferred pending the outcome of an appeal hearing, thus a student may not return to school during the appeal process.

This appeal process is as follows

- Within three (3) school business days of a student being expelled, the parent must submit a written appeal to the Principal requesting a review by the Perot Family Headmaster.
- Within three (3) school business days from receipt of the written appeal, the Principal will submit a written notice of receipt of the parent's request to appeal.
- A final response to the request for appeal will be submitted by the Principal within five (5) school business days granting or denying the appeal

If the Principal denies the request there is no further appeal process and the Principal's decision is final. If the Principal grants the appeal request to the Perot Family Headmaster the Perot Family Headmaster's decision regarding the matter is final with no further appeal process.

DISCIPLINARY CONSEQUENCES-LS & MS PREP

(Related to 1st thru 5th Grade Students)

The Discipline policy is subject to revision for improvement.

In matters involving discipline, academics, or health, the school will only meet with parents.

This Disciplinary Consequence section governs 1st through 5th-grade students only. Disciplinary Consequence is a standard of penalties imputed for infractions or inappropriate behaviors. Disciplinary Consequences are not sequential; therefore, any Disciplinary Consequence may precede another. The School reserves the right to determine the appropriate Disciplinary Consequence (excluding those determined by governmental agencies). The School reserves the right to act according to the nature of the student's behavior and the severity of the offense (on a case-by-case basis) to impute Disciplinary Consequences that may result in reporting to governing agencies, when required by law, and or receive immediate suspension or expulsion at the discretion of the Counselor, Division Leader and/or Dean of Students.

Disciplinary Consequences may be assigned, depending on extenuating circumstances. A student may receive more than one Disciplinary Consequence. Consequences not listed may be determined by the reporting teacher or administrator or classroom rules.

The following list of Disciplinary Consequences is not all-inclusive and is not in sequential order:

- Loss of financial aid support due to ongoing discipline infractions and non-compliance to school policies.
- Verbal corrective feedback.
- Formal written disciplinary notice in the school's communication system.
- Documentation on student's classroom Behavior Chart (grade level appropriate).
- Removal from an Educational Setting (Refer to Discipline and General Standards Overview section)
- Restorative practices such as restitution, payment, or other action intended to repair damages or loss of property (at the financial expense of the parent or responsible parties).
- On-campus community service assignment (without earning community service hours); may include, but is not limited to, school beautification (indoor or outdoor) projects, campus betterment, teacher or administrative assistance support, or related task.
- Opportunity for describing, modeling, and practicing correct forms of appropriate behavior.
- Verbal or written apology of the student committing the infraction.
- Teacher and student conference.
- Parent-Teacher Discipline Conference may include the Counselor, Division Leader, and/or Dean of Students, and when deemed necessary may include the student.
- Not attending academic excursions (field trips), classroom functions, etc.
- Attending academic excursions (field trips), classroom functions, etc., with required attendance and direct supervision of a parent or approved caregiver.

- Suspension of student privileges or leadership positions.
- Modified Recess Time includes physical exercise or movement that will promote stress/tension release, allow for students to meditate on how to correct their inappropriate actions, and regain self-control during this time.
- Limited Class Time Out is the removal of a child for a short time from a situation in which the child is misbehaving and has not responded to other discipline techniques.
- Assigned to Detention due to discipline/behavior matters.
- Assigned to Detention due to academic matters.
- Grade change to reflect academic dishonesty.
- Confiscation of contraband or of items (including cell phones) that disrupt the educational process
- Development and compliance with a Behavior Improvement Plan (BIP).
- Parent to obtain and comply with professional parenting, mental health, or related support, as deemed appropriate and at the financial expense of the parent or responsible parties.
- Referral for a student to participate in and comply with on-campus (when available) or off-campus student support service; to include, but not limited to mental health, social skills, play therapy, etc., at the financial expense of the parent or responsible parties.
- Referral to an appropriate agency or program including mental, emotional, or related programs at the financial expense of the parent or responsible parties.
- Referral for a comprehensive educational psychological, psychosocial, emotional, or behavioral health assessment at the financial expense of the parent or responsible parties.
- Required participation in educational workshops on developing social skills, emotional health, and management, or replacement behaviors, etc., at the financial expense of the parent or responsible parties.

Expulsions are the only appealable Disciplinary Consequence.

DISCIPLINE CONDUCT TYPE A

(Related to 1st thru 5th Grade Students)

TYPE "A" CONSEQUENCES MAY INCLUDE ONE OR MORE				
Written Action	Detention	Suspension	Consequence determined by the DRT or faculty/staff. Refer to pages 108-109.	On 30-day probation: Not eligible to serve or participate in performances, and represent the School in events and activities, etc.

Infractions for behaviors in the Type A category are subject to Disciplinary Consequences outlined in this policy.

- Skipping class
- Tardiness (refer to Tardy Policy)
- Failure to comply consistently with homework, classwork, and related academic standards
- Littering
- Gambling
- Minor disrespect to students or staff members
- Failure to follow directions, share, or respond to school personnel requests
- Prohibiting others from participating in an activity
- Minor class disruption
- Non-productive behavior for academic progress
- Minor aggressive behavior (e.g. pushing and shoving in line)
- Failing to be in one's assigned place on school premises
- Riding the elevator without permission
- Repeated annoying behavior or negative or vulgar gestures
- Lying to get oneself out of trouble
- Lying
- Academic Integrity (refer to Academic Integrity section)
- Minor violation of school rules regarding technology use (refer to Technology policy)
- Using school computers, telephones, or other electronic equipment or devices without appropriate permission
- Misuse of technology (i.e. inappropriate use of computers, "smartwatches"). School key stakeholders reserve the right to inspect the contents of the phone if confiscated.
- Use of cell phone or personal device during the school day including Before School Care and After School Care and supervised School-wide events or programs. Phones will be confiscated along with additional consequences (refer to telephone use policy).
- Engaging in non-school-related computer games during school hours including Before School Care and After School Care and supervised School-wide events or programs.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- Laptops should not be used as text messaging devices. Students should not text/message other students or family members during class hours.
- Uniform Dress Code Violations: Students who come to school improperly dressed will be sent to the Admissions Office. The Admissions Office will issue a Dress Code Violation, as follows:
 - The 1st offense will be issued a Dress Code Violation as a warning
 - The 2nd dress code violation will result in the student being sent to the Admissions Office and parents being contacted to bring the proper clothing to school.
 - The 3rd dress code violation will require the student to be picked up by the parent/guardian and taken home for the remainder of the day.

