

June 2024

Greetings St. Philip's Parents and Students!

Mrs. Kellee Murrell
Principal

Thank you for another wonderful year at 1600 Pennsylvania Avenue! Enclosed you will find a summer reading list, math activity packets, school supply information, uniform policy, class trip information (2nd through 8th grades), a tentative 2024-2025 school year calendar, and several other important items. Many of these items, along with the full year calendar, will remain posted in the parent portal of our school website, www.stphilips1600.org. If any of the above items are missing please contact the Office of Admissions and Enrollment Management at admissions@stphilips.com. Records may be withheld if your child has missing books (library or textbooks) or if there is a need to reconcile with the business office for any reason.

The summer reading list is provided to encourage our students to continue daily reading habits they have established during the school year. Please help ensure that your child will be ready for school in August by participating with them in summer learning. You will find a letter about summer ALEKS Math requirements for all upcoming 4th, 5th, 6th, and 7th grade students. Upcoming 8th graders will work on ISEE preparation through Test Innovators with an additional calculator proficiency skill practice. All upcoming PK3 thru 3rd students will find a letter about summer math practice along with an activities calendar.

Plan to join us for our "Back to School Bash" event on Sunday, August 18th at 2:00 PM. This is also an opportunity for you to bring your labeled school supplies to the classroom before the first day of school. Look for a special message from your homeroom teacher or advisor in early August.

The first day of classes will be Wednesday, August 21st with **chapel service beginning at 8 :25 AM.**

There will be no before or after school care until , Monday, August 26th .

Parents, we will be looking for volunteers to assist in AM carpool – coined, K.S.S. (Keeping Saints Safe) each day. A sign-up link will be shared prior to the start of the school year for you to sign-up for your homeroom or grade levels week. Let me know if the students can count on seeing your smiling face as they arrive to school next year. If you can commit to one day or more, it will truly help. The shift is 7:40 until 8:00 AM. Thanks to all who stepped in to make our student arrivals happy and safe this past year. We truly appreciated your 'sunshine or rain' sacrifice.

Enjoy a wonderfully blessed summer!

Sincerely,

Kellee Murrell, George T. Lee Principal

**St. Philip's Middle School
Summer Reading, 2024-2025
Rising 6th Graders**

Required Book: All students will read *Hatchet* by Gary Paulsen. Also, you will **read** *A Long Walk to Water* by Linda Sue Park.

Due Date: First day of Sixth Grade.

Your report will include **two parts**, labeled on separate pages. Please include your first and last name in the upper left corner of your paper.

Part I: *Hatchet* As you read *Hatchet*, passages point to Brian's ability to persevere even in difficult circumstances. Write a response to each quotation listed in the template provided, explaining what the quote shows about a lesson or strategy Brian learns that helps him to survive. You may type or write neatly in pencil or pen, but the format should be like the template. Responses should be thoughtful and deeper than merely retelling of the story. Finally, choose a quotation from Chapters 13-19 that you think is important. Type or write it in the section using the format given and write your thoughtful response. (An example of a quotation and response from a different book is below.)

Part II: *A Long Walk to Water*: Choose a character from *A Long Walk to Water* who shares a common positive trait with Brian from *Hatchet*. Create an award (a ribbon or certificate) that could be given to this character based on that trait. **In addition**, write a paragraph showing **how** the character's actions demonstrate his/her trait. Your topic sentence will begin similar to this: Like Brian in *Hatchet*, _____ in the novel _____ also demonstrates much (courage/patience/determination, etc.) Write about **one** trait only and use examples from the novel you chose to prove and explain your point.

1. All writing should be in your own words. You should not consult outside sources or copy words or phrases from any other source. This assignment should show your true writing ability.

2. A paragraph should include 6-8 sentences. Be sure to use complete sentences. Use variety in the way you start your sentences. Include examples from the text and an explanation to prove your statements.
3. Your summer reading assignment should be typed and double-spaced. Please do not print double-sided. Proofread for correct spelling and punctuation.
4. Staple your paper in the upper left-hand corner. No folders or cover sheets, please.
5. Please bring your completed assignment on the first day of school.

