Greetings St. Philip's Parents and Students!

Thank you for another wonderful year at 1600 Pennsylvania Avenue! Enclosed you will find a summer reading list, math activity packets, school supply information, uniform policy, class trip information (2nd through 8th grades), a 2025-2026 school year calendar, and several other important items. Many of these items, along with the full year calendar, will remain posted in the parent portal of our school website, www.stphilips1600.org. If any of the above items are missing please contact the Office of Admissions and Enrollment Management at admissions@stphilips.com. Records may be withheld if your child has missing books (library or textbooks) or if there is a need to reconcile with the business office for any reason.

The Summer Reading and Math requirements can be found throughout this document based on your students 2025-2026 grade level.

Plan to join us for our "Back to School Bash" event on Sunday, August 17, 2025, time TBD. This is also an opportunity for you to bring your labeled school supplies to the classroom before the first day of school. Look for a special message from your homeroom teacher or advisor in early August.

The first day of classes will be Wednesday, August 20th with **chapel service beginning at 8 :25 AM.**

There will be no before or after school care until , Monday, August 25th .

Parents, we will be looking for volunteers to assist in AM carpool – coined, K.S.S. (Keeping Saints Safe) each day. A sign-up link will be shared prior to the start of the school year for you to sign-up for your homeroom or grade levels week. Let us know if the students can count on seeing your smiling face as they arrive to school next year. If you can commit to one day or more, it will truly help. The shift is 7:40 until 8:00 AM. Thanks to all who stepped in to make our student arrivals happy and safe this past year. We truly appreciated your 'sunshine or rain' sacrifice.

Enjoy a wonderfully blessed summer!

- Listen to a book being read aloud.
- Take turns reading to a friend or parent.
- Read the book by yourself and tell someone about your favorite parts.
- Record yourself reading the book or parts of the book a second time. Listen to the tape or audio file.
- Make a list of the books you have read. Use a code to indicate how you felt about each book.
- Visit the library and explore the section with information books. Select those that interest you.
- Check out a poetry book and make copies of your favorite poems.

Knowing how to choose a good book is part of being a good reader. Have fun choosing and reading books this summer!!!

Summer MATH

SUMMER math practice

Dear Parents/Guardians and Students,

Let's keep the Mathematical thinking going all summer long. Regular practice over the summer with math facts, computation and problem solving will help students maintain and strengthen gains made over the school year. I have attached a math calendar filled with daily problems and activities to keep students learning all summer long. The goal is for you to have fun, thinking and working together with mathematical ideas. Discuss with your student how they got the solution and what strategy they used.

Even though the calendar has certain activities for each day, you can choose which day you complete each one. **The goal is to complete all math activities each month (June, July) in addition to reaching the required fluency percentage through Reflex Math.** Complete each activity in your Summer Math Notebook, explaining your thinking, showing your work, or saving your artifact and placing it in your journal. **Bring your calendar with a parent signature and math notebook on the first day of school. Your fluency percentage will be checked as well. These items will count as your first quiz grade for the term.**

Thank you for your support and have a wonderful summer vacation!

Summer of Love

Want to make this the best summer ever? Spreading kindness is a great place to start! Not only will you be helping other people, you'll also be helping yourself feel happier at the same time.

This is your own special Kindness Calendar. You can use it to record your acts of kindness during the summer...we've added a few suggestions and left lots of blank spaces for you to add your own ideas.

What colour will you make your hearts? Use our colour key to decide!

Green Heart - Acts that are kind to the planet

Yellow Heart - Acts that are kind to ourselves

Red Heart - Acts that are kind to other people