DISCIPLINE CONDUCT TYPE B

(Related to 1st thru 5th Grade Students)

TYPE "B" CONSEQUENCES MAY INCLUDE ONE OR MORE					
Written Action	Detention	Suspension	Ineligible for Re-enrollment	Consequence determined by the DRT or faculty/staff. Refer to pages 108-109.	On 60-day probation (or school year removal) from receiving the honor of a school leadership position, including Titan, Student Council, Peer Mediation, performances, and other representatives of the school, etc

- Repetitive, ongoing Type A infractions/incidents
- Excessive tardiness (refer to Tardy Policy)
- Uniform violations-(refer to Admission and Uniform Standards) four or more, the student must be immediately picked up by parents and returned home
- Academic integrity violations (refer to Academic Integrity section)
- Failure to comply with homework, classwork, and related academic standards
- Attempted to cause damage to school property or private property
- Horseplay or roughhousing, reckless or unsafe behavior
- Rude, disrespectful, disruptive behavior
- Egregious tantrums/emotional outbursts
- Use of cell phone or personal device during the school day including Before School Care and After School Care and supervised School-wide events or programs (3rd offense) – Phones will be confiscated along with additional consequences (refer to telephone use policy).
- Recording (audio or video) or photographing another person without their expressed permission
- Repeated chronic behavior that creates an environment preventing teaching and learning
- The false activation of a fire alarm
- Lack of parent harmony
- Parent ongoing harmony or Parent Agreement violations
- Fails to support and comply with disciplinary consequences and/or policy
- Defiant, oppositional, rebellious conduct
- Failure to follow directions potentially leads to the disruption or harm of self or others
- Disruption of school activities
- Mutual fighting
- Fighting, intimidation, and/or violent behavior (Imputing disciplinary consequences for student acting in self-defense will be taken into consideration)
- Aggressive biting, intentional spitting, or placing body fluids on others
- Stealing
- Possession of stolen property

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- Committed an offensive or obscene act
- Engaging in habitual profanity and vulgarity
- Possessing or using tobacco, nicotine products, or nicotine delivery systems
- Failure to report school policy violations
- Pornography or sexually inappropriate material
- Intentionally inappropriately touching or fondling self or others
- Indecent exposing oneself
- Engaging in sexual behaviors/actions or suggestive sexual behaviors/actions
- Bullying and harassment as outlined in this policy or state standards
- Failure to comply with toilet training policy (subject to being withdrawn, refer to Toilet Training section)

DISCIPLINE CONDUCT TYPE C

(Related to 1st thru 5th Grade Students)

TYPE "C" CONSEQUENCES MAY INCLUDE ONE OR MORE					
Suspension	Consequence determined by the DRT or faculty/staff. Refer to pages 108-109.	Ineligible for Re-enrollment	Expulsion	Reported to Governing Agencies /Authorities	Removal from serving or ineligible to serve in a school leadership position, including Titan, Student Council, Peer Mediation, performances, and other representatives of the school, etc.

- Repetitive, ongoing, egregious Type A and or Type B infractions/incidents
- Repeated violations of the School/classroom rules
- Violation of School's Discipline & General Standards
- Uniform violations-(refer to Admission and Uniform Standards)
- Academic Integrity (refer to Academic Integrity section)
- Firesetting
- Causing a major disruption to the atmosphere of order and safety in the school
- Ongoing violations of cell phone or personal device use (after 3rd infraction)
- Causing damage to school property or private property
- Bullying
- Cyberbullying
- Hit List
- Harassment
- Possessed an imitation firearm or other weapon, including explosives
- Behavior that discredits St. Philip's School & Community Center or employees
- Caused, attempted to cause, or threatened to cause physical injury
- Egregious Sexual Misconduct or suggestive sexual behaviors/actions
- Behavior dangerous to students and staff potentially leading to disruption or the harm of self or others
- Aids or abets the infliction or attempted infliction of physical injury on another person
- Parent ongoing harmony or Parent Agreement violations
- Inappropriate Sexual Behaviors or suggestive sexual behaviors/actions with self or others
- Recording (audio or video) or photographing another person without their expressed permission

DISCIPLINE CONDUCT TYPE D

(Related to 1st thru 5th Grade Students)

TYPE "D" CONSEQUENCES MAY INCLUDE ONE OR MORE					
Suspension	Consequence determined by the DRT or faculty/staff. Refer to pages 108-109.	Ineligible for Re-enrollment	Expulsion	Reported to Governing Agencies /Authorities	Removal from serving or ineligible to serve in a school leadership position, including Titan, Student Council, Peer Mediation, performances, and other representatives of the school, etc.

Infractions for behaviors in this category are subject to Disciplinary Consequences outlined in this policy up to and including immediate expulsion and reporting to governing authorities.

- Repetitive, ongoing, egregious Type A or Type B and or Type C infractions/incidents
- Repeated violations of the School/classroom rules
- Violation of School's Discipline & General Standards
- Willfully used force or violence upon the person of another, except in self-defense
- Caused serious physical injury to another person, except in self-defense
- Caused, attempted to cause, threatened to cause, or participated in an act of hate violence
- Committed or attempted to commit a criminal act, including firearms or explosive devices, substance, assault, controlled substances
- Severe or pervasive physical, verbal, or written act(s) (bullying) directed toward one or more students or school personnel including using an electronic device or means
- Use of firearm or weapons or explosives
- Possessed, sold, or otherwise furnished any knife, explosive, gun, weapon, or other dangerous objects
- Unlawfully possessed, offered, arranged, or negotiated to sell or deliver, or sold, furnished, used, or under the influence of an alcoholic beverage or intoxicant or controlled substance
- Unlawfully possessed, offered, arranged, or negotiated to sell any drug paraphernalia, drug illegal or illegal
- Unlawfully possessed, took, administered, or under the influence of any controlled substance
- Made terrorist threats against school officials or school property or others or both
- Theft or burglary
- Sexual acts (criminal or not)
- Assault or battery on any school employee or student or adult
- Repeated violation of school's Discipline policy

DISCIPLINE POLICY: EARLY CHILDHOOD (EC)

PK2 THRU KINDERGARTEN

(For more information, refer to the School General Disciplinary Policy section)

The Early Childhood Discipline policy is subject to revision for improvement.

Discipline policies and procedures for the Early Childhood (EC) Division are an extension of the General School Disciplinary Policy (refer to that section). For purposes of the EC Division, Discipline Policy pertains to Pk2 through Kindergarten students.

In EC, student recognition is daily and weekly for academic achievements, behavior accomplishments, and social relationship attainments. Each grade has an established reward and behavior monitoring system. Behavioral expectations vary per grade following the child's developmental stages. Regardless of age or grade, ongoing disruptive behavior, habitual misconduct, or continuous non-compliance to rules and regulations of the School, a student will be subject to disciplinary action.

In matters involving discipline, academics, or health, the School will only meet with the parents.

EC Behavior System

Each EC grade level will establish positive incentives and discipline consequence behavior systems. The EC behavior system serves to

- incorporate good social-emotional learning (SEL) teaching practices,
- effective classroom management strategies,
- encourage social-emotional wellness,
- development of social skills,
- provide positive and proactive parent-teacher communication,
- hold students accountable and responsible for their actions,
- reinforcement of constructive actions, and
- eliminate undesirable behaviors.

Components of the Behavior System are

- (a) Individual Behavior, and
- (b) Classroom Behavior.

