

June 2024

Greetings St. Philip's Parents and Students!

St. PHILIP'S
SCHOOL & COMMUNITY CENTER

Mrs. Kellee Murrell
Principal

Thank you for another wonderful year at 1600 Pennsylvania Avenue! Enclosed you will find a summer reading list, math activity packets, school supply information, uniform policy, class trip information (2nd through 8th grades), a tentative 2024-2025 school year calendar, and several other important items. Many of these items, along with the full year calendar, will remain posted in the parent portal of our school website, www.stphilips1600.org. If any of the above items are missing please contact the Office of Admissions and Enrollment Management at admissions@stphilips.com. Records may be withheld if your child has missing books (library or textbooks) or if there is a need to reconcile with the business office for any reason.

The summer reading list is provided to encourage our students to continue daily reading habits they have established during the school year. Please help ensure that your child will be ready for school in August by participating with them in summer learning. You will find a letter about summer ALEKS Math requirements for all upcoming 4th, 5th, 6th, and 7th grade students. Upcoming 8th graders will work on ISEE preparation through Test Innovators with an additional calculator proficiency skill practice. All upcoming PK3 thru 3rd students will find a letter about summer math practice along with an activities calendar.

Plan to join us for our "Back to School Bash" event on Sunday, August 18th at 2:00 PM. This is also an opportunity for you to bring your labeled school supplies to the classroom before the first day of school. Look for a special message from your homeroom teacher or advisor in early August.

The first day of classes will be Wednesday, August 21st with **chapel service beginning at 8 :25 AM.**

There will be no before or after school care until , Monday, August 26th .

Parents, we will be looking for volunteers to assist in AM carpool – coined, K.S.S. (Keeping Saints Safe) each day. A sign-up link will be shared prior to the start of the school year for you to sign-up for your homeroom or grade levels week. Let me know if the students can count on seeing your smiling face as they arrive to school next year. If you can commit to one day or more, it will truly help. The shift is 7:40 until 8:00 AM. Thanks to all who stepped in to make our student arrivals happy and safe this past year. We truly appreciated your 'sunshine or rain' sacrifice.

Enjoy a wonderfully blessed summer!

Sincerely,

Kellee Murrell, George T. Lee Principal

5th Grade Summer Reading List
St. Philip's School & Community Center

At St. Philip's School and Community Center, one of our many goals is to inspire a life-long love of reading within the hearts of each of our students. Toward that goal, we have devised a summer reading program with activities interwoven throughout the coming school year. Students may read the books independently, read them aloud with a parent, or listen to the audio version.

Summer Reading Assignment: Students will read two books: the required reader and one book of their choice. Students will need to purchase both books as they will use them in class and annotate as they read using the Close Reading Marks. See the attached annotation instructions.

1. Read the required reader: Wonder by R.J. Palacio.

This story is about ten-year-old Auggie Pullman, who is just a normal kid – on the inside. As for the outside, well, that is a different story. After being home-schooled for years, Auggie is about to start fifth grade but he is worried. How will he fit into middle school life when he looks so different from everyone else? This is a memorable story of courage, kindness, and wonder.

2. **Complete the written assignment.** The summer written assignment for Wonder is a Paper Bag Book Report. Please see the handout for detailed instructions. We will also discuss the book and engage in related activities during the first month of School. This will be their first grade of the school year.
All assignments are due on the first day of school. There will be a penalty for late assignments.

3. Read a book from the Suggested Reading List and be prepared to bring it to share for a class Book Talk.

4th – 7th Grade Summer Math Requirement:

This summer all students are required to work in *ALEKS*. Students will continue their path from the school year. Some students may have to begin by taking a diagnostic assessment when they log in. Please do not assist them as they will continue working on this program weekly throughout the year and must be able to work independently. This program will design a path to help students increase their math skills and retain concepts. Students **MUST** work to receive a 100% completion percentage on the current instructional level of *ALEKS*. This requirement must be completed by the 1st day of school. If students are working above grade level they should have an email with Math Summer Requirement as the subject to confirm and let them know what is required of them. See the guidelines below (Page 2) regarding what students need to do to receive credit.

Account logins for new students will be sent to parents via email by June 3rd. Students will access *ALEKS* by visiting www.aleks.com. Please print this sheet and have your student write down their log in information below, to ensure that they have this information during the summer. *Please share this information with any household where your student will spend a significant amount of time this summer.