Extra credit: If you want extra credit, please submit a picture of you and your summer reading book in a unique location. You and the book should be clearly visible. (Please do not submit swimsuit pictures.) The picture should be attached to the last page of the report if it is typed as a jpeg. If it is written, attach it with a paperclip to the last page of your report. Be creative! Your creativity will determine the number of extra credit points you receive. Points possible 10-15.

Book Hatchet by Gary Paulsen

Quotation Page

Directions:

In the first column, write a direct quote or passage from the text (see the example.)

Notice the format for correctly citing the text with its page number.

In the second column, explain what each quotation shows about the thoughts, actions, or traits that help Brian survive difficult circumstances. You should have at least 5 quotations with responses.

Quotation from the text (with page number in parentheses) Follow the format given.	Response
<i>"With his mind opened and thoughts happening, it all tried to come in with a rush, all of what occurred, and he could not take it. The whole thing turned into a confused jumble that made no sense. So, he fought it down and tried to take one thing at a time" (43).</i>	<i>Brian's mind was racing. His thoughts were all over the place. All his thoughts continued to confuse him further as they did not make much sense. Brian tried everything to calm his mind, but nothing worked. At one point, he tried to think of one thing at a time.</i>

4th – 7th Grade Summer Math Requirement:

This summer all students are required to work in *ALEKS*. Students will continue their path from the school year. Some students may have to begin by taking a diagnostic assessment when they log in. Please do not assist them as they will continue working on this program weekly throughout the year and must be able to work independently. This program will design a path to help students increase their math skills and retain concepts. Students **MUST** work to receive a 100% completion percentage on the current instructional level of *ALEKS*. This requirement must be completed by the 1st day of school. If students are working above grade level they should have an email with Math Summer Requirement as the subject to confirm and let them know what is required of them. See the guidelines below (Page 2) regarding what students need to do to receive credit.

Account logins for new students will be sent to parents via email by June 3rd. Students will access *ALEKS* by visiting www.aleks.com. Please print this sheet and have your student write down their log in information below, to ensure that they have this information during the summer. *Please share this information with any household where your student will spend a significant amount of time this summer.

Username: _____

Password: _____

Teachers will receive a report monthly and again at the end of the summer detailing your student's progress and this will count as a completion quiz grade. **Students not meeting the requirement will receive a 0 as their first quiz grade.** Parents will receive a weekly summary email of your student's progress. Please watch the video to listen to detailed instructions. <https://youtu.be/pPPEQiYrEV8>

****Please pay close attention to the number of topics that students have learned or mastered. This is the way to increase their percentage. The goal is to retain and improve your student's math skills over the summer. The results will also provide valuable information on how we can work together to ensure your student's success during the next school year.**

Finally, here are guidelines for making the most out of the at-home learning experience:

1. **Students MUST keep an organized ALEKS journal to work out problems.** They will include the topic title and date for each page. Do not allow your student to use a calculator, unless it is provided within the program for a specific problem. **Journals are required to be turned in to your student's math teacher on the 1st day of school.**
2. **Please discourage your student from using external help**, such as the Internet or a family member providing them with answers. Students will get the most benefit from working through the problems on their own! They can access videos on Khan Academy, Flocabulary, Math antics or Math Playground for instructional concepts and practice as needed. Topics may be done in any order. Students are encouraged to skip around to work on topics that they are more familiar with before tackling problems that may be more challenging for them.
3. **Don't forget that tools are available in the ALEKS program to help your student!**
Tools include:
 - A Dictionary of math terms and concepts
 - An "Explanation" button providing step-by-step instructions for solving a problem
4. **Set a regular work schedule. Students work speed may require additional time.**
 - Hours Per Week: **1+**
 - Number of Days Per Week: **2-3 days a week**
5. **Check your student's progress percentage often. Do NOT wait until the last week.**
6. **For 4th Grade ONLY...If your student has NOT completed Reflex math multiplication and division at 100%, keep working toward this goal in addition to ALEKS. This will help with their math fluency and success in ALEKS.**
 - Access Reflex math through your Clever account to check your percentage.