The guidelines of the Behavior System will be shared with parents during the beginning of the year class orientation and reviewed during the Parent-Teacher Report Card Conferences.

Individual Behavior

Each Early Childhood student will have an individualized behavior system to monitor and report the student's behavior successes.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Classroom Behavior

Each EC class will have a classroom behavior system that is an immediate visual monitor of the class and individual's successes and behaviors that warrant correction. Administration and procedures for classroom behavior charts are at the discretion of each classroom teacher. The class guidelines may be based on the percentage of highest and lowest performance-based factors on the behavior system. The classroom behavior system is to

- establish clear expectations,
- offer immediate feedback,
- transform unacceptable actions into acceptable
- acknowledge and reward the positives,
- serve as daily, weekly, and monthly behavior status reports,
- encourage students to excel, and
- monitor their behavior success.

Recording & Reporting

Guidelines for recording and reporting behavior are outlined in the general school Discipline Policy. Additionally, for EC, reporting to parents can include, but is not limited to,

- a phone call,
- student class communication system,
- student behavior chart,
- class Week at a Glance (WAAG) report, and or
- written communication through FACTS, the school's communication system.

Disciplinary Consequences For Early Childhood

Understanding that discipline as a "teachable moment" is fundamental to a positive approach to discipline for the early childhood student. In EC, progressive discipline uses incremental interventions to address ongoing inappropriate behavior. Essential to the implementation of progressive discipline is helping students who have engaged in unacceptable behavior to:

- understand why the behavior is unacceptable and the harm it has caused;
- understand what they could have done differently in the same situation;
- take responsibility for their actions;
- be allowed to learn pro-social strategies and skills to use in the future; and
- understand the progression of more stringent consequences if the behavior reoccurs.

DISCIPLINE CONSEQUENCES: EARLY CHILDHOOD (EC)

The following infractions will be addressed through progressive formal disciplinary consequences, when appropriate and practical. Although consequences seek to be progressive, consequences are not sequential; therefore, any disciplinary consequence may precede another, when warranted based on disciplinary factors. Disciplinary consequences are not limited to those listed in this section. The school reserves the right to determine the disciplinary consequence to be enforced.

The EC infractions by levels and Disciplinary Consequences by levels are not all-inclusive. Other Disciplinary Consequences may be assigned, depending on extenuating circumstances. An early childhood student may receive more than one Disciplinary Consequence for a single incident.

More severe accountability and discipline measures will be imposed on those students who engage in a pattern of persistent misconduct or egregious behaviors. Some one-time behavior incidents reviewed by the EC Division Leader and the teacher and other key school faculty members may warrant referral for specific social, emotional, behavioral support, or immediate suspension, or in some cases expulsion or recommendation for withdrawal.

More severe accountability and discipline measures will be imposed on those students who engage in a pattern of persistent misconduct. Some one-time behavior incidents reviewed by the EC Division Leader, the teacher, and other essential faculty members may warrant immediate suspension and, in some cases, immediate withdrawal.

All other provisions of the school's Discipline Policy apply to EC, where applicable and when practical.

The following section applies to the EC division only. An early childhood student may receive more than one Disciplinary Consequence for a single incident.

Uniform Dress Code Violations: Students who come to school improperly dressed will be sent to the Admissions Office. The Admissions Office will issue a Dress Code Violation, as follows:

- The 1st offense will be issued a Dress Code Violation as a warning
- The 2nd dress code violation will result in the student being sent to the Admissions Office and parents being contacted to bring the proper clothing to school.
- The 3rd dress code violation will require the student to be picked up by the parent/guardian and taken home for the remainder of the day.

Early Childhood <u>TYPE A Infractions</u>	Early Childhood <u>TYPE A Consequences,</u>

TOILET (POTTY) TRAINED POLICY

In compliance with governing agency, the health and safety of the student body demand that by the age a child is eligible to attend St. Philip's School & Community Center they are required to be completely toilet trained. It is the requirement that all students be independently toilet trained upon the start of the school year. Upon admission to St. Philip's, all students must be independent in taking care of all their bathroom needs, including changing clothes independently.

Students not meeting this requirement at the beginning of the school year enrollment will be rescinded and admission will be reevaluated for the following school year. Upon the completion of your enrollment contract, all tuition paid will be non-refundable. This policy relates to the entire school day (including Before School Care and After School Care) for continued enrollment through the school year.

Specifically stated:

- Students must be able to independently recognize the need to use the toilet, and get to the toilet on time without having an "accident" or incident.
- The school does not and will not aid in toilet training. Students must be able to get on and off the toilet without assistance.
- Students must be able to use the toilet provided by the school without the help of a potty/toilet chair or training seat.
- Students must wear traditional underwear to school, not pull-ups or other absorbent undergarments.
- Students must be able to put undergarments up and down on their own.
- Students must handle their hygiene needs independently, including managing their clothing, toileting, remarkable cleanup, and washing hands.
- School personnel will not handle a student's bodily waste or changing of clothes.

Reporting Protocol:

If a student violates this policy, the following protocol will occur:

- The teacher will notify the Early Childhood Division Leader. The teacher will document the incident and the school's behavior incident FACTS/Renweb system. The Early Childhood Division Leader will have a formal meeting with the parents.
- The Afterschool Care staff will notify the ASC Coordinator. The ASC Coordinator will document the incident and the school's behavior incident FACTS/Renweb system. The ASC Coordinator will have a formal meeting with the parents.

Cleanup Actions:

- Parents must reply within one hour of contact to take immediate action to ensure their child is clean and the area is on the matter
- School & ASC staff will direct the student to independently clean up the area and their body, and change into clean clothes.
 - The parents are responsible for ensuring the student always has a full set of clothing including the school's uniform available in the classroom.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- The student will place their soiled clothing items in a plastic container/bag to return home.
- If the student cannot independently clean and change into clean clothes.
 - If the parent will be contacted and is required to come and change the student or pick the student up from school. In consideration of safety and hygiene, parents or their approved representative (listed in the FACTS/Renweb system) must come to the school immediately within one hour of the school's call or contact.

Assessment and Enforcement

We do understand that young students may have toilet “accidents”; however, after evaluating the circumstances, ongoing incidents are not “accidents” and thus not acceptable. Any health condition or emotional matter (whether diagnosed or not) that may be a contributing factor should be addressed with the child's health care provider.

- After the first incident: The Early Childhood Division Leader, homeroom teacher, (and Afterschool personnel, if warranted), and the parent will have a required meeting the day of or the next scheduled school business day. The outcome of the meeting is to:
 - assess and identify any school factors that may be contributing to the incident,
 - discuss the student's readiness for school and determine if the student may continue enrollment for the remainder of the school year,
 - develop an action plan for the family to implement for the child to ensure no further potty incidents occur at school, and
 - serve as a formal notice that future incidents will result in the student's withdrawal from enrollment until the child has been completely trained.
- After the second incident: A required meeting with the school other essential faculty members and the parent will review the circumstances and or move forward with withdrawing the student from enrollment at the school. With the student's withdrawal, financial commitments must be fulfilled in compliance with parent agreements and enrollment policies.

Same school year consideration for being accepted for enrollment is contingent on the child being completely trained, class availability, family's compliance with school policies, financial commitments, and other matters identified by the School.

OPERATIONS & SAFETY

(Policies subject to changes during construction and COVID Protocols)

Security and safety are paramount for the School and require all to support measures to ensure safety and security. Everyone regardless of position, tenure, responsibility, or recognition must support these provisions. The School appreciates your patience and understanding as appropriate measures are taken to maintain safety and security for all.

Building / Facility Operations oversees and coordinates all operational, crisis, and safety matters. Related policies are subject to change and can be obtained from Building / Facility Operations.

The following standards are subject to change as operational and safety measures are improved or developed.

Crisis Action Plans/Emergency Operations Plans

These Plans are written with the explicit intent to protect and sustain life, reduce emotional trauma, assist in emotional recovery from trauma, and minimize personal injury and damage to the school. The Plans are designed to assist teachers and staff in preparing for emergencies, managing response efforts, maintaining a safe school environment, and restoring the learning and teaching environment after a crisis. Designated school personnel are identified to be the School's First Responders.

Fire Drills/Emergency/Evacuation Drills

Fire drills are held per the City of Dallas Fire Codes and related governing agencies. Absolute cooperation in abiding by the rules set forth by faculty and staff is expected. Silence, order, and speed are of the utmost importance in any emergency evacuation. Designated school personnel will give direction to students and visitors in the school buildings.

Pest Management Plan

The School is required to follow integrated pest management (IPM) procedures to control pests on school grounds. Although the School strives to use the safest and most effective methods to manage pests, including a variety of non-chemical control measures, pesticide use is sometimes necessary to maintain adequate pest control and ensure a safe, pest-free school environment. All pesticides used are registered for their intended use by the U.S. Environmental Protection Agency and the Texas Department of Agriculture and are applied only by certified pesticide applicators. Before indoor applications, signs will be posted 48 hours in advance of the treatment. In the event of biting or stinging insects, an emergency treatment waiver will be authorized. All outdoor application signage and a notice of application signed by Facility Operations will be posted at the time of treatment.

Meeting Room Requests

If parents anticipate requesting the use of school meeting rooms, a room request form must be completed and forwarded to Facility Operations or the Chief Experience Officer. All requests must be submitted at least two weeks in advance before the planned event. Please note that submission

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

of a room request does not guarantee the use of a specific room. Rooms may not be requested for birthday parties or events during the school day.

Building Access (subject to changes during construction)

The School is an access-controlled campus, with the doors kept electronically locked. The only entrance in the building is the Life Center, front main entrance doors (located on the access road facing I-45). During the designated period in the morning, the Snyder Gym doors will be used for morning arrival from 6:30 a.m. to 8:15 a.m.

Only exit and enter at the proper designated entrance and exit doors at all times.

Morning Access

Before school, the front main entry school building door will be closed for access and will not be opened until approximately 8:15 a.m., or a designated time approved by the school administration for safety and security purposes. Refer to the Parking section for more.

Parking Lot (Refer to the Parking Lot section)

ALL drivers must adhere to the carpool drop-off, pick-up, and parking guidelines, including designated parking spaces, speed limits, and driving directions. Failure to do so will result in a parent agreement harmony violation notice to the parent. Refer to the Carpool section for more details.

Entering and Exiting Building

Parents, students, and visitors enter and exit through the Life Center front main entrance doors ONLY (located on the I-45 access road) during the school day. Only school personnel and authorized persons may enter and exit through other school doors. All other school doors should not be used for entering and exiting with children unless they are under the direct supervision of school personnel, whether it is an emergency, emergency drill, or for a time approved by school personnel (such as before school care enters through the Snyder gym).

Non-school personnel should not open the doors or allow anyone to enter the buildings through any door without the direct approval of school personnel. Ongoing violators are subject to receiving a Violation Notice.

Check-In & ID Badges

Building entrance and access policies are subject to change at any time, without prior notice.

Every parent or visitor entering the building must check in at the receptionist's office or Welcome Center regardless of the number of times entered throughout the day.

A parent or visitor must not proceed throughout the building unless authorized by the front reception or Welcome Center staff and wear a current school-issued ID badge during the visit. For parents, replacement badges may be subject to a replacement fee. For parents, ongoing violators are subject to receiving a Violation Notice.

Any adult observed on campus without an ID or visitor badge will be asked by any school employee to report to the Welcome Center immediately to obtain a badge.

All parents and visitors are expected to demonstrate the highest standards of courtesy and conduct. Disruptive or disharmonious behavior will not be permitted.

Visiting the School

This policy exists to ensure the safety of all of our students and may not be waived for any reason; however immediate modifications for security purposes can be changed without prior notice. School visits benefit both you and your student, and we encourage you to visit! Children enjoy having their parents visit during lunch, and you are most welcome to join us for the lunch period.

Please help us make visits as positive as possible by following these procedures:

- Make arrangements in advance with your child's teacher.
- For parent-teacher or related meetings, please schedule these meetings.
- Please do not have impromptu meetings in the hallway, during the transition, or during class time. Refer to School Organization Structure and Parent-Teacher Meeting sections.

Visits to individual classrooms during instructional time are permitted only with prior approval of the Division Leader or Principal's designee and classroom teacher.

Sign out at the front receptionist desk / Welcome Center before you leave the school grounds. If you pick up your child before the end of the school day, you are required to sign the student out in the Early Release Sign-out book located at the front receptionist desk.

Dismissal Access

In the afternoon, the school building will be closed for access to all persons (including parents and families) beginning at 3:00 p.m. to allow for dismissal and the end of the day transitions and does not reopen for access until 4:00 p.m. Only during direct supervised, extenuating circumstances/special events may entry be permitted. Persons in the building before 3:00 p.m. must remain under the supervision of school personnel. Refer to the Parking section for more.

People In the Building

For the safety and security of all, loitering, roaming, or congregating throughout the building is prohibited. Students must remain in designated areas as directed by school personnel. Students choosing to not remain in designated areas but are congregating or roaming throughout the School may be subject to disciplinary consequences.

Parents and visitors are encouraged to not congregate in areas that may hinder class instruction or general assemblies or support a disharmonious atmosphere. In the mornings, parents may go directly to the Worsham Chapel or the designated waiting area to wait for Chapel to begin. Parents are encouraged to not congregate in the Before School Care areas, wait in classrooms, in the

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

hallway, or around the reception front desk/ Welcome Center area. Visitor or Parent badges must be worn at all times while in the building.

Child-Care Center Minimum Standards

Matters about the Texas Department of Family and Protective Services' minimum standards for Child-Care Centers can be obtained from the School's Chief Experience Officer. These matters include licensing inspection reports, preventing, reporting, and responding to abuse and neglect of children. Texas Abuse and Neglect Hotline is <https://www.txabusehotline.org/>, 1-800-252-5400.

Under the Texas Penal Code, any area within 1000 feet of a child-care center is a gang-free zone, where criminal offenses related to organized criminal activity are subject to a harsher penalty.

Updated: 11/2018

CARPOOL

(Subject to change due to a pandemic or construction)

While in carpool, all policies remain in effect for all students and parents. Parents/guardians must remain in the car at all times.

Violations of Carpool Policy will be subject to receiving a Violation Notice. Ongoing violators will be subject to violating the Parent Responsibility Agreement & Harmony/Communication Policy.

CARPOOL & PARKING DO'S AND DON'TS

DO stay in your car to pick up and drop off your child in the carpool line. Parents should remain in the car at all times.

DO pull all the way to the front of the carpool line for children to enter or exit the car.

DO park across the street if your child is not ready to exit the car or needs additional support.

DO pay attention to your speed while driving through the parking lot and follow the directions given.

DO pick up your children on time. Adhere to the School's dismissal guidelines.

DO have your child organized and ready to exit the car quickly on the School building side of the car.

DO follow routes and all posted traffic signs. 10 mph or less is essential for pedestrians!

DO NOT park or let your children out of the car at the street curbside.

DO NOT move the safety traffic cones or signage to access parking spaces

DO NOT take shortcuts through the parking lot, cut through empty parking spaces, or SPEED around cars.

DO NOT use cell phones or any other distracting devices while driving in carpool. Cell phone use is strictly prohibited in the carpool line.

DO NOT arrive late!

DO NOT park in handicapped or designated restricted areas, if not eligible.

DO NOT park in the carpool line to walk your child into the building during morning and afternoon carpool.

DO NOT drop off or pick up your child until a Carpool Supervisor has reached your car.

DO NOT wait until the last minute to get your child organized, groomed, or ready to exit the car.

DO buckle your child in the proper safety seat.

DO watch out for the safety of all.

DO remain patient, polite, and Christ-like!

STUDENT AND PARENT DEVICE CONTRACT

St. Philip's School and Community Center is committed to preparing our students for the 21st-century global society. To that end, we are providing a Microsoft Surface Go 3 to students with the goals of:

- Increased opportunities for collaboration, communication, and creativity
- Increased student engagement in a personalized learning environment
- Increased use of technology to enhance teacher instruction
- Improved access to both teacher content and robust internet resources to foster the acquisition of knowledge and skills

Student Device Expectations and Guidelines

The use of school-supplied devices at St. Philip's School and Community Center (herein referred to as "SPSCC") is a privilege that comes with responsibility. Student Devices are assigned to students enrolled at SPSCC to enhance learning. Student Devices are to be returned as received, except for normal wear and tear as determined by SPSCC, after the school year, or when requested by any SPSCC official. SPSCC guidelines for Acceptable Use of Technology apply to all students and staff using Student Devices, regardless of location. Inappropriate use or neglect of a Student Device, sleeve, charger, the Internet, web-based tools, and/or any installed software could result in the loss of Student Device privileges and/or further consequences. Loss of privileges will not change classroom expectations and/or assignment completion.

Expectations for the Use of Student Devices -Technology and Acceptable Use Policy

Every student is responsible for the appropriate use of his or her Student Device no matter the location of the device. Remember, the device is at all times the property of SPSCC, not a student's personal device. The Student Device is to be used for educational purposes only.

- Chromebooks are to remain at school and are not to be taken home at this time.
- Consider your Student Device like a pile of cash. Students are responsible for keeping track of their Student Device and taking precautions to keep it safe. Make certain the device is stored properly in the appropriate slot in the charging station at the end of the day.
- Take every step possible to make sure that the device is safe and in working order. Make certain the device is carried properly and NEVER left unattended.
- The top four repair requests for Student Devices are cracked casing, cracked screens, frayed charger cables, and beverage spills on keyboards. To avoid these issues:

- Do not place anything on the keyboard before closing the lid (i.e. pen, pencil, disks).
 - Always carry the Student Devices by the attached handle, or within a provided case/cover.
 - Attach the power cord and/or USB devices carefully, slowly, and properly. NEVER yank or pull any device in a hurry or unsafely.
 - Do not eat or drink while using your Student Device.
 - If students notice that something is wrong with the device, they are expected to report to a teacher immediately.
- Students will not take photos or record videos of any persons unless they have the specific consent of a teacher and all persons in the photo or video.
 - Families will be financially responsible for the repair or replacement of stolen or abused hardware or materials. In addition, students will be subject to disciplinary action as determined by SPSCC officials.
 - Students should not carry Student Devices while the screen is open.
 - Student Devices must remain free of any writing, drawing, stickers, or labels that are not the property of the District. Students must keep their device clean and must not touch the screen with anything(e.g., finger, pen, pencil, etc.) other than approved computer screen cleaners.
 - Do not place books or other items on top of the device. Make sure nothing is between the screen and keyboard when the Student Device is shut closed.
 - Only use the device for school work. You must sign in to your school-issued Google education account. No other accounts (Google or otherwise) may be accessed on the school-issued Student Devices at any time.
 - Students should never share their account passwords with anyone outside of parents or an SPSCC administrator.
 - Web-based student accounts (Google Suite and all other web-based tools) are provided by the school and SPSCC reserves the right to archive, monitor, and/or review all use of its email system, and users should not have any expectation of privacy in any electronic message created, sent, or received on the “stphilips1600.org” email system.
 - All communication using email and comments on another’s work is expected to be business-professional. Students should maintain high integrity concerning e-mail content such as using appropriate language that is not abusive, offensive, or profane. Do not send mass emails, chain letters, or spam.
 - Students are not permitted to tamper with or delete any history of websites visited on their Student Devices. SPSCC reserves the right to perform periodic checks and/or reviews of Internet site visits.
 - Students are not permitted to remove the Student Device from the stphilips1600.org domain.

- Technology, including but not limited to the Student Device itself and any ancillary tools such as earbuds, are not to be shared among students.
- Students should not personalize their devices in any way. This includes backgrounds, name icons, decals, screensavers, and downloading any software, application, or shortcuts that have not been explicitly allowed by the teacher.
- Students are NOT to update Chrome OS without permission.
- Access to the Chrome Web Store is prohibited. Apps, therefore, cannot be added without permission.
- Students are required to follow all copyright laws around all media including text, images, programs, music, and video. Downloading, sharing, and posting online illegally obtained media is against the SPSCC policy.
- The use of the Student Devices will not breach the Technology and Acceptable Use Policy.

Digital Citizenship

Students must follow the following six conditions for being a good digital citizen:

- Respect Yourself. I will show respect for myself through my actions. I will select online names that are appropriate, I will consider the information and images that I post online. I will consider what personal information about my life, experiences, experimentation, or relationships I post. I will not be obscene.
- Protect Yourself. I will ensure that the information, images, and materials I post online will not put me at risk. I will not publish my personal details, contact details, or a schedule of my activities. I will report any attacks or inappropriate behavior directed at me. I will protect passwords, accounts, and resources.
- Respect Others. I will show respect to others. I will not use electronic mediums to antagonize, bully, harass, or stalk other people. I will show respect for other people in my choice of websites, I will not visit sites that are degrading, pornographic, racist, or inappropriate. I will not abuse my rights of access and I will not enter other people's private spaces or areas.
- Protect Others. I will protect others by reporting abuse, not forwarding inappropriate materials or communications; I will moderate unacceptable materials and conversations, and will not visit sites that are degrading, obscene, racist, or inappropriate.
- Respect Intellectual Property. I will request permission to use resources. I will suitably cite all use of websites, books, media, etc. I will acknowledge all primary sources. I will validate the information. I will use and abide by the fair use rules.
- Protect Intellectual Property. I will request to use the software and media others produce. I will use free and open-source alternatives rather than pirating software. I will purchase, license, and register all software. I will purchase my music and media,

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

and refrain from distributing these in a manner that violates their licenses. I will act with integrity.

Communication with Students

Per the administrative regulations, a certified or licensed employee may use electronic media to communicate with currently enrolled students about matters within the scope of the employee's professional responsibilities. Social media usage must be responsible and follow the terms of use, including the age, of the individual social media tool. As role models for the School's students, staff and faculty are responsible for their public conduct even when they are not acting as School employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public content.

Inappropriate Behavior*

The following actions are not permitted and could result in the consequences outlined in the Disciplinary Policy.

- Users may not attempt to disable or bypass the School content filter, including the use of wireless internet cards or personal hotspots.
- Users may not install unauthorized network access points or other connections that may not effectively integrate with existing infrastructure.
- Users may not launch denial of service attacks using personal or work technology, or hack or engage in behavior that attacks the network or internet access.
- Users may not illegally access or manipulate the information of a private database/system such as grade books and other student information systems.
- Users may not send, save, view, forward, or create harassing or offensive content/messages. The School's policies against harassment, bullying, and discrimination against students and employees apply to the use of technology.
- Users may not use their accounts for non-school-related activities including but not limited to:
 - Using the Internet for financial gain, personal advertising, promotion, non-government-related fundraising, or public relations.
 - Using School technology resources for political advertising, or religious proselytizing.
 - Using School email or School-provided/managed services for personal gain, to engage in actions deemed inappropriate to others subject to School policy.

*In addition to the behavior described above, the Principal, Technology Educator, School's Chief Experience Officer, and Principal's designee or related school personnel are responsible for

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

determining what is considered to be inappropriate use of the School computer network. They may request to disable a user's account or network access at any time. Student discipline will be referred to campus administration.

RESPONSIBLE USE TECHNOLOGY ACKNOWLEDGMENT AND AGREEMENT

I have read and will abide by these Responsible Use Guidelines. I understand that if I fail to comply with these Guidelines, I will be subject to appropriate disciplinary consequences which could include suspension of my user account(s) and network access as well as other disciplinary/legal action including but not limited to: being withdrawn/expulsion, criminal prosecution and/or penalty under appropriate state and federal laws. The parent and student agree to these guidelines and to follow them as a condition of access to School Technology Resources.

Through the annual enrollment agreement, the parent acknowledges consent for his/her child to have access to these services under School supervision and the student's and parent's agreement to comply with the provisions outlined in the Responsible Use Guidelines for Technology.

PARENT RESPONSIBILITY AGREEMENT

I will engage in an effective and positive PARENT-TEACHER PARTNERSHIP regarding the education and learning of my child.

I will:

- Attend all mandatory Parent-Teacher Report Card Conferences as outlined in the Parent-Student Handbook and I understand that they are mandatory. Failure to attend may result in my child's dismissal or non-re-enrollment. (Middle School Prep (4th & 5th grade) students must attend the conference.).
- Monitor my child's academic, social, and emotional progress and will communicate with the teacher as needed. In matters involving discipline, academics, or health, the school will only meet with parents.
- Maintain communications with my child about his/her involvement with all school assignments and activities. (i.e. folder, notes home, newsletters, etc.).
- Partner with and support the faculty and staff in providing effective, consistent, and firm discipline.

I will engage in an effective and positive PARENT-SCHOOL PARTNERSHIP in support of the culture, mission, fundraising, and ethos of St. Philip's School and Community Center.

I will:

- Carefully read, abide by, and reference the St. Philip's Parent-Student Handbook.
- Attend the required, mandatory three (3) meetings: Parent School Association (PSA), Parent University, or Pastries with the Principal. If I cannot attend, I will send an email to notify the school and send a representative on my behalf.
- Attend and participate in school activities throughout the year. These activities include, but are not limited to: Meet the Teacher event, Chapel, North Texas Giving Day, Saint of the Week, Curriculum Night, mandatory Parent-Teacher Report Card Conference, Parent School Association meetings, Parent University, Pastries with the Principal, and other events reported on the school calendar or other communication source.
- Keep abreast of all school activities by reading the various school-home communication sources made available to me to also include accurate emails from faculty/staff, and checking my child's backpack/folder, Remind daily of important classroom communication, and student academic materials.
- Provide conditions conducive to learning. Those conditions include regular, on-time, and full-day attendance. Encouraging your child to put a high priority on education and working with your child daily to make the most of the educational opportunities the school provides. Arranging your child's doctor appointments after school hours.
- Discuss directly with your child's teacher and key lead teachers any concerns you may have about your child's academic progress and social, emotional, and behavioral concerns.
- Supervise the child's daily grooming to adhere to the dress code policy, which includes wearing the official school uniform to all off-campus functions.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- Read classroom rules and standards with your child so that there is no question regarding scholastic and behavioral expectations.
- Maintain in FACTS/RenWeb accurate residence, telephone, email address, parents' employment, emergency contacts, pick-up contacts, and any circumstances that affect the welfare and the safety of the child.
- Adhere to the Parent Responsibility Agreement & Harmony/Communication Policy.

I agree to serve as an AMBASSADOR for St. Philip's School and Community Center by volunteering, recruiting, and partnering in at least one fundraiser for our School & Community Center.

I will:

- Volunteer for school events and extracurricular activities.
- Commit to giving to the Family Annual Fund/North Texas Giving Day.
- Participate in the Parent Student Association school fundraising event.
- Commit to inviting at least one (1) family to a St. Philip's School event to support our recruitment efforts.
- Commit to engaging in the Community Center activities

I agree to practice "THE ST. PHILIP'S WAY" by exhibiting appropriate behavior, appropriate dress, and interactions to promote harmony within St. Philip's School and Community Center.

I will:

- Maintain a positive and enhancing attitude and environment for my child.
- Stimulate, promote, and engage in only positive dialogue with other parents, teachers, administrators, volunteers, and visitors, and NOT create or participate in disharmony in the school environment or outside the school (to include media outlets) environment that negatively impacts the school or its employees (as determined by the school).
- Maintain a positive and non-disruptive attitude and manner during all school-related events and communications.
- Be respectful and cooperate with the school concerning all decisions affecting the student.
- Continued enrollment of a student is contingent upon the parents and child abiding by school policies, procedures, agreements, rules, and the decisions of the administration.
- At the school's discretion, parental behavior of a parent which impedes the school's ability to meet its educational objectives or makes a positive or constructive relationship impossible may result in suspension or expulsion of a student, separate and apart from the student's conduct. No refund of tuition or fees will be made if a student is required to withdraw or is expelled as a result of noncompliance with the school's policies and or actions of the parent or other legally responsible adult.
- Adhere to the Parent Responsibility Agreement & Harmony/Communication Policy.

HARMONY / COMMUNICATION POLICY

I will live by "put ups, not put downs" for my sister and my brother.
I care for you; I respect you. If I don't, why should another?
-excerpt from St. Philip's Creed

It is expected that all St. Philip's community members (including parents/caretakers, students, visitors, volunteers, administrators, staff, faculty, or other stakeholders) maintain a culture and atmosphere of harmony. Incidents, whether written or verbal/nonverbal, that could be perceived as disharmonious include - but are not limited to - inappropriate, harsh, coercive, threatening, intimidating, shaming, derogatory, demeaning, public comments to including media, disrespect, gossiping, or humiliating or degrading interactions.

At St. Philip's School and Community Center care and respect for one another should persist even when we are not in the presence of each other. This care and respect are to be manifested in the content of what we write and especially restrained by what we say to each other or about our fellow children of God. Our tone, timing, temperance, and appropriate place are vital to serving as guideposts to govern our communications and maintain harmony amongst the St. Philip's School community.

Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen.

Ephesians 4:29

Failure to comply with the Parent Responsibility Agreement & Harmony/Communication Policy will result in a review by the St. Philip's School Harmony Committee. The review process may be circumvented on a case-by-case basis at the discretion of the above-mentioned, due to the nature or severity of the offense. Consequences may range from notification of disharmony by the committee, to permanent family dismissal and exclusion from St. Philip's School and Community Center (to include Community Center, Academic Enrichment, Athletics, and related functions).

At the school's discretion, any behavior of a parent which impedes the school's ability to meet its educational objectives or makes a positive or constructive relationship impossible may result in suspension or expulsion of a student, separate and apart from the student's conduct. No refund of tuition or fees will be made if a student is required to withdraw or is expelled as a result of the actions of the parent or other legally responsible adult. In matters involving discipline, academics, or health, the school will only meet with parents.

Facts about a disharmonious incident or concern must be submitted in writing to the Dean of Students and Family Affairs. A Harmony Review Team will obtain and review data, hold meetings, and recommend action to be taken.

ENROLLMENT/RE-ENROLLMENT AGREEMENT

I understand the criteria required for the family and my child's admission and continued enrollment at St. Philip's School and Community Center.

In enrolling my child, I am committing that his/her education is and will remain a priority.

I, as Parent,

- will comply with school rules regarding suspensions and detentions as outlined in the Parent-Student Handbook.
- understand that if the School determines that I am not fulfilling my responsibilities, my child may be asked to leave St. Philip's School and Community Center and the full amount of tuition and fees are binding.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

VIRTUAL / DISTANCE LEARNING & PANDEMIC PROTOCOLS

Please monitor the school's website for additional information and updates on protocols for a pandemic, related matters, and virtual distance learning guidelines. We will continue to update and revise procedures based on their guidance, meaning the information outlined within this document is subject to change. Our administrators and teachers will do everything that they can to promote a positive learning experience.

We are committed to making sure that students continue to experience the care and commitment of our teachers and the routine of daily learning, even when that learning is happening online or at home.

We must acknowledge that our approach to distance learning cannot replicate the miracle that happens when school is in regular session (the invaluable social interactions and mediation, real-time, in-person feedback, community, extracurricular events, and so on). However, we do contend that quality learning can occur on various learning platforms.

We want to be mindful of the measures that have been put in place to ensure (to the best of our ability) the safety and wellness of everyone at our campus.

Virtual / Distance Learning - Pandemic Return To Campus Guidelines:

We are committed to providing an unparalleled academic experience and doing our part in keeping our community safe and healthy. Related campus guidelines will be communicated through the various school means of communication.

Returning to Campus Plan Blueprint

A blueprint has been developed to represent the combined efforts of the members of the SPSCC Re-opening Task Force which includes the voices of Board Trustees, Executive Leadership members, professional nurses, staff members, faculty members, and parents to ensure a thoughtful and responsible return to campus. In addition, SPSCC has secured a council of local doctors to review its return to campus plan and a consulting team to assess buildings and develop a road map for auditing their sustainability and operations. The blueprint prioritizes the health and wellness of our students, faculty, and staff as we continue to deliver the excellent experience all have come to expect from SPSCC.

VIRTUAL / DISTANCE LEARNING GUIDELINES

(These policies complement all school policies)

The nine (9) guidelines provided below are intended to help parents think about what they can do to help their children find success in a distance learning environment.

1. Establish routines and expectations. Parents need to establish routines and expectations. Parents are to set regular hours for their children's school work. Keep normal bedtime routines for children. Don't let them stay up late and sleep in!
During the day, we have scheduled breaks for your child to move, stretch, and log off zoom. You too can encourage your children to move regularly and take periodic breaks as they study.
2. Define the physical space for your child's study. Your child may have a regular place for doing homework under normal circumstances, but this space may or may not be suitable for an extended period. We encourage families to establish a space/location where their children will learn most of the time. This should be a public/family space, not in a child's bedroom. It should be a place that can be quiet at times and have a strong wireless internet signal, if possible. All students must have their cameras on. Students should be alert and ready to learn. Students must have all their materials ready to learn and near them to avoid a loss of instructional time.
3. Monitor communications from your children's teachers and the school. Teachers will communicate with parents through FACTS/RenWeb email, when and as necessary. The frequency and detail of these communications will be determined by your children's ages, maturity, and degree of independence. We also encourage parents to have their children explain the online platforms (e.g. Seesaw, Google GSuite, Clever, etc.) their teachers are using.
4. Take an active role in helping your children process and own their learning. It's important that your child owns their work; don't complete assignments for them, even when they are struggling.
5. Establish times for quiet and reflection. A huge challenge for families with multiple children will be how to manage all of their children's needs, especially when those children are different ages and have different needs. There may be times when siblings need to work in different rooms to avoid distraction. Parents may even experiment with noise-cancelling headphones (no music necessary!) to block out distractions. During video instruction, mute yourself. Minimize background noise and conversations.
6. Encourage physical activity and/or exercise. Make sure your children remember to move and exercise. This is vitally important to their health, wellbeing, and to their learning. The physical education teachers will recommend activities or exercises, but it is important for parents to model and encourage exercise! Think also about how your children can pitch in more around the house with chores or other responsibilities. Don't let your children off the hook – expect them to pitch in!
7. Remain mindful of your child's stress or worry. It is imperative for parents to help their children manage the worry, anxiety, and range of emotions they may experience. Difficult

though it may be, do your best not to transfer your stress or worry to your children. They will be out of sorts, whether they admit it or not, and need as much normal routine as parents can provide. Please reach out to the Counselor and/or Dean of Students should your child experience high levels of stress or worry.

8. Monitor how much time your child is spending online. It is imperative that your child does not stare at computer screens for 7–8 hours a day. Know that we may routinely give your child a task to do independently that provides them a break from screen time. We do this intentionally to allow them time to work but also to take a break from the device.
9. Keep your children social, but set rules around their social media interactions. Help your children maintain contact with friends and see them in person when circumstances permit. Please also monitor your children's social media use, especially during extended school closure. Older students will rely more on social media to communicate with friends. Social media apps such as SnapChat, Instagram, WhatsApp, or Facebook are not official, school-sanctioned channels of communication. We ask parents to monitor their children's use of social media. Remind your children to be polite, respectful, and appropriate in their communications and to represent your family's values in their interactions with others. A student's written words and tone can sometimes offend or cause harm to others.

Student Online Behavior

Behavior online must not disrupt the learning environment. Some specific behaviors (but not limited to) that are not tolerated and subject to disciplinary action:

- Chatting or texting with other students during live instruction without teacher permission
- Making faces or distracting movements to garner student attention.
- Interfering with teacher audio, video, or “whiteboard” demonstrations.
- Creating select chat rooms or groups.
- Ongoing redirection by the teacher.
- On unauthorized websites or websites at unauthorized times.
- Disrespect or defiant actions.
- Students are to dress in the school uniform during the school day.
- Sit at a desk or table (not on a bed or couch), during virtual instructional time.
- The use of cell phones, while students are working in the classroom, is prohibited. Students will not be allowed to watch movies, play online games, or listen to music while in class.
- Sleeping in class is prohibited.

Discipline Policy (in conjunction with the general disciplinary standards)

Since distance learning does not provide an opportunity to use all of the natural consequences generally used for “in-person” education, administration and teachers may use the following additional consequences to help the student meet the conduct expectations. Some consequences (but not limited to) that may be implemented are:

- The student is muted or disconnected from self-video for the live instruction time
- The student may be forced to leave the live instruction video conference
- The student may be suspended from live instruction for a period of time
- The student may be expelled from the school's distance learning program.

Parents can expect communication from the teacher whenever serious consequences are being applied.

If clarification on certain behavior is needed, please contact the teacher for questions or concerns. It is our expectation, from a given partnership with at-home schooling parents, that student engagement and contact time on platforms enacted by the school for the purpose of distance learning, will be carefully monitored for appropriate student conduct.

Integrity in Distance Learning Assignments and Assessments

When a distance learning assignment is scored, we expect the work to be the student's alone so that the score is meaningful. Scored assignments and assessments are important because they give us information about student progress and the effectiveness of instruction. All scored assignments and assessments are to be the student's original work.

To ensure academic integrity, unit tests and exams will be proctored to protect the integrity and test confidentiality. Students will:

- complete assignments and/or assessments alone/independent of supervision providing clues or answers;
- not copy or redistribute any part of the assignments and/or assessments in any way – electronically, verbally, or on paper;
- take the assessments without any aids – meaning you may not use textbooks, references, or other materials (printed or electronic), calculators, or grammar checks – unless your teacher or the specific assessment otherwise instructs you to;
- be allowed to use their notes to take quizzes, tests, and exams (no screenshots or previous quizzes/tests);
- not log in to a second course or open course-related materials on another browser on another computer;
- not confer with others (students, family members, teachers, or acquaintances) either in person or through electronic communication, during assessments.
- not give or receive help or assistance while working on quizzes, tests, exams, or graded assignments
- be visible and the camera should remain on the entire time during the test.

Invalid Or Discrepancies Resulting In Violations

- Any academic support is prohibited during the testing session, including parental and or other external academic support.
- The test will be recorded by the test proctor to maintain the integrity of the test
- Families are prohibited from recording the test to maintain the security and integrity of the test.
- Families or other individuals are prohibited from assisting the student as they answer questions or read text.

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

- Test proctors will not be allowed to discuss testing observations or outcomes during the testing session.
- The school reserves the right to deem the test invalid, for reasons including, but not limited
 - to parental or other academic support, interference, general discrepancies, use of non-approved aids, recording, photos, etc.
 - and other unacceptable matters as determined by the school.

Teacher Availability - Communication

When implementing serious disciplinary consequences, parents can expect communication from the teacher whenever serious consequences are being applied. The teacher's school day is structured with classroom instruction throughout each day, therefore, communication to the parent may not be issued until after the school day or teachers will respond to communication within two (2) school business days. When you need to contact teachers, please remember that teachers will be communicating with many students as well as other parents and that communications should be essential, succinct, and self-aware.

STATEMENT OF COMPLIANCE

This Statement of Compliance is for the student and the parent(s) to acknowledge that they agree to adhere to the Parent-Student Handbook.

In the event of change due to a pandemic, regardless of the learning plan option chosen, you understand and acknowledge that all of the school's policies and procedures apply to students and parents while participating in distance or remote learning, hybrid, self-paced, or on campus. Parents will communicate these responsibilities to your child(ren) and you will ensure that your child(ren) complies with all school policies.

During virtual learning, you understand and acknowledge that your child's image, likeness, or voice; your image, likeness, or voice; as well as images, individuals, conversations, and other sounds in your home that are visible or audible in the background of their webcam's transmittals, may be transmitted or recorded during participation in distance learning or meetings conducted via any video platform, and you expressly consent to such transmittal and recording. From time to time, classes and meetings conducted through recordable video platforms such as Zoom, Google Suite, or other video platforms may be recorded by the school for educational purposes and may be shared with other students or employees of the school. Recording of classes or other online interactions with a student or students is not permitted in any manner by anyone other than a representative of the school without permission in writing from the Principal.

The school has reviewed all applications and web services used in the coordination and delivery of distance learning against our internal standards for student data privacy. You understand and acknowledge that while minimal, there may be risks related to the use of Zoom, Google Suite, or other videos, online, or learning platforms and you recognize and accept those risks. You further acknowledge that you have had the opportunity to review the Privacy Policy and Terms of Use for these video platforms, which can be found on their websites.

You consent to all the terms herein and the Parent Student Handbook and give your child permission to participate in the school's various learning platform opportunities using Zoom, Google Suite, or other video or online learning platforms. You acknowledge and represent that you have read and fully understand it, and agree to its provisions, on behalf of yourself, and as the parent or legal guardian of your child, on behalf of child.

AGREEMENT AND ACKNOWLEDGEMENT

The parent's enrollment or re-enrollment of their child(ren) at St. Philip's School and Community Center is their acknowledgment of the Parent-Student Handbook and serves as the parent's and child's agreement to comply with and support St. Philip's School and Community Center.