Username: _____

Password: _____

Teachers will receive a report monthly and again at the end of the summer detailing your student's progress and this will count as a completion quiz grade. **Students not meeting the requirement will receive a 0 as their first quiz grade.** Parents will receive a weekly summary email of your student's progress. Please watch the video to listen to detailed instructions. <https://youtu.be/pPPEQiYrEV8>

****Please pay close attention to the number of topics that students have learned or mastered. This is the way to increase their percentage. The goal is to retain and improve your student's math skills over the summer. The results will also provide valuable information on how we can work together to ensure your student's success during the next school year.**

Finally, here are guidelines for making the most out of the at-home learning experience:

1. **Students MUST keep an organized ALEKS journal to work out problems.** They will include the topic title and date for each page. Do not allow your student to use a calculator, unless it is provided within the program for a specific problem. **Journals are required to be turned in to your student's math teacher on the 1st day of school.**
2. **Please discourage your student from using external help**, such as the Internet or a family member providing them with answers. Students will get the most benefit from working through the problems on their own! They can access videos on Khan Academy, Flocabulary, Math antics or Math Playground for instructional concepts and practice as needed. Topics may be done in any order. Students are encouraged to skip around to work on topics that they are more familiar with before tackling problems that may be more challenging for them.
3. **Don't forget that tools are available in the ALEKS program to help your student!**
Tools include:
 - A Dictionary of math terms and concepts
 - An "Explanation" button providing step-by-step instructions for solving a problem
4. **Set a regular work schedule. Students work speed may require additional time.**
 - Hours Per Week: **1+**
 - Number of Days Per Week: **2-3 days a week**
5. **Check your student's progress percentage often. Do NOT wait until the last week.**
6. **For 4th Grade ONLY...If your student has NOT completed Reflex math multiplication and division at 100%, keep working toward this goal in addition to ALEKS. This will help with their math fluency and success in ALEKS.**
 - Access Reflex math through your Clever account to check your percentage.

For technical assistance, please contact ALEKS Customer Support:

"My People have suffered and died for my chance to read and do Math..."

Dr. Terry J. Flowers

The annual Fifth-Grade Civil Rights Trip is an extensive five-day field excursion. Students will travel throughout the southeastern United States and trace the footsteps of the Freedom Riders and other Civil Rights activists who played a pivotal role in the modern Civil Rights Movement of the 1950s and 1960s.

This year's trip is tentatively scheduled for the week of March 10-14, 2025.

Cost: Previous year \$575 (inflation increase to be expected)

DRESS CODE AND SCHOOL UNIFORM

St. Philip's School believes that emphasizing neat, clean, and appropriate attire will help students to develop good personal grooming throughout life. Haphazard grooming often encourages haphazard behavior and may interfere with a child's personal and academic progress. Adherence to this dress code is an exercise in obedience to rules and policy. We appreciate our parents' diligence in assisting their children in carefully adhering to the school uniform code.

Students shall observe the following specific requirements of the dress code:

A. General Appearance

1. Neat, clean, and appropriate grooming for school will be encouraged and expected.
2. Hair styles and cuts should reflect good taste, and be appropriate to the simplicity of the uniform. All hairstyles (natural and others) should be kept neat in appearance – in adherence to our standard of excellence in all areas.
3. Boys may not wear earrings. Girls may wear modest earrings.
4. Make-up is not permitted.
5. No hats or caps may be worn inside the building. Adults are also asked to comply.
6. All shirts and blouses must always be tucked in.
7. St. Philip's sweaters, crewneck sweatshirts, hoodies and jackets are the only types of outer wear to be worn in the building.
8. College/University T-Shirts or sweatshirts may **only** be worn on Fridays with the St. Philip's uniform skirts, shirts, slacks, or shorts.
9. Titans may wear any College/University apparel on Thursdays and special Fridays are Free Dress days.
10. No body art (tattoos) will be allowed.
11. No gang symbols on books, bodies, bags, or other personal belongings are allowed.

B. Basic Guidelines

1. Students who come to school improperly dressed will be issued a Dress Code Violation as a warning for their 1st offense. The

2nd dress code violation will result in the student being sent to the Admissions Office and parents being contacted to bring the proper clothing to school. The 3rd dress code violation will require the student to be picked up by the parent/guardian and taken home for the remainder of the day.

2. No miscellaneous items shall be worn on, over, or under the uniform. Extra coats, jackets, and non-uniform sweaters must be removed and hung in designated areas. They may not be worn in the building (hallway, classroom, gym, or cafeteria) once the school day has begun. St. Philip's sweaters, crewneck sweatshirts, hoodies and jackets are the only types of outer wear to be worn in the building.
3. Long pants are not acceptable for girls at any time.
4. St. Philip's plaid, red, white, or blue is the only acceptable color for hair accessories.
5. Uniform ties are to be worn on Mondays and special days.
6. The official uniform must be worn on Dress for Success Mondays. Boys should wear long pants and a uniform tie. Girls should wear dresses or skirts and a uniform tie. Middle School students must wear the Navy Blazer with St. Philip's emblem. No shorts or skorts may be worn on Mondays.
7. **November through March is winter weather. While there is no specific winter dress code, please be sure to dress your**

student wisely for the cold weather conditions.