For technical assistance, please contact ALEKS Customer Support:

- Hours (Eastern Time):
 - Sunday, 4:00 PM – 1:00 AM
 - Monday - Thursday, 7:00 AM – 1:00 AM

Sixth-Grade GRAND CANYON Academic Excursion

The sixth-grade academic excursion will be a week-long trip to the Grand Canyon. The group will fly to Phoenix, Arizona, and take a charter bus to Williams, Arizona. From Williams, students will take the Grand Canyon Railway Train to the Grand Canyon, where they will spend 2 nights and 3 days. Complete details of the trip will be communicated at a pre-trip parent meeting.

Trip Dates: May 5,- May 9, 2025

Cost: Previous year \$650 (inflation increase to be expected)

We look forward to a unique and life-changing trip with the students!

DRESS CODE AND SCHOOL UNIFORM

St. Philip's School believes that emphasizing neat, clean, and appropriate attire will help students to develop good personal grooming throughout life. Haphazard grooming often encourages haphazard behavior and may interfere with a child's personal and academic progress. Adherence to this dress code is an exercise in obedience to rules and policy. We appreciate our parents' diligence in assisting their children in carefully adhering to the school uniform code.

Students shall observe the following specific requirements of the dress code:

A. General Appearance

1. Neat, clean, and appropriate grooming for school will be encouraged and expected.
2. Hair styles and cuts should reflect good taste, and be appropriate to the simplicity of the uniform. All hairstyles (natural and others) should be kept neat in appearance – in adherence to our standard of excellence in all areas.
3. Boys may not wear earrings. Girls may wear modest earrings.
4. Make-up is not permitted.
5. No hats or caps may be worn inside the building. Adults are also asked to comply.
6. All shirts and blouses must always be tucked in.
7. St. Philip's sweaters, crewneck sweatshirts, hoodies and jackets are the only types of outer wear to be worn in the building.
8. College/University T-Shirts or sweatshirts may **only** be worn on Fridays with the St. Philip's uniform skirts, shirts, slacks, or shorts.
9. Titans may wear any College/University apparel on Thursdays and special Fridays are Free Dress days.
10. No body art (tattoos) will be allowed.
11. No gang symbols on books, bodies, bags, or other personal belongings are allowed.

B. Basic Guidelines

1. Students who come to school improperly dressed will be issued a Dress Code Violation as a warning for their 1st offense. The

2nd dress code violation will result in the student being sent to the Admissions Office and parents being contacted to bring the proper clothing to school. The 3rd dress code violation will require the student to be picked up by the parent/guardian and taken home for the remainder of the day.

2. No miscellaneous items shall be worn on, over, or under the uniform. Extra coats, jackets, and non-uniform sweaters must be removed and hung in designated areas. They may not be worn in the building (hallway, classroom, gym, or cafeteria) once the school day has begun. St. Philip's sweaters, crewneck sweatshirts, hoodies and jackets are the only types of outer wear to be worn in the building.
3. Long pants are not acceptable for girls at any time.
4. St. Philip's plaid, red, white, or blue is the only acceptable color for hair accessories.
5. Uniform ties are to be worn on Mondays and special days.
6. The official uniform must be worn on Dress for Success Mondays. Boys should wear long pants and a uniform tie. Girls should wear dresses or skirts and a uniform tie. Middle School students must wear the Navy Blazer with St. Philip's emblem. No shorts or skorts may be worn on Mondays.
7. **November through March is winter weather. While there is no specific winter dress code, please be sure to dress your**

student wisely for the cold weather conditions.

C. Official Uniform

The official uniform can be purchased at Levines Uniform Store or Official Website. Please check with the Admission Office for specific details.

All required items of the uniform shall be worn as follows:
